Only one woman can persuade him to embrace his powers... Brandon Merrick is determined to banish his shifter nature forever. The charismatic tattooed surfer is on the cusp of the ultimate challenge—to prove himself on the whitecaps of Hawaii and secure his future as a pro surfer. But his dragon isn't prepared to be tamed so easily... One look at marine biologist Liz Barrett ignites the spark of the firestorm:

Liz is his destined mate and his chance for happiness. While Brandon sees their first night together as just the beginning, his dragon seizes the upper hand. Awakening in the company of a raging dragon challenges Liz's ability to believe her own eyes. Can Brandon accept his inner beast in time to make it work with Liz? Neither one realizes that Brandon is caught in an ancient Slayer's scheme to enslave him. When the deadly plot ignites, the very island will be at risk—and Brandon and his mate could be the

ultimate sacrifice. "Dodging your birthright is the theme of the latest terrific Dragonfire novel, as both the hero and heroine attempt to deny their bloodlines. Shadows in the Night W.J. May What started as a nightmare, turned into a fairytale. Some might argue, Angel Cross was doomed from the start. Born to a life of servitude and raised to be an instrument of death, the girl was never comfortable unless there was a gun in her hand. Then she went and did the craziest thing of all...she fell in love. While the rest of her

friends slip into a simple routine of domesticated bliss and saving the world, Angel has a harder time finding her footing. Instead of explosives, she finds herself toting a car-seat. Instead of midnight homicides in Berlin, she finds herself sitting in back of the PTA. An accidental touch of arson sentences her to Carter-appointed therapy, throwing a spotlight on all that dissonance, but things at the PC are growing rocky as well. Case files are being altered and prisoners are going missing. An inside-person may be working behind the scenes. How long can

she pull a thread, before the whole thing unravels? Was such a venture destined to fail from the start? What happens if you realize...happily ever after isn't enough? Taken in the Dark, Part 2

Alisa Woods

Foster girl. Trash. That's all I am to the world. And that's fine. After surviving New Jersey's foster system, I can survive anything. Even taking a dangerous job from a tall, gorgeous stranger so I can keep my little sister safe-a job that goes very, very wrong. Suddenly I'm facing a brutal choice: a decade in jail or four years as a ward of Talonswood Reform Academy-a place with an all too perfect correction record. A place that makes bootcamp look like a spa. But Talonswood and its cruel cadets are far more than they seem, and so are the four men who rule it. Ellis. Asher. Reese. Cassis. Powerful, impossibly beautiful men who ignite a wildfire inside me-and who will stop at nothing to make my life a living hell. But it turns out I'm more than I seem, too. And I'm not going down without a fight. LAST CHANCE ACADEMY is a full length dark reverse harem

paranormal romance. This is the first of four books in Immortals of Talonswood, a new series from Amazon's top-100 author Alex Lidell. With hot shifter-fae, delicious vampires, one lone witch, Talonswood isn't your normal reform school.

The Kerrigan Kids Box Set Books #1-3 W.J. May

How does one carry the weight of two worlds...? Since the day he turned sixteen, Julian Decker had been the supernatural world's security blanket, safeguarding the future of magic with the gift of prophecy again, and again, and again. It was a delicate balance and a crushing responsibility, but the good had always outweighed the bad. Or so he believed. When Julian is sent on a dangerous deep-cover mission, all those certainties are thrown into question as he finds himself facing the worst of life's evils once again. The darkness they battle seems doomed to overtake the light, and the death of a friend makes him wonder if he wants to keep fighting anymore. Why keep waging the war, when history

Some things, you can't come back
from. Some lines, you can't
uncross. When tragedy strikes the
night of the gala, Aria and her
friends find themselves racing
against the clock. Lies pile on
top of lies. Lines blur and
stories twist, until they find
themselves so far from the place

they started, they aren't sure if they can ever go back. Tensions mount as the friends are torn between Dorian and Michael. A fateful decision threatens one of their own, and those sacred bonds that always held them together begin to splinter and crack. There's only so long they can straddle two worlds. Something has to break. But when the dust settles, will there be anything left?
