Succulent SexCraft HarperCollins

Available for the first time in the United States, this international bestseller reveals the secrets of nonverbal communication to give you confidence and control in any face-to-face encounter—from making a great first impression and acing a job interview to finding the right partner. It is a scientific fact that people's gestures give away their true intentions. Yet most of us don't know how to read body language—and don't realize how our own physical movements speak to others. Now the world's foremost experts on the subject share their techniques for reading body language signals to achieve success in every area of life. Drawing upon more than thirty years in the field, as well as cutting-edge research from evolutionary biology, psychology, and medical technologies that demonstrate what happens in the brain, the authors examine each component of body language and give you the basic vocabulary to read attitudes and emotions through behavior. Discover:

- How palms and handshakes are used to gain control
- The most common gestures of liars
- How the legs reveal what the mind wants to do
- The most common male and female courtship gestures and signals
- The secret signals of cigarettes, glasses, and makeup
- The magic of smiles—including smiling advice for women
- How to use nonverbal cues and signals to communicate more effectively and get the reactions you want

Filled with fascinating insights, humorous observations, and simple strategies that you can apply to any situation, this intriguing book will enrich your communication with and understanding of others—as well as yourself.

Sex for One SAGE Publications

An exploration of the fast food industry in the United States, from its roots to its long-term consequences.

Gender and Nonverbal Behavior Penguin

Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller Outliers, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller David and Goliath, Malcolm Gladwell has written a gripping guidebook for troubled times.

President of the Whole Fifth Grade Hachette UK

In this fun middle-grade novel from the author of *The Kayla Chronicles*, Brianna Justice has big dreams of following in her chef hero's footsteps—and the first step is to become the president of her class. Start counting your votes . . . and your friends. When Brianna Justice's hero, the famous celebrity chef Miss Delicious, speaks at her school and traces her own success back to being president of her fifth grade class, Brianna determines she must do the same. She just knows that becoming president of her class is the first step toward her own cupcake-baking empire! But when new student Jasmine Moon announces she is also running for president, Brianna learns that she may have more competition than she expected. Will Brianna be able to stick to her plan of working with her friends to win the election fairly? Or will she jump at the opportunity to steal votes from Jasmine by revealing an embarrassing secret? This hilarious, heartfelt novel will appeal to any reader with big dreams and the determination to achieve them.

President of the Whole Sixth Grade Quiver

A story about friendship, family, and finding your voice by the author of *President of the Whole Sixth Grade* For ten-year-old Cadence Jolly, birthdays are a constant reminder of all that has changed since her mother skipped town with dreams of becoming a singing star. Cadence inherited that musical soul, she can't deny it, but otherwise she couldn't be more different -- she's shy as can be. She did make a promise last year that she would try to break out of her shell, just a little. And she prayed that she'd get the courage to do it. As her eleventh birthday draws near, she realizes time is running out. And when a secret recording of her singing leaks and catches the attention of her whole church, she needs to decide what's better: deceiving everyone by pretending it belongs to someone else, or finally stepping into the spotlight. In a story filled with whimsy and hope, Sherri Winston inspires readers to embrace the voice within.

Talking to Strangers Little, Brown Books for Young Readers

In the decades after World War II, evangelical Christianity nourished America's devotion to free markets, free trade, and free enterprise. The history of Wal-Mart uncovers a complex network that united Sun Belt entrepreneurs, evangelical employees, Christian business students, overseas missionaries, and free-market activists. Through the stories of people linked by the world's largest corporation, Bethany Moreton shows how a Christian service ethos powered capitalism at home and abroad. While industrial America was built by and for the urban North, rural Southerners comprised much of the labor, management, and consumers in the postwar service sector that raised the Sun Belt to national influence. These newcomers to the economic stage put down the plough to take up the bar-code scanner without ever passing through the assembly line. Industrial culture had been urban, modernist, sometimes radical, often Catholic and Jewish, and self-consciously international. Post-industrial culture, in contrast, spoke of Jesus with a drawl and of unions with a sneer, sang about Momma and the flag, and preached salvation in this world and the next. This extraordinary biography of Wal-Mart's world shows how a Christian pro-business movement grew from the bottom up as well as the top down, bolstering an economic vision that sanctifies corporate globalization. The author has assigned her royalties and subsidiary earnings to Interfaith Worker Justice (www.iwj.org) and its local affiliate in Athens, GA, the Economic Justice Coalition (www.econjustice.org).

The Outsiders Harvard University Press

Sexual Soulmates Ballantine Books

Reveals the underlying story form of all great presentations that will not only create impact, but will move people to action Presentations are meant to inform, inspire, and persuade audiences. So why then do so many audiences leave feeling like they've wasted their time? All too often, presentations don't resonate with the audience and move them to transformative action. Just as the author's first book helped presenters become visual communicators, *Resonate* helps you make a strong connection with your audience and lead them to purposeful action. The author's approach is simple: building a presentation today is a bit like writing a documentary. Using this approach, you'll convey your content with passion, persuasion, and impact. Author has a proven track record, including having created the slides in Al Gore's Oscar-winning *An Inconvenient Truth* Focuses on content development methodologies that are not only fundamental but will move people to action Upends the usual paradigm by making the audience the hero and the presenter the mentor Shows how to use story techniques of conflict and resolution Presentations don't have to be boring ordeals. You can make them fun, exciting, and full of meaning. Leave your audiences energized and ready to take action with *Resonate*.

Secrets of the Sex Masters Harvard University Press

Written by sex educator and body-positivity advocate Ruby Rare, *Sex Ed* is the practical and fun guide to sex that you've always wanted — but never known how to ask for. This is the information you should have been taught at school: a no-holds-barred roadmap that covers everything from how the brain is the most important sex organ and how to communicate what you want to yourself and a partner, all the way down to the messy stuff — solo sex, orgasms, touching, kissing, blow jobs, cunnilingus, anal play, lube, toys, kegels. After all, sex education shouldn't start and end with putting a condom on a banana.

Diplomacy's Value Large Print Press

In this follow-up to *President of the Whole Fifth Grade*, Brianna navigates her toughest challenge yet: middle school! Brianna Justice is determined to raise enough money for the big class trip to Washington, D.C., but she's up against a lot: classmates who all pretend to be something they're not, a new nemesis determined to run her out of office, and the sinking feeling she's about to lose her two best friends for good. But just when she begins to lose hope, she comes to realize that sometimes surprises can turn out even better than the best-laid plans. Sherri Winston tells a story brimming with humor and heart as Brianna navigates the ins and outs of middle school, discovering that inspiration can come when you least expect it.

Moonlight Schools for the Emancipation of Adult Illiterates Hachette UK

What is the value of diplomacy? How does it affect the course of foreign affairs independent of the distribution of power and foreign policy interests? Theories of international relations too often implicitly reduce the dynamics and outcomes of diplomacy to structural factors rather than the subtle qualities of negotiation. If diplomacy is an independent effect on the conduct of world politics, it has to add value, and we have to be able to show what that value is. In *Diplomacy's Value*, Brian C. Rathbun sets forth a comprehensive theory of diplomacy, based on his understanding that political leaders have distinct diplomatic styles—coercive bargaining, reasoned dialogue, and pragmatic statecraft. Drawing on work in the psychology of negotiation, Rathbun explains how diplomatic styles are a function of the psychological attributes of leaders and the party coalitions they represent. The combination of these styles creates a certain spirit of negotiation that facilitates or obstructs agreement. Rathbun applies the argument to relations

among France, Germany, and Great Britain during the 1920s as well as Palestinian-Israeli negotiations since the 1990s. His analysis, based on an intensive analysis of primary documents, shows how different diplomatic styles can successfully resolve apparently intractable dilemmas and equally, how they can thwart agreements that were seemingly within reach.

A Guide to Gender (2nd Edition) Bantam

The first edition was featured as #1 best-seller in Gender on Amazon, and is being used by gender studies & sociology professors on 3 continents. Now with a new foreword by the author, brand new chapters, fixed typos, and more gender! 100% of royalties from this edition go directly to Hues, a global justice collective. Where do we start, when it comes to learning about something that's everywhere, infused into everything, and is often one of the primary lenses through which we see ourselves and others? When it comes to understanding gender, it's best to begin with deep breath, then with section one of this book by social justice advocate Sam Killermann, who uses clear language, helpful examples, and a bit of humor to help the medicine go down. This book is not overwhelming, it's not overly complicated, and it's not exhausting to read. It is a few hundred pages of gender exploration, social justice how-tos, practical resources, and fun graphics & comics. Sam dissects gender using a comprehensive, non-binary toolkit, with a focus on making this subject accessible and enjoyable. All this to help you understand something that is so commonly misunderstood, but something we all think we get: gender. A Guide to Gender is broken into four sections: Basic Training (which sets the foundation of knowledge for the book, defining concepts of social justice, oppression, privilege, and more); Breaking through the Binary (beginning with a discussion of gender norms, and working toward a more nuanced understanding of gender identity, gender expression, and sex); Feminism & Gender Equity (how feminism can be a solution to the injustices folks of all genders face); and Social Justice Competence (a series of short, practical lessons that will help readers put the learning from the book to work). It's written for people who want to learn for themselves, educators who are hoping to better communicate themes of gender to others, and activists who want to add a gender equity lens to their vision of justice. It's not meant to be the end of one's journey into understanding gender, but a great place to start. Because gender is something we all deserve to understand.

Woman Little, Brown Books for Young Readers

Case Study Research and Applications HarperChristian + ORM

Three brothers struggle to stay together after their parents' death, as they search for an identity among the conflicting values of their adolescent society in which they find themselves outsiders.

Orgasm Unleashed Mango Garden Press

The classic guide to fully enjoying the pleasures of self-love, full of warmth, intelligence, and informative line drawings—from a renowned sex educator featured on Netflix 's the goop lab with Gwyneth Paltrow Confronting one of our last and most deeply rooted taboos—masturbation—noted sex expert and pro-sex feminist Betty Dodson, Ph.D., takes the shame out of self-love by creating a straightforward and appealing guidebook that reveals masturbation as a satisfying, vital form of sexual expression. Dr. Dodson demonstrates how anyone can learn to make love alone with feelings of guilt or loneliness, and explains why masturbation is sexually and spiritually fulfilling for both men and women. Not only is it the safest sex, but sharing masturbation can also be a sensual treat for couples who want to learn more about each other 's sexual responses. Sex for One demonstrates that self-loving is not just for times in-between lovers or for social misfits. Masturbation is the joyful

and ongoing love affair that each of us has with ourselves throughout childhood, adulthood, and the golden years of old age.

Man and Nature; Or, Physical Geography Edinburgh University Press

The move from soulmates to "sexual soulmates" is an outrageous adventure, a love-drenched journey of epic-erotic proportions. You will learn a practical approach that is both simple and easy once you discover the power of: - Presence- Loverspace- The Sexual Soulmate Pact- Polarity- Embodied Sexuality- Erotic Playdates I speak as a woman who found, then lost, then re-discovered her soulmate and, ultimately, co-created a sexual soulmate relationship second to none. And I'm here to lead you to your Sexual Soulmate. You will discover: How to BE rather than DO in the bedroom. The ins and outs of loverspace. The gift you give, and get, by giving up performance. Making clear agreements and defining boundaries. How time can work for you rather than against you. The key ingredients that keep passion alive. Specific practices that accelerate your love and lust. In addition to, and layered in with the key takeaways above, I will teach you communication skills that will, over time, expand your heart and your mind. It's this layering process and these specific skills that give you the leg up to overcoming any obstacle that arises between you. No more drifting apart, shutting down, protecting your heart, hiding your hurt, sulking in silence, or manipulating to get what you want. I am going to show you how to be nourished by the lovemaking you share. Apply what you learn from this book and the two of you will grow in new, previously unimaginable, directions. Start off on the right foot with a new lover by weaving these skills into the fabric of your relationship. I kid you not. The dream of a sexual soulmate relationship is yours to claim. So claim it with your whole being. All you have to do is make a choice, bring your heart and your soul on this journey, and walk hand-in-hand with your current or future lover into new territory where you will co-create a love like no other. This is the updated second edition which includes stories of singles and couples who've implemented these six essentials for connected sex. Sexual Soulmates is for everyone across the gender spectrum of all ages and relationship status. Editorial Reviews: I liked your whole section on context and how women may be more sensitive to the environment of sexual encounters. ~ Dr. Susan Campbell, Sebastopol, CA I am a Registered Psychologist so I can give you a professional opinion - what you are doing is marvelous! The book is excellent because it is based on solid psychological principles grounded in a practical "how to" guide. ~ Lawrence S., Paris France Sexual Soulmates was a total an eye-opener! You gave us the missing piece to the intimacy puzzle. Huge thank you from me and my wife. In the matter of a week, we've put our relationship back on the "upward pleasure spiral." So much fun!! Blessings to you from Chicago. ~ Daniel P. This is NOT your typical bunch of puff and fluff slapped together to entice you to buy stuff-- This is a really complete and useful book that is filled with great ideas and insights to make your relationship really fire on all cylinders. Look, once you get past the early stages, everyone knows it's rare, and sometimes even seems impossible to stop the drift from erotic and spicy into plain vanilla

friendship (or worse, to just annoying and exhausting).

Wednesday and Woof #1: Catastrophe Mango Garden Press

Masturbation is like tuning a radio -- you don't know what frequencies you'll enjoy until you play with the knobs. Masturbation has a complicated stigma attached to it; everybody is doing it, but not everybody talks about it. Some were told that touching oneself would cause cute kittens to die, some were told masturbation led blindness. *Getting Off: A Woman's Guide to Masturbation* is here to debunk those masturbation myths, and reinforce the truth. Masturbation is a totally natural and normal way for women to connect with and find pleasure in their bodies. Fun, informative, and illustrated, *Getting Off* provides women with a wealth of masturbation knowledge -- its history, the mechanics of it, the joys of sexy toys -- plus clear, concise tips on getting off. Foreword by Betty A. Dodson

Business by the Book John Wiley & Sons
