In this enchanting contemporary romance, sure to delight readers

of Rachel Gibson and Susan Elizabeth Phillips, a close encounter of the sexy kind leads a plain Jane to discover her wild side. Chloe Sinclair has never been bad . . . until she stumbles—literally—into the arms of a gorgeous stranger. To make matters worse, the morning after, her world is rocked completely off its axis when the sensual dreamboat turns out to be the man brought in to save the TV station

where she works. Sterling Prescott is hard-driven, gorgeous as hell, and determined to turn the struggling KTEX into a success. But all bets are off when the shameless wildcat that disappeared on him last night walks back into his life—acting like a squeaky-clean librarian. Life gets truly complicated, however, when Sterling decides to win more than the station—and to show Chloe that being sexy isn't a sin.

The Opinions of Mankind

University of Missouri Press

NAMED ONE OF THE
BEST BOOKS OF THE
YEAR BY BUZZFEED AND
THE INDEPENDENT •

New York Times bestselling author Joe Abercrombie delivers the stunning conclusion to the epic fantasy trilogy that began with *Half a King*, praised by George R. R. Martin as “a fast-paced tale of betrayal and revenge that grabbed me from page 1 and refused to let go.” “The

Shattered Seas trilogy has worked its way into a very exclusive group of my favorite fantasy novels of all time.”—James Dashner, #1 New York Times bestselling author of *The Maze Runner*
Words are weapons.

Princess Skara has seen all she loved made blood and ashes. She is left with only words. But the right words can be as deadly as any blade. If she is to reclaim her birthright, she must conquer her fears and sharpen her wits to a lethal edge. Only half a war is fought with swords. The deeply cunning Father Yarvi has walked a long road from crippled slave to king's minister. He has made allies of old foes and stitched together an uneasy peace. But now the ruthless Grandmother Wexen has raised the greatest army since the elves made war on God, and put Bright

Yilling at its head—a man who worships only Death. Sometimes one must fight evil with evil. Some—like Thorn Bathu and the sword-bearer Raith—are born to fight, perhaps to die. Others—like Brand the smith and Koll the wood-carver—would rather stand in the light. But when Mother War spreads her iron wings, she may cast the whole Shattered Sea into darkness. Praise for Half a War “Filled with swift battles, quick plot twists and witty dialogue.”—New York Daily News “A fantasy for all ages, and all times [that] rends the soul as compulsively as anything Abercrombie has written to date . . . Half a War is a success in every way, putting a stupendous capstone on the entire Shattered Sea Trilogy.”—Tordotcom “There’s all the sword-

swinging and Machiavellian machinations you could ask for in this tale of a final battle between countries and kings.”—Fredericksburg Free Lance–Star

“Engaging, mesmerising and jaw-dropping.”—SciFi Now “Abercrombie piles on shocking betrayals and charges his characters a high price for vengeance in this powerful and fitting final volume.”—Publishers Weekly

Proceedings of the Ocean Drilling Program Soyinfo Center #1 NEW YORK TIMES BESTSELLER It was never supposed to be this close. And of course she was supposed to win. How Hillary Clinton lost the 2016 election to Donald Trump is the riveting story of a sure thing gone off the rails. For every Comey revelation or hindsight acknowledgment about the electorate, no explanation of defeat can begin with anything other than the core problem of Hillary's campaign--the candidate herself. Through deep access to insiders from the top to the bottom of the campaign, political writers Jonathan Allen and Amie Parnes have reconstructed the key decisions and unseized opportunities, the well-intentioned misfires and the hidden thorns that turned a winnable contest into a devastating loss. Drawing on the authors' deep knowledge of Hillary from their previous book,

the acclaimed biography *HRC*, *Shattered* offers an object lesson in how Hillary herself made victory an uphill battle, how her difficulty articulating a vision irreparably hobbled her impact with voters, and how the campaign failed to internalize the lessons of populist fury from the hard-fought primary against Bernie Sanders. Moving blow-by-blow from the campaign's difficult birth through the bewildering terror of election night, *Shattered* tells an unforgettable story with urgent lessons both political and personal, filled with revelations that will change the way readers understand just what happened to America on November 8, 2016.

Enter Shadow Falls: After Dark and meet a vampire named Della, who's about to discover what her own story is meant to be. . . . Della had the perfect life-the family, a boyfriend, and a bright future-until she was turned, and abandoned by everyone she loves. She takes refuge at Shadow Falls, a camp for teens with paranormal powers. It's where she and her best

friends, Kylie and Miranda, heal their heartbreak with laughter, and where Della is training to be a paranormal investigator-and she refuses to be distracted. That means there's no time for romance with Steve, a gorgeous shapeshifter whose kisses melt her heart. When a new vampire named Chase shows up at camp, Della's world is thrown into even more chaos. Arrogant and annoyingly sexy, Chase is a mystery . . . and the only mystery Della likes is one she can solve. She can't solve Chase, at least not while she's dealing with ghostly hauntings, vampire gangs and a web of family secrets. Can she prove herself as an investigator and keep her life-and her heart-intact? From bestselling author

C. C. Hunter comes *Reborn*, the first book in a new series set once more in the world of Shadow Falls.

The gripping first installment in New York Times bestselling author Tahereh Mafi 's *Shatter Me* series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she 's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don ' t miss *Defy Me*, the shocking fifth book in the *Shatter Me* series!

[Journal of the Society of Chemical Industry](#) Ivy Books New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning

writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Bury My Heart at Wounded Knee Knopf

A Dark Sword and Sorcery Sci-Fi Universe "Give me life within you, and I will give you vengeance." Betrayed and left for dead, his family murdered, rage is the only force keeping Janis alive. But it alone won't give him the strength to avenge their deaths. When an alien presence offers him the strength to hunt down the murderers in return for becoming its host, he feels he has no choice but to accept. The creature fulfills its promise, granting him horrific powers that can decimate his foes. But at what cost? Every time he gives in to its hunger and feeds it the souls of his enemies, he loses a bit of himself to it as well. For now,

it's a price he must pay. How long before the cost is too high? Will he even know when it becomes his master and not the other way around? Janis goes from prince assassin to fugitive sorcerer as he hunts the people who killed his family. He'll battle mercenaries, cultists, gods, and wizards in a magic devastated world, unraveling a conspiracy that goes far beyond his family's dark fate, one that threatens everyone in the Shattered World of Urias... A Dark Fantasy Book Series Inspired by Elric of Melnibone and Dark Souls Urias. One planet in a "branch" universe shattered by years of conflict. Here, magic offers control over the laws of nature through making deals with beings from the multiverse, or the gods and demons that live in the "Shimmer," the endless chaos between universes. It is a world fractured by greed, rife with treachery, and destroyed by ambition. A place where life is cheaper than a grain of sand and love is folklore...

Half a King Del Rey

The “ fascinating ” #1

New York Times bestseller

that awakened the world to

the destruction of American

Indians in the nineteenth-

century West (The Wall

Street Journal). First

published in 1970, Bury My

Heart at Wounded Knee

generated shockwaves with

its frank and heartbreaking

depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY TIME AND THE WASHINGTON POST • LOCUS AWARD WINNER

“ The Shattered Seas trilogy has worked its way into a very exclusive group of my favorite fantasy novels of all

time.” —James Dashner, #1 New York Times bestselling author of *The Maze Runner* “A fast-paced tale of betrayal and revenge that grabbed me from page 1 and refused to let go.” —George R. R. Martin “I swore an oath to avenge the death of my father. I may be half a man, but I swore a whole oath.” Prince Yarvi has vowed to regain a throne he never wanted. But first he must survive cruelty, chains, and the bitter waters of the Shattered Sea. And he must do it all with only one good hand. The deceived will become the deceiver. Born a weakling in the eyes of his father, Yarvi is alone in a world where a strong arm and a cold heart rule. He cannot grip a shield or swing an axe, so he must sharpen his mind to a deadly edge. The betrayed will become the betrayer. Gathering a strange fellowship of the outcast and the lost, he finds they can do more to help him become the man he needs to be than any court of nobles could. Will the usurped become the usurper? But even with loyal friends at his side,

Yarvi finds that his path may end as it began—in twists, and traps, and tragedy. BONUS: This edition includes an excerpt from Joe Abercrombie’s *Half the World*. “Tremendously entertaining . . . lightning-fast and filled with a wonderful collection of rogues, villains and two-faced bastards . . . From the first chapter [Joe Abercrombie] wastes no time as the reader is swept up in a gripping tale of betrayal and revenge.” —SciFi Now “Once this plot has its teeth in you, it will not let go. . . . Abercrombie’s masterful storytelling means that everything, from the characters that you come to love and despise, to the sprawling world that is explored, is enthralling.” —Fantasy Book Review “Abercrombie’s *Shattered Sea* is a fantastic yet believable backdrop to Yarvi’s struggle, a vivid imaginary land.” —The Seattle Times “Intriguing characters . . . nonstop action.” —Chicago Tribune “*Half a King* is my favorite book by Joe Abercrombie so far, and that’s saying something.” —Patrick Rothfuss

“ As in all Abercrombie ’ s books, friends turn out to be enemies, enemies turn out to be friends; the line between good and evil is murky indeed; and nothing goes quite as we expect. With eye-popping plot twists and rollicking good action, Half a King is definitely a full adventure. ” —Rick Riordan

“ Enthralling! An up-all-night read. ” —Robin Hobb

“ Polished and sharp, perhaps his most technically proficient novel yet . . . I dare you to read the first chapter and try not to turn the next page. ” —Brent Weeks

“ Half a King can be summed up in a single word: masterpiece. It ’ s a coming-of-age story. It ’ s a Viking saga. It ’ s a revenge tale and family drama and the return of the prodigal son. But most of all, it ’ s this: a short time alongside people as weak and blundering as we are and, in the midst of it all, as heroic. Far too short a time, as it turns out. What a wonderful book. ” —Myke Cole

“ Half a King is full of all the adventure I ’ ve come to expect from Abercrombie and a tenderness I never knew he

had. ” —Sam Sykes

Fixing Broken Windows

During the Cold War, the Soviets were quick to publicize any incident of racial hostility in the United States. Since violence by white Americans against minorities was the perfect foil to America ’ s claim to be defenders of freedom, news of these occurrences was exploited to full advantage by the Russians. But how did the Soviets gain primary knowledge of race riots in small American towns? Certainly, the

Soviets had reporters stationed stateside, in big cities like New York, but research reveals that the majority of their information came directly from U.S. media sources. Throughout this period, the American press provided the foreign media with information about racially charged events in the United States. Such news coverage sometimes put Washington at a disadvantage, making it difficult for government officials to assuage foreign reactions to the injustices occurring on U.S. soil. Yet in other instances, the domestic press helped to promote favorable opinions abroad by articulating themes of racial progress. While still acknowledging racial abuses, these press spokesmen asserted that the situation in America was improving.

Such paradoxical messages, both aiding and thwarting the efforts of the U.S. government, are the subject of *The Opinions of Mankind: Racial Issues, Press, and Propaganda in the Cold War*. The study, by scholars Richard Lentz and Karla K. Gower, describes and analyzes the news discourse regarding U.S. racial issues from 1946 to 1965. *The Opinions of Mankind* not only delves into the dissemination of race-related news to foreign outlets but also explores the impact foreign perceptions of domestic racism had on the U.S. government and its handling of foreign relations during the period. What emerges is an original, insightful contribution to Cold War studies. While other books examine race and foreign affairs during

this period of American history, *The Opinions of Mankind* is the first to approach the subject from the standpoint of press coverage and its impact on world public opinion. This exhaustively researched and compellingly written volume will appeal to media scholars, political historians, and general readers alike. By taking a unique approach to the study of this period, *The Opinions of Mankind* presents the workings behind the battles for public opinion that took place between 1946 and 1965.
