Blood Bound (An Unbound Novel, Book 1) Grand Central Publishing

An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, Bitten will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body. Shadow Bound HarperCollins Abby Wade has a dangerous secret. Two months ago, she disobeyed an order, but instead of kicking her out of the Pride, Jace offered her a job. Since then, she's been battling a completely inappropriate crush on the young, hot Alpha. But when accepting his job offer seems like the only way to keep her skeletons safely in their

closet, Abby doesn't hesitate. Jace Hammond has a big problem. A rogue is slaughtering humans in his territory, and he must eliminate the threat before the entire shifter species is exposed. There could not be a worse time for Abby to accept a job he only offered as a boost to her confidence. Abby is smart, beautiful, and resilient-more than enough to distract any man from the mission. Unfortunately, she may just be the worst enforcer ever to hold the title. As they hunt the killer, Abby's secret becomes a threat to Jace's authority and to her own life. But the real danger is the grip she has on his twice-shy heart.
