The New York Times bestselling author revisits the characters from her beloved novels *Love Walked In* and *Belong to Me* in this captivating, beautifully written drama involving family, friendship, secrets, sacrifice, courage, and true love for fans of Jojo Moyes, Elin Hilderbrand, and Nancy Thayer. On the weekend of her wedding, Clare Hobbes meets an elderly woman named Edith Herron. During the course of a single conversation, Edith gives Clare the courage to do what she should have done months earlier: break off her engagement to her charming—yet overly possessive—fiancé. Three weeks later, Clare learns that Edith has died—and has given her another gift. Nestled in crepe myrtle and hydrangea and

perched at the marshy edge of a bay in a small seaside town in Delaware, Blue Sky House now belongs to Clare. Though the former guest house has been empty for years, Clare feels a deep connection to Edith inside its walls, which are decorated with old photographs taken by Edith and her beloved husband, Joseph. Exploring the house, Clare finds two mysterious ledgers hidden beneath the kitchen sink. Edith, it seems, was no ordinary woman—and Blue Sky House no ordinary place. With the help of her mother, Viviana, her surrogate mother, Cornelia Brown, and her former boyfriend and best friend, Dev Tremain, Clare begins to piece together the story of Blue Sky House—a decades-old mystery more complex and tangled than she could have imagined. As she peels back the layers of Edith's life, Clare discovers a story of dark secrets, passionate love, heartbreaking sacrifice, and incredible courage. She also makes startling discoveries about herself: where she's come from, where she's going, and what—and who—she loves. Shifting between the 1950s and the present and told in the alternating voices of Edith and Clare, *I'll Be Your Blue Sky* is vintage Marisa de los Santos—an emotionally evocative novel that probes the deepest recesses of the human heart and illuminates the tender connections that bind our lives.

Afghan-American Nadia Hashimi's literary debut novel is a searing tale of powerlessness, fate, and the freedom to control one's own fate that combines the cultural flavor and emotional resonance of the works of Khaled Hosseini, Jhumpa Lahiri, and Lisa See. In Kabul, 2007, with a drug-addicted father and no brothers, Rahima and her sisters can only sporadically attend school, and can rarely leave the house. Their only hope lies in the ancient custom of *bacha posh*, which allows young Rahima to dress and be treated as a boy until she is of marriageable age. As a son, she can attend school, go to the

market, and chaperone her older sisters. But Rahima is not the first in her family to adopt this unusual custom. A century earlier, her great-great grandmother, Shekiba, left orphaned by an epidemic, saved herself and built a new life the same way. Crisscrossing in time, *The Pearl the Broke Its Shell* interweaves the tales of these two women separated by a century who share similar destinies. But what will happen once Rahima is of marriageable age? Will Shekiba always live as a man? And if Rahima cannot adapt to life as a bride, how will she survive?
