Sherlock Holmes and the Whitechapel Murders CreateSpace
Physician Arthur Conan Doyle takes a break from his practice to assist London police in tracking down Jack the Ripper in this debut novel and series starter. September 1888. A twenty-nine-year-old Arthur Conan Doyle practices medicine by day and writes at night. His first Sherlock Holmes story, A Study in Scarlet, although gaining critical and popular success, has only netted him twenty-five pounds. Embittered by the experience, he vows never to write another "crime story." Then a messenger arrives with a mysterious summons from former Prime Minister William Gladstone, asking him to come to London immediately. Once there, he is offered one month's employment to assist the Metropolitan Police as a "consultant" in their hunt for the serial killer soon to be known as Jack the Ripper. Doyle agrees on the stipulation his old professor of surgery, Professor Joseph Bell--Doyle's inspiration for Sherlock Holmes--agrees to work with him. Bell agrees, and soon the two are joined by Miss Margaret Harkness, an author residing in the East End who knows how to use a Derringer and serves as their guide and companion. Pursuing leads through the dank alleys and courtyards of Whitechapel, they come upon the body of a savagely murdered fifth victim. Soon it becomes clear that the hunters have become the hunted when a knife-wielding figure approaches.
The Whitechapel Horrors Andrews UK Limited
A ritualistic serial killer is slaughtering women in London's infamous East End. The police are baffled, the media is in a frenzy, and people the world over are captivated by the fiend known as Jack the Ripper. Only a short distance away, the Great Detective has succumbed to an addiction to morphine and cocaine. His faithful friend, Dr. John Watson, and Irene Adler will venture into

Whitechapel alone to try and lure the Ripper out of hiding using themselves as bait. As darkness threatens to consume all of London, her greatest champion, the immortal Sherlock Holmes, will rise one final time to defend her. Combines the actual events of the investigation into Jack the Ripper's crimes with the canon of Arthur Conan Doyle. Sherlock Holmes - The Spider's Web Createspace Independent Pub
Crime makes strange partnerships, and none is stranger than that between Sherlock Holmes and Count Dracula. But when Holmes must track down a ring of criminal masterminds infesting London with plague, he must team up with Dracula to bring them to justice.
Sherlock Holmes and the Whitechapel Women CreateSpace
A real-life murder mystery in turn-of-the-century London, and Scotland Yard's "greatest detective of all time" who was determined to discover whodunit. By 1919, Det. Chief Inspector Fred Wensley was already a legend, having investigated the Jack the Ripper slayings, busted crime syndicates, and risked his life at the notorious Siege of Sidney Street. But the brutal murder of kindly fifty-four-year-old widow and shopkeeper Elizabeth Ridgley was an unexpected challenge in a storied career. Elizabeth and her dog were both found dead in her blood-spattered shop in Hitchin. But even in the early days of forensics, Wensley was stunned by the inept conclusion of local Hertfordshire police: it was a freak, tragic accident that had somehow felled Elizabeth and her Irish terrier. At Wensley's urging, Scotland Yard proceeded with a second investigation. It led to the arrest of an Irish war veteran. The only real evidence: a blood-stained shirt. But the Ridgley case was far from over. Drawing on primary sources and newly-discovered material, Paul Stickler exposes the frailties of county policing in the years after WWI, reveals how Ridgley's murder led to fundamental changes in methods of investigation, and attempts to solve a seemingly unsolvable crime.
The Whitechapel Demon Andrews UK Limited
In the spring of 1905, members of an exclusive club of crime enthusiasts known as

Our Society were taken on a guided excursion through Whitechapel, one of London's most notorious districts, by Dr. Frederick Gordon Brown, the chief police surgeon for the City of London. But this was no ordinary sightseeing tour. The focus of the outing was Jack the Ripper's reputed murder sites, and among the guests that day was Sir Arthur Conan Doyle, creator of the world's greatest detective, Sherlock Holmes. Here, now, in The Strange Case of Dr. Doyle by first-time son/father writing team Daniel Friedman, MD, and Eugene Friedman, MD, you are cordially invited to join a recreation of that tour. This expedition, however, will differ from the original in one very important way: It will be led by celebrated author Sir Arthur Conan Doyle himself. As you stroll beside Doyle and his other guests, you will travel to the location of each of the five canonical Ripper murders. Thanks to your guide's observations and opinions, all of which are based on actual historical accounts, you will learn as much about the district of Whitechapel as you will the terrible Ripper killings that occurred there. After each stop on the tour, you will also become acquainted with the life of Arthur Conan Doyle, from his earliest days in Edinburgh to his first taste of success as a writer. You will observe Arthur's hardships at home, his experiences at boarding school, his adventures at sea, his university education, and his days as a working medical doctor. You will be granted a picture of the man as few have ever seen him. As you alternate between biography and tour, you will become a Holmes-like detective, unearthing facts, discovering details, and piecing together information about both Jack the Ripper and Sir Arthur Conan Doyle. If you maintain a sharp mind and a keen eye, at the end of your journey, you may just uncover a truth you never expected to find.
A Study in Terror Createspace Independent Publishing Platform
Jack the Ripper is not the only blood-soaked fiend at work in London. There are others. In the festering alleys of Whitechapel, a habitual murderer is at work slashing women of the night to death and mutilating their remains. As the body count rises, local and national newspapers heap scorn on the Metropolitan Police and their hapless commissioner, Sir Charles Warren. Gory descriptions of the victims' wounds are published, illustrated with images drawn as much from the artists' imaginations as from witness testimony. The

vaunted Scotland Yard sleuths are helpless, and the murderer sends them taunting messages in blood red letters signed Saucy Jack. And what of Sherlock Holmes? Is the foremost private consulting detective in the world standing aloof as the capital of the Empire is paralyzed by the nameless terror stalking its streets? Here, for the first time, is my account of those dreadful days and nights in that blood-soaked autumn of 1888. John H Watson MD.

The Further Adventures of Sherlock Holmes: The Ripper Legacy Hollywood Comics

Behind every detective stands a great woman . . . When Sherlock Holmes turns down the case of persecuted Laura Shirley, Mrs Hudson - the landlady of Baker Street - and Mary Watson - the wife of Dr Watson - resolve to take on the investigation themselves. From the kitchen of 221b, the two women begin their inquiries and enlist the assistance of the Baker Street Irregulars and the infamous Irene Adler. A trail of clues leads them to the darkest corners of Whitechapel, where the fearsome Ripper supposedly still stalks. They soon discover Laura Shirley is not the only woman at risk - the lives of many others are in danger too. As Mrs Hudson and Mary Watson put together the pieces of an increasingly complex puzzle, the investigation becomes bigger than either of them could ever have imagined. Can they solve the case or are they just pawns in a much larger game? It is time for Mrs Hudson and Mary Watson to emerge from the shadows and stand in the spotlight . . .

The Case of the Murderous Dr. Cream
Createspace Independent Publishing Platform
A controversial, graphic and often disturbing account of how Sherlock Holmes, the archetypal detective, discovered the identity of Jack The Ripper, the killer who stalked Whitechapel in 1888. Based on newly discovered journals of his intimate friend, Doctor Watson, confidential Scotland Yard files, plus the intimate and revealing diaries of Dr Watson's second wife, the novel shows a view of Victorian London which peels away the layers of respectability and reveals society just as violent, exploitative and prurient as our own.

Sherlock Holmes and the Whitechapel Murders Sherlock Holmes and the Whitechapel Murders

It is August, 1888. The person called "Jack the Ripper" is terrorizing London, and, needing help from every quarter, Scotland Yard looks to Sherlock Holmes. But how can Holmes find a single madman in a city of seven million while dealing with the pressure of his own cases, the police, and those higher up. As he closes in on a suspect, the lines become less and less clear: who is the hunter and who is the prey? Holmes or the Ripper?

Sherlock Holmes And The Autumn Of Terror Titan Books (US, CA)

There can be no question that the contents of

this book will prove extremely controversial. Many people will be deeply shocked by the nature of Watson's statement. Many will no doubt prefer to reject it rather than surrender the beliefs of a lifetime. Others will at least regret that two of the great mysteries of crime are finally solved... An extraordinary document comes to light which for fifty years had been held on deposit by the bankers of the deceased John Herbert Watson MD - better known as Dr Watson. The document, written by Dr Watson himself, opens in the East End of London in 1888. Three women have been savagely murdered. To calm the public outcry, Scotland Yard approaches London's most eminent detective, Sherlock Holmes, and asks him to investigate the killer. Can Holmes solve the mystery of Jack the Ripper? And why has this story been suppressed for so long?

Sherlock Holmes and the Whitechapel Vampire Faber & Faber

The Whitechapel Ripper Must be Stopped A madman on the loose, driven by dark urges and uncontrollable violence. A hero, lost in the grip of addiction. The greatest and most desperate criminal investigation in history. Who will save us from Jack the Ripper? The most terrifying, explicit, and realistic Sherlock Holmes story ever told. Whitechapel: The Final Stand of Sherlock Holmes provides readers a rare look at the lives of the victims, the monster known as Jack the Ripper, and the characters of Arthur Conan Doyle's beloved stories. All are presented in a fresh and entirely new way. A entirely new realistic way. Readers familiar with the Holmes stories will be shocked (and in some cases upset) with these new characterizations, but take heed as Gerard Lestrade transforms from doddering simpleton into an actual living and breathing detective assigned to the worst slum imaginable. They will be captivated by the reality of Holmes' addiction to cocaine and morphine. They will find themselves walking the cobblestone streets of Whitechapel, wondering if Bloody Jack's blade might be aimed at their throats next. Be warned: The book contains graphic content, including scenes of violence, sex, profanity, and realistic depictions of life in the East End where the Ripper killings actually occurred. However, the graphic content is not presented in a lurid manner, but rather as a more honest representation of what actually happened, and the way things truly were. The author has released a Gentleman's Edition of the book that does not contain graphic content, however it is still not suitable for children.

Sherlock Holmes and the Whitechapel Women Open Road Media

A continuation of USA Today bestselling author Leonard Goldberg's Daughter of Sherlock Holmes series, The Abduction of Pretty Penny finds Joanna and the Watsons on the tail of an infamous killer. Joanna and the Watsons are called in by the Whitechapel Playhouse to find Pretty Penny, a lovely, young actress who has gone missing without reason or notice. While on their search, the trio is asked by Scotland Yard to join in the hunt for a vicious murderer whose method resembles that of Jack The Ripper. It soon becomes clear that The Ripper has reemerged after a 28-year absence and is once again murdering young prostitutes in Whitechapel. Following a line of subtle clues, Joanna quickly reasons that Pretty Penny has been taken capture by the killer. But as Joanna moves closer to learning his true identity, the killer sends her a letter indicating her young son Johnny will be the next victim to die. Time is running out, and Joanna has no choice but to devise a most dangerous plan which will bring her face-to-face with the killer. It is the only chance to protect her son and rescue Pretty Penny, and save both from an agonizing death. The Abduction of Pretty Penny is a wonderful new entry in a series that the Historical Novel Society calls "one of the best Sherlock Holmes series since Laurie R. King's Mary Russell books."

Whitechapel Megan Wiseman

I am afraid that I, Sherlock Holmes, must act as my own chronicler in this singular case, that of the Whitechapel murders of 1888. For the way in which the affair was dropped upon my doorstep left me with little choice as to the contrary. Not twelve months prior, the siren's call of quiet domesticity and married life had robbed me of Watson's assistance as both partner and recorder of my cases. Thus, when detective inspector Lestrade of Scotland Yard required a lead-any lead-I found myself forced to pursue Jack the Ripper alone and without the aid of my faithful friend. And all for the most damnable of reasons: Early on in my investigations, Dr. John H. Watson, formerly of 221b Baker Street, emerged as my prime suspect. *Whitechapel* Simon and Schuster

Sherlock Holmes Vs Jack the Ripper
Macmillan

Victorian Englands most famous consulting detective is hot on the trail of London's most notorious serial killer, Jack the Ripper. But in Sherlock Holmes and the Whitechapel Vampire, Jack is a vampire and Holmes refusal to believe it could be his undoing as the two match wits in this delightfully original first novel.

Whitechapel Simon and Schuster

Jack the Ripper is one of the most enduring archetypes in criminal fiction. This book presents, for the first time in English, two of the earliest pieces of Ripper fiction ever written in French: Gaston Marot & Louis Pericaud's stage play Jack the Ripper from 1889, and No. 16 of the French pulp series The Secret Files of the King of Detectives (which later became Harry Dickson) from 1908 in which the Great Detective matches his wits against Jack the Ripper. These two stories are translated by Frank J. Morlock, author of Sherlock Holmes: The Grand Horizontals.

A Knife in the Fog Lulu.com

Bodies washing up along the eastern coast of New England and the mysterious grounding of a "ghost ship" near Manhattan combine to bring Sherlock Holmes out of retirement to resume his pursuit of the villainous Baron Antonio Barlucci-the Whitechapel Vampire. But when he arrives in London to enlist the assistance of Dr. Watson, the good doctor has reservations. It's been twenty-five years since Holmes and Watson hunted Barlucci, twenty-five years since they learned the baron was buried beneath a mountain of ice and snow. Has Holmes' preoccupation with Barlucci driven him to see connections where none exist? Have his powers of deduction gone stale while in retirement? Has Watson's worst fear, that Holmes' obsession with the baron has unbalanced his finely tuned psyche, come true? Sherlock Holmes and the Return of the Whitechapel Vampire is the exciting final   to the Whitechapel Vampire Trilogy. In this final chapter, Holmes must face more than evil. He

must face his own mortality-the only certainty in an uncertain world.
