This Shattering Halos 1 Sunniva Dee, as one of the most functional sellers here will enormously be in the midst of the best options to review.

**The Vanishing Girl**  
Addison Cain

Two lives. One hour. A lifetime consequence. I believe in choice, not fate. I chose to nurse a broken heart at the kitschy country bar that night. I chose to let Isaac Cordova buy me a drink. I chose to spend one hour with a near stranger in an attempt to soothe my pain. No last names, no

---

details about our lives, just one hour where I was allowed to forget, and then we would never see each other again. But was it a choice when I ran into him five years later? I needed help, and he was the only person equipped to give it. Our instant attraction doesn't feel like much of a choice either, but it doesn't matter. Everything has changed. Now my choices impact other people. And what will I choose? Do I keep Isaac out? Do I dare to let him in?

Emil isn't your usual adoring leading man. He's the (monster) anti-hero. Aishe isn't your classic protagonist. She's the (temptress) anti-heroine. This isn't your typical romance. It's a horror (anti-) love story. This isn't

the traditional novel where the sweet, innocent girl finds her prince charming and they live happily-ever-after. If that's what you're looking for, look somewhere else. Because in this story, no one gets out unscathed. Aishe is running. Running from the burn of a love she knows will consume her. Running from a soul mate she's never even met. If only she hadn't been hired as a merch girl for the hottest indie band on earth. If only she'd never laid eyes on its front man, Emil-intense, sexy, and so unlike the men of her culture. If only she hadn't fallen onto his lips, then into his bed. If only her flame hadn't exploded into a full-on forest fire. If only Emil's heart didn't belong to someone else. \*\*\* Emil is running. Running from a broken heart. Running from who he was with her. If only Zoe hadn't

---

left. If only Aishe hadn't been right there. If only she hadn't been so damn gorgeous-insistent-different. If only he could control himself around her. If. Only.

*Spooning Daisy*

august house  
Grief comes in many forms. There is no right or wrong way to grieve... Right? Except, what if you douse that grief with sex in ways so culturally unacceptable you leave it to a veritable male harem led by the porn-star brother of your fiance to decide if you'll emerge from the jungle intact? It wasn't a problem to be the only girl in a house full of

guys. Until my fiance died and his identical twin took over the roost. Sweet, easygoing Julian passed, while loathsome, bossy Luka, who pays his way through med school by getting his dick wet on film, is still alive. What kind of twisted reality is this? Now, Luka's on a mission to fix both of our grief. Like I'd ever accept anything from him. He doesn't understand that gorgeous and sexy mean nothing if you're a promiscuous jerk. If only the nights didn't destroy me.

---

They're painful and long and empty, until, on a Monday night, my insomnia attracts Diego. That Tuesday, it attracts Lenny. Next, it's Marlon, James, Nathaniel, and on Saturday, it's Connor. By Sunday night, I get the picture. This is Luka doing what Luka does: solve problems with sex. His remote-controlled comfort leaves me in our roommates' arms six of seven nights. On Sunday, there's only one man left in the house. There's no way in hell I'm opening my door-or my heart-to a porn star.

Beneath the Glitter Createspace Independent Publishing Platform Baby pranks, baby scares, or the real deal?Ninni lives for pranking the crap out of K-Pop.She'd do it with him 24/7-sorry: do it to him.As in prank him.Yep, their thing has everything to do with pranks.Nothing to do with an insanity-in-a-bucket attraction.It's not like he's drop-dead gorgeous and has infinite charisma or anything.His brain isn't Donald Duck, Einstein, and Shakespeare in one mischievous swirl either.Nope! The girls of Blossom Field Avenue #246 and the Dudes of #247 are at prank war.The Dudes are about to get upstaged.It's the prank of the ages!Perfect. Legendary. Bully Goat Grim British Museum Publications Limited

In the future, the world is at war. For the last decade, King Lazuli of the Eastern Empire has systematically taken over the world. No one knows much about him other than a series of impossible facts: he cannot die, he has not aged since the conflict began, and he wants to rule the world. All Serenity Freeman has known is bloodshed. War has taken away her mother, her home, her safety. As the future emissary of the Western United Nations, the last autonomous region of the globe, she is responsible for forging alliances where she can. Surrender is on the

horizon. The king can taste it; Serenity feels it deep within her bones. There is no other option. Now the two must come face to face. For Serenity, that means confronting the man who's taken everything from her. For the king, it means meeting the one woman he can't conquer. But when they meet, something happens. Cruelty finds redemption. Only in war, everything comes with a price. Especially love.

After a hilarious meet cute involving ice cream, too-tight pants and a bit of bottom flashing, this single dad and career-driven woman just might

have found their match....

Charlotte and Miles have everything going against them. He's running from a reality TV scandal, while she's running from a painful childhood. He has an adorable toddler with an unfortunate potty mouth, while children were never part of her plan. And, maybe the most significant obstacle of them all... he hates ice cream, and she's addicted to it. But, the heart and brain often long for different things. Can they beat the odds and find their happily ever after?

**The Guy from Glamour**

Amazon Children's Publishing  
Six were taken. Eleven years later, five come back--with no idea of where they've been. A riveting mystery for fans of *We Were Liars*. Eleven years ago, six kindergartners went missing without a trace. After all that time, the people left behind moved on, or tried to. Until today. Today five of those kids return. They're sixteen, and they are . . . fine. Scarlett comes home and finds

---

a mom she barely recognizes, and doesn't really recognize the person she's supposed to be, either. But she thinks she remembers Lucas. Lucas remembers Scarlett, too, except they're entirely unable to recall where they've been or what happened to them. Neither of them remember the sixth victim, Max--the only one who hasn't come back. Which leaves Max's sister, Avery, wanting answers. She wants to find her brother--dead or alive--and isn't buying this whole memory-loss story. But as details of the disappearance begin to unfold, no one is prepared for the truth. This unforgettable novel--with its rich characters, high stakes, and plot twists--will leave readers breathless.

sixteen, the world has been mine. I do everything- My way. Every co-ed in town clenches her thighs over me, but most don't fit the bill. See, I like my girls broken. Once I detect my shade of don't-give-a-fuck damaged, I fight hard, I fight dirty, and I don't give up until- I conquer. Drunk fathers and frequent beatings don't merit attention, but when my despicable dad starts the process of croaking, I'm forced to remember. Thus, the downward spiral begins: my latest broken-girl turns the tables on me and splits. My hot-as-hell employee, Arriane, throws me the curve ball of a lifetime. And suddenly- I'm out of control. But at the center of my chaos, she exists. Always close, always sweet, and so beautifully fucking... wholesome. She represents

everything I've shied from in a woman. Still- I crave her. I'm Leon, and I don't deny my cravings. Just-this girl is not surrendering. So here I am, fighting harder. Fighting dirtier. And goddammit all, I will- Conquer.

Dr. Strange Beard National Geographic Books

It's a long way from Seattle to Otter Bite, Alaska. But if one woman can survive the trip--and the locals--she just might find what her heart has been searching for. Her mango chutney is exquisite; her blueberry sauce is to die for. But right now, Chef de Cuisine Daisy Moon is a woman without a kitchen--and without a fiancé. Unceremoniously dumped from her place of business and her relationship, Daisy sells her belongings, plus a few of her

---

ex's, and packs her bags. Maybe smashing all the china in her former restaurant was a bad move. Stripped of her Golden Spoon for "un-chef-like" conduct, she is now blacklisted all over Seattle. Her sole job offer is from the Wild Man Lodge...in Otter Bite, Alaska. Too bad Daisy can't even get out of Dodge without incident. By the time she boards a ship for Alaska, she's got a trail of new troubles behind her, and suddenly Otter Bite is sounding pretty good. But the vessel turns into her own personal Titanic when a series of close encounters confirms her terrible taste in men--including one very good looking bad luck charm named Max Kendall. She vows to dedicate the rest of her days to chowders and brulée. Yet even Alaska isn't far enough away to shake the memories of the sexy shipmate who rocked her cabin--and her world. Thank goodness she's done with surprises--but they may not be done with her...

The Cursed Lavabrook Publishing Group

In James Patterson's #1 bestselling Private series, the world's most exclusive detective agency hunts London's most mysterious killer. For Hannah Shapiro, a young American student, the nightmare began eight years ago in Los Angeles, when the owner of Private-the world's most exclusive detective agency-saved her from a horrific death. Now, after

---

eight years, the terror follows her to London. The only man who can help is former Royal Military Police Sergeant Dan Carter, head of Private London. In London, young women are being abducted and their bodies found mutilated in a grotesque, mysterious way. Carter's ex-wife, DI Kirsty Webb, leads the investigation into these brutal murders, which may somehow be linked to Hannah Shapiro. Working together, the two investigators are caught in a desperate race against the odds. Private may be the most advanced detection agency in the world . . . but can they catch a predator who rivals London's most elusive killer ever?

practices and historical context for each origin • A list of the top ten most popular names in the United States every year from 1880-2003 • Instruction on how to create believable names that fit your characters and your story This comprehensive guide also includes advice from a number of best-selling authors, including Elizabeth George, Alexander McCall Smith, Homer Hickam, Marian Keyes, Big Fish author Daniel Wallace, and others. You'll get the inside scoop on their naming methods, plus the stories behind the names of their most famous characters. So throw out your old telephone books and baby-naming guides—The Writer's Digest Character Naming Sourcebook meets all your naming needs!

Regretfully Yours Mike Majlak  
"Goodbye, unicorns." "What?"  
My heart dropped. "What?" was a stupid question. I knew exactly what she meant. Still, it was hardly the kind of thing I expected to hear a seven-year-old girl mumble as she headed out her bedroom door for what would probably be the last time.

To an onlooker, it might make sense. Her room was, in fact, a pink and purple web of horned horses she'd spent more than half her life believing in. But I knew the rest of the story. And her words told me this was worse than a kid finding out about Santa. 'Goodbye unicorns' wasn't happening. Not on my watch. The true story of a little girl looking to find a new faith in the world after losing her mother to the drug epidemic, Goodbye Unicorns is a story of love, loss, rebuilding, and what it takes to restore magic for a kid has no reason to believe it exists... Could you have faith again?
