Unlikely Animals

Penguin

By the time Laura Munson had turned 40, her life was not how she thought it would turn out. Career success had eluded her; her beloved father was no longer around to be her biggest cheerleader; and her husband wanted out of their marriage. Poignant, wise, and often exceedingly funny, this is the moment-by-moment memoir of a woman who decided to let go in the midst of the emotional equivalent of a Category 5 hurricane. It recounts what

happened as Munson set out on her spiritual journey- and provides raw, powerful inspiration to anyone searching for peace in an utterly unpredictable world.

Piglet Scholastic Inc.

This memoir is of an ordinary teenager growing up in suburban Colorado, and faced, as all teenagers are, with difficult choices and pressures. Told by her mother, it is Cassie's story, one of the Columbine High students killed by two schoolmates.

Do You Know Who I Once Was?:
A Story of an Unlikely Journey to
Become One's True Self! Ocean
Star Publishing

A celebrated foreign policy expert
and key impeachment witness
reveals how declining opportunity
has set America on the grim path
of modern Russia--and draws on
her personal journey out of
poverty, and her unique
perspectives as an historian and
policy maker, to show how we can
return hope to our forgotten
places.

The Lucky Few Zondervan
A father's journey through
grief, controversy, activism
and healing following his son's
death in the massacre at
Columbine High School on
April 20, 1999. The book
describes the experiences of
Tom Mauser, who became a
nationally recognized gun
control advocate who often
spoke to crowds wearing the
shoes worn by his son, Daniel,
on the day of the massacre.
Mauser describes the day of
the massacre as well as the

days, weeks and years
afterwards. The book describes
his struggles, his healing
process, being arrested at NRA
headquarters, spiritual
experiences, adoption of a
daughter from China, and
dealing with the forgiveness
issue, which included meetings
with the parents of the two
killers.

From the New York Times
bestselling author of The
Unlikely Pilgrimage of
Harold Fry comes an
exquisite love story about
Queenie Hennessy, the
remarkable friend who
inspired Harold 's cross-
country journey. " This
lovely book is full of joy.
Much more than the story
of a woman 's enduring
love for an ordinary, flawed
man, it 's an ode to messy,
imperfect, glorious, unsung
humanity. " —The

Washington Post international bestseller, *The Unlikely Pilgrimage of Harold Fry* followed its unassuming hero on an incredible journey as he traveled the length of England on foot—a journey spurred by a simple letter from his old friend Queenie Hennessy, writing from a hospice to say goodbye. Harold believed that as long as he kept walking, Queenie would live. What he didn't know was that his decision to walk had caused her both alarm and fear. How could she wait? What would she say? Forced to confront the past, Queenie realizes she must write again. In this poignant parallel story to Harold's saga, acclaimed author Rachel Joyce brings Queenie Hennessy's voice into sharp focus. Setting pen to paper, Queenie makes a

journey of her own, a journey that is even bigger than Harold's; one word after another, she promises to confess long-buried truths—about her modest childhood, her studies at Oxford, the heartbreak that brought her to Kingsbridge and to loving Harold, her friendship with his son, the solace she has found in a garden by the sea. And, finally, the devastating secret she has kept from Harold for all these years. A wise, tender, layered novel that gathers tremendous emotional force, *The Love Song of Miss Queenie Hennessy* underscores the resilience of the human spirit, beautifully illuminating the small yet pivotal moments that can change a person's life. *The Woman Who Smashed Codes* John Wiley & Sons

#1 NEW YORK TIMES BESTSELLER • From the author of *Is Everyone Hanging Out Without Me?* and creator of *The Mindy Project* and *Never Have I Ever* comes a hilarious collection of essays about her ongoing journey to find contentment and excitement in her adult life. “This is Kaling at the height of her power.” —USA Today In *Why Not Me?*, Kaling shares insightful, deeply personal stories about falling in love at work, seeking new friendships in lonely places, attempting to be the first person in history to lose weight without any behavior modification whatsoever, and believing that you have a place in Hollywood when you’re constantly reminded that no one looks like you. In “How to Look Spectacular: A Starlet’s Confessions,”

Kaling gives her tongue-in-cheek secrets for surefire on-camera beauty, (“Your natural hair color may be appropriate for your skin tone, but this isn’t the land of appropriate – this is Hollywood, baby. Out here, a dark-skinned woman’s traditional hair color is honey blonde.”) “Player” tells the story of Kaling being seduced and dumped by a female friend in L.A. (“I had been replaced by a younger model. And now they had matching bangs.”) In “Unlikely Leading Lady,” she muses on America’s fixation with the weight of actresses, (“Most women we see onscreen are either so thin that they’re walking clavicles or so huge that their only scenes involve them breaking furniture.”) And in “Soup Snakes,” Kaling spills some secrets on

her relationship with her ex-boyfriend and close friend, B.J. Novak (“ I will freely admit: my relationship with B.J. Novak is weird as hell. ”) Mindy turns the anxieties, the glamour, and the celebrations of her second coming-of-age into a laugh-out-loud funny collection of essays that anyone who ’ s ever been at a turning point in their life or career can relate to. And those who ’ ve never been at a turning point can skip to the parts where she talks about meeting Bradley Cooper.

She Said Yes Thomas Nelson Incorporated

A sudden love affair with fragrance leads to sensual awakening, self-transformation, and an unexpected homecoming At thirty-six—earnest, bookish, terminally shopping averse—Alyssa Harad thinks

she knows herself. Then one day she stumbles on a perfume review blog and, surprised by her seduction by such a girly extravagance, she reads in secret. But one trip to the mall and several dozen perfume samples later, she is happily obsessed with the seductive underworld of scent and the brilliant, quirky people she meets there. If only she could put off planning her wedding a little longer. . . . Thus begins a life-changing journey that takes Harad from a private perfume laboratory in Austin, Texas, to the glamorous fragrance showrooms of New York City and a homecoming in Boise, Idaho, with the women who watched her grow up. With warmth and humor, Harad traces the way her unexpected passion helps her open new frontiers and reclaim traditions she had rejected. Full of lush description, this intimate memoir celebrates the many ways there are to come to our

senses.

In her highly anticipated

new novel, Judy Blume, the

New York Times # 1 best-

selling author of Summer

Sisters and of young adult

classics such as Are You

There God? It ' s Me,

Margaret, creates a richly

textured and moving story

of three generations of

families, friends and

strangers, whose lives are

profoundly changed by

unexpected events. In 1987,

Miri Ammerman returns to her hometown of Elizabeth, New Jersey, to attend a commemoration of the worst year of her life. Thirty-five years earlier, when Miri was fifteen, and in love for the first time, a succession of airplanes fell from the sky, leaving a community reeling. Against this backdrop of actual events that Blume experienced in the early 1950s, when airline travel was new and exciting and everyone dreamed of going somewhere, she paints a vivid portrait of a particular time and place—Nat King Cole singing “Unforgettable,” Elizabeth Taylor haircuts, young (and not-so-young) love, explosive friendships, A-bomb hysteria, rumors of Communist threat. And a young journalist who makes his name reporting tragedy. Through it all, one generation reminds another that life goes on. In the Unlikely Event is vintage Judy Blume, with all the hallmarks of Judy Blume’s unparalleled storytelling, and full of memorable characters who cope with loss, remember the good times and, finally, wonder at the joy that keeps them going. Early reviewers have already weighed in: “Like many family stories, this one is not without its life-changing secrets and surprises. There is no surprise that the book is smoothly written, and its story compelling. The setting—the early 1950s—is especially well realized through period references and incidents.” —Booklist (starred review) and “In Blume’s latest adult novel . . . young and old alike must learn to come to terms with

technological disaster and social change. Her novel is characteristically accessible, frequently charming and always deeply human. ”

—Publishers Weekly

The Unlikely Wife Harper Collins

In Chanel: An Intimate Life, acclaimed biographer Lisa Chaney tells the controversial story of the fashion icon who starred in her tumultuous era. Coco Chanel was many things to many people. Raised in emotional and financial poverty, she became one of the defining figures of the twentieth century. She was mistress to aristocrats, artists and spies. She broke rules of style and decorum, seducing both men and women, yet in her work expected the highest standards. She took a 'plaything' and turned it into a global industry which defined the modern woman. Filled with new insights and thrilling discoveries, Lisa Chaney's Chanel provides the most defining and provocative portrait yet. 'Chaney's research is laudable,

uncovering fresh details of Chanel's well-trodden rag trade to riches story' Evening Standard 'An unflinching examination of the historically inscrutable designer' Vogue Lisa Chaney has lectured and tutored in the history of art and literature, made TV and radio broadcasts on the history of culture, and reviewed and written for journals and newspapers, including The SundayTimes, the Spectator and the Guardian. She is the author of two previous biographies: Elizabeth David and Hide-and-Seek With Angels: The Life of J.M. Barrie.

The Love Song of Miss Queenie Hennessy Simon and Schuster

Ten years in the works, a masterpiece of reportage, this is the definitive account of the Columbine massacre, its aftermath, and its significance, from the acclaimed journalist who followed the story from the outset. "The tragedies keep coming. As we reel from the latest horror . . ." So begins a

new epilogue, illustrating how Columbine became the template for nearly two decades of "spectacle murders." It is a false script, seized upon by a generation of new killers. In the wake of Newtown, Aurora, and Virginia Tech, the imperative to understand the crime that sparked this plague grows more urgent every year. What really happened April 20, 1999? The horror left an indelible stamp on the American psyche, but most of what we "know" is wrong. It wasn't about jocks, Goths, or the Trench Coat Mafia. Dave Cullen was one of the first reporters on scene, and spent ten years on this book-widely recognized as the definitive account. With a keen investigative eye and psychological acumen, he draws on mountains of evidence, insight from the world's leading forensic psychologists, and the killers' own words and drawings-

several reproduced in a new appendix. Cullen paints raw portraits of two polar opposite killers. They contrast starkly with the flashes of resilience and redemption among the survivors. Expanded with a New Epilogue

Chanel Thomas Nelson
Relates the lives of Mary Todd Lincoln, raised in a wealthy Kentucky family, and Lizzy Keckley, a dressmaker born a slave, as they grow up separately then become best friends when Mary's childhood dream of living in the White House comes true.

Rat Medicine & Other Unlikely Curatives Flatiron Books

Thrilling historical adventure from Terry Deary, the 'outstanding children's non-fiction author of the 20th century' (Books For Keeps)
This brand new, exciting adventure from bestselling Horrible Histories author Terry Deary brings the

Second World War to life. Perfect for fans of Michael Morpurgo and John Boyne. World War II has begun. Brigit has been evacuated to Wales from her home near the aeroplane factories of Coventry. But when it's revealed that her father is German, Brigit runs away to join her mother in a very special training camp, where Churchill is building a secret army of spies and saboteurs known as the Special Operations Executive. Brigit and her mother soon find themselves on the front line in Nazi-occupied France, where they search for double agents and meet with danger at every turn in their efforts to support the French resistance. But no one will suspect Brigit is a spy, will they? After all, who would suspect a child? Featuring characters from *The Silver Hand*, this page-turning adventure sheds new light on the Second World War and

will have readers gripped from start to finish.

Unlikely Hero Harlequin When life looks radically different than the plan we have for ourselves, it's the lucky few that recognize God's plan is best. That's what adoptive mom Heather Avis learned, and that's the invitation of this book. As the mother of three adopted children - two with Down syndrome - Heather Avis has learned that it's truly the lucky few who get to live a life like hers, who actually recognize that God's plans are best, even when they seem so radically different from the plans we have for ourselves. When Heather started her journey into parenthood she never thought it would look like this, never planned to have three adopted children, and certainly never imagined that two of them would have Down syndrome. But like most things God does, once she stepped

into the craziness and confusion and more. This concise, that comes with the unknown and the unplanned, she realized that they were indeed among the lucky few. Discover in this book what 70,000+ followers of Heather's hit Instagram account @macymakesmyday already know: the power of faith and family can help us stay strong in the toughest times. This book will also be especially touching to those with adopted family members or children with Down syndrome in their lives.

Glad You're Here Bloomsbury Publishing

What is heaven on earth? The answer lies in this true story of one young man's journey to

find hope and purpose with the love, humility, and second help of an unlikely teacher--a compassionate and wise old nun, whom the world had long forgotten. By the time Harvard-educated John Schlimm turned 31 years old, he had worked with some of the biggest superstars in Nashville and served under the most powerful people in the White House. But something was missing. His life had come to a standstill, lost in a whirl of questions about belonging, faith, rejection, and purpose. He soon decides to return to his small-town roots in search of a new beginning. Returning home, John meets 87-year-old Sister Augustine, the beguiling self-taught artist-in-residence at the ceramic shop on the sprawling grounds of the local 150-year-old convent. John is instantly bowled over by Sister's quiet grace and vision. Before long, his weekly visits to Sister's shop become a master's class in the meaning of life, chances. As she directed him on the road to self-discovery and salvation, John returned the favor by putting Sister Augustine on the front page of newspapers and showing his friend that her life still had one very important and unexpected final chapter yet to go. In *Five Years in Heaven*, John shares the wisdom, humor, grace, and inspiration he experienced during his hundreds of visits with Sister Augustine. *Five Years in Heaven* reminds us that we can find love and joy in the most unlikely of places, and that the building blocks of peace and happiness are always within our reach. *The Ballad of Songbirds and Snakes* (A Hunger Games Novel) Ballantine Books "I am not going to apologize for speaking the Name of Jesus, I am not going to justify my faith to them, and I am not going to hide the light that God has put into me. If I have

to sacrifice everything ... I will." Random House

"This will be my last year Lord. I have gotten what I can. Thank you." Excerpts From Rachel's Journals Rachel Scott was a typical teenage girl who was incredibly dedicated to following and serving Christ. Though she was mocked for her beliefs, at times doubted her faith, and constantly struggled with personal issues every teenager faces, she remained faithful to God. Then on April 20, 1999, at Columbine High School, she was killed for that faith. Rachel's Tears is a moving meditation on the life, death, and faith of Rachel as seen through the eyes of her parents and through writings and drawings from her journals. Her parents also offer a spiritual perspective on the Columbine tragedy and provide a vision of hope for preventing youth violence across the nation.

Owls of the Eastern Ice

In this book you will read how a successful man, married to a strong and beautiful woman, with a great family, who had an amazing career and lived a life that most people would die for, would come out as transgender at 63 years old. You will enjoy reading a lot of funny and interesting stories in the book. Like when she almost burned the firehouse down that she worked at, or how she snuck into the 1980 Winter Olympic USA-Soviet Union hockey game, or while rescuing someone in a raging fire the woman she was rescuing said to her, "It's about time you fuckers got here." She also recounts how as Chief Financial Officer of American Ski Company, she helped to take them public on Wall Street. Her memoir will make you think, laugh and maybe even cry. It might also leave you in amazement. You won't be bored while waiting

for 66 years of her life to be told because her life hasn't been boring, but rather, very interesting. She would be hard pressed to not find something to write about in a career that included 60 jobs, occupations, businesses owned or management positions. She tells of her life journey and eventually coming out as a trans-woman to friends and family. She speaks to the amazing acceptance she has been fortunate to receive and the hurtful rejection she's experienced. She hopes it will end your curiosity as to what being transgender is all about. This story describes her raw human emotions and what it is like to hide something about yourself from family and friends for 55 years and then finally telling everyone! It has been proven to her thru this journey that people can change and reach self-actualization. Her reality has helped her to develop a personal mission

statement, which is: To educate and enlighten people about the trans community by setting a good example and do so, one person at a time. She hopes that after you've read this book you will be able to say, "Cami, you succeeded."

The Myth of Persecution
Craig Place Books
National Bestseller NPR
Best Book of the Year “ Not all superheroes wear capes, and Elizebeth Smith Friedman should be the subject of a future Wonder Woman movie. ” —The New York Times
Joining the ranks of Hidden Figures and In the Garden of Beasts, the incredible true story of the greatest codebreaking duo that ever lived, an American woman and her husband who invented the modern science of cryptology together and used it to confront the evils of their

time, solving puzzles that unmasked Nazi spies and helped win World War II. In 1916, at the height of World War I, brilliant Shakespeare expert Elizebeth Smith went to work for an eccentric tycoon on his estate outside Chicago. The tycoon had close ties to the U.S. government, and he soon asked Elizebeth to apply her language skills to an exciting new venture: code-breaking. There she met the man who would become her husband, groundbreaking cryptologist William Friedman. Though she and Friedman are in many ways the "Adam and Eve" of the NSA, Elizebeth 's story, incredibly, has never been told. In *The Woman Who Smashed Codes*, Jason Fagone chronicles the life of this extraordinary woman, who played an integral role

in our nation ' s history for forty years. After World War I, Smith used her talents to catch gangsters and smugglers during Prohibition, then accepted a covert mission to discover and expose Nazi spy rings that were spreading like wildfire across South America, advancing ever closer to the United States. As World War II raged, Elizebeth fought a highly classified battle of wits against Hitler ' s Reich, cracking multiple versions of the Enigma machine used by German spies. Meanwhile, inside an Army vault in Washington, William worked furiously to break Purple, the Japanese version of Enigma—and eventually succeeded, at a terrible cost to his personal life. Fagone unveils America ' s code-breaking history through the

prism of Smith ' s life, bringing into focus the unforgettable events and colorful personalities that would help shape modern intelligence. Blending the lively pace and compelling detail that are the hallmarks of Erik Larson ' s bestsellers with the atmosphere and intensity of *The Imitation Game*, *The Woman Who Smashed Codes* is page-turning popular history at its finest.
