The Science Spot
Use this blank

handout as a way for students to record microscope drawings. Aside from the drawing itself, students are prompted to title the drawing, include the magnification of the microscope, and give a quick description of what they are viewing.

Shelly's Science Spot 7th Grade Life Science-HMS-Hackensack, NJ. Monday, December 14, 2009. Shelly and Isador have their new home! Thanks to the support of the students and staff at Hackensack Middle School,

Shelly and Isador have been able to move into a new (used) 125 gallon tank with plenty of room to swim and play!
Punnett square practice problems (simple)
FREE SCIENCE LESSON - Science Interest Inventory - Go to The Best of Teacher Entrepreneurs for this and hundreds of free lessons. I think this science interest inventory would be very beneficial to use during the first weeks of school. You can really get to know your students learning styles and what interests them when learning science.
