Dark Surrender Morgan Rice

Miss Maryann Fitzwilliam is too witty and bookish for her own good. No gentleman of the ton will marry her, so her parents arrange for her to wed a man old enough to be her father. But Maryann is ready to use those wits to turn herself into a sinful wallflower. When the scandal sheet reports a sighting of Nicolas St. Ives, the Marquess of Rothbury, climbing out the chamber windows of a house party, Maryann does the unthinkable. She anonymously claims that the bedchamber belonged to none other than Miss Fitzwilliam, tarnishing her own reputation—and chances of the dastardly union her family secured for her. Now she just needs to convince the marquess to keep his silence. Turns out Nicolas allows for the scandal to perpetuate for his own reasons... But when Maryann's parents hold fast to their arranged marriage plan, it'll take a scandal of epic proportions for these two to get out of this together. Each book in the Sinful Wallflowers series is STANDALONE: * My Darling Duke * Her Wicked Marquess * A Scoundrel of Her Own

Broken Ever Realm Books

The war is upon us. Sides must be taken. Make. Your. Choice. In the throes of vengeance, some become lost. In the brutality of war, many will die. In the battle to overthrow evil, some will rise and overcome. But in the struggle for freedom, some are unfortunately, forgotten. Each has their part to play in this prophecy-but when yours is to be the martyr, the forgotten one, the abandoned one... is this a nightmare you can overcome? Or will it drag you down into the depths of something so broken, you cannot be repaired? With age, comes wisdom and truth-the only real power-the key, is what you choose to do with this knowledge once it comes to you. Do you allow it to consume you, and lose yourself to it, forever? Or can you surrender to the one shining light reaching down into the depths to pull you out of the darkness?

Patty Reed's Doll the Story of the Donner Party Total-e-bound

Meghan and Colin Jacoby don't regret risking it all to save their friend. But now their lives are in great peril and they're struggling to stay ahead of the enemy. Worse, a secret is revealed which pushes the magical community's level of tolerance to its peak, landing Colin in some serious magical trouble--the kind only his sister can get him out of. But will the cost of saving him be too high? Because she can't do this task on her own, and the solution is just as nightmarish as her brother dying--she'll need to ask the unthinkable of the most unimaginable and unkind person, ever.

"You made your choice. You are a King now." His meaning: act like one. "It's not magic that makes you powerful. It's what you do with it. How you use it. And how you do not use it." We have finally reached that pivotal moment where fate, truth, and time, intersect. Battle lines will be drawn. Sides, taken. And a prophecy, reborn.

A ghostly intervention-the past will come back to haunt you... Jae Mochrie is Juliska Blackwell's prisoner. She's tasked him with a simple request, one he refuses to do and the price for his defiance is exactly what he expects. But he sees an out, a possible solution, or at least a temporary solution which might win him more time before she orders the inevitable-kill the people he loves. His friends. His family. Or innocent strangers... Unfortunately, his solution does not go as planned and Juliska's reaction is not what he expects, at all. It sends her into a fury. And to top it off, she sees a ghost from her past. A face she never wanted to see again. These events set off a chain reaction leading to Juliska's first real vision in years. Just how did Juliska Blackwell go from lost girl found and raised by the Svoda, to a Firemancer, to being their Queen? You might think you know her motivation...there's been a few hints along the way. But what really happened when she was kidnapped by Jurekai Fazendiin-the first created and most powerful of the Immortal Grosvenor? And what tragedy ruined what should have been the happiest day of her life? Her wedding day... And who exactly is "Uncle Eddy" otherwise known as Colin Edward Gillivray, and why did he take his own life? Forcing himself to straddle the world of the living and the world of the dead, for all eternity? It's time for a trip back in time... New York Times 100 Notable Books of 2018 • Amazon Editors' Top 100 of 2018 Rachel Cusk, the award-winning and critically acclaimed author of Outline and Transit, completes the transcendent literary trilogy with Kudos, a novel of unsettling power. A woman writer visits a Europe in flux, where questions of personal and political identity are rising to the surface and the trauma of change is opening up new possibilities of loss and renewal. Within the rituals of literary culture, Faye finds the human story in disarray amid differing attitudes toward the public performance of the creative persona. She begins to identify among the people she meets a tension between truth and representation, a fissure that accrues great dramatic force as Kudos reaches a profound and beautiful climax. In this conclusion to her groundbreaking trilogy, Cusk unflinchingly explores the nature of family and art, justice and love, and the ultimate value of suffering. She is without question one of our most important living writers.

Forsaken (the Seer's Apprentice, the Pearl Dragon, and the Devoted Ghost) Kensington Books A Missing Girl For months, there's been no sign of Alex's sister, who she fought so desperately to rescue. Based around the pivotal WWII battle of Stalingrad (1942-3), where the German advance into Russia was eventually halted by the Red Army, and around an extended family, the Shaposhnikovs, and their many friends and acquaintances, Life and Fate recounts the experience of characters caught up in an immense struggle between opposing armies and ideologies. Nazism and Communism are appallingly similar, 'two poles of one magnet', as a German camp commander tells a shocked old Bolshevik prisoner. At the height of the battle Russian soldiers and citizens alike are at last able to speak out as they choose, and without reprisal - an unexpected and short-lived moment of freedom. Grossman himself was on the front line as a war correspondent at Stalingrad - hence his gripping battle scenes, though these are more than matched by the drama of the individual conscience struggling against massive pressure to submit to the State. He knew all about this from experience too. His central character, Viktor Shtrum, eventually succumbs, but each delay and act of resistance is a moral victory. Though he writes unsparingly of war, terror and totalitarianism, Grossman also tells of the acts of 'senseless kindness' that redeem humanity, and his message remains one of hope. He dedicates his book, the labour of ten years, and which he did not live to see published, to his mother, who, like Viktor Shtrum's, was killed in the holocaust at Berdichev in Ukraine in September 1941.

Get the girl. Get the prize. Get out alive. In the valley of Eidolon, magic is strictly forbidden--at least, that's what everyone's been told. Regardless, this doesn't stop Colin Jacoby from breaking the rules to try to find his dream girl--a prisoner running out of time. Simultaneously, his sister, Meghan, a Firemancer in training, is mortified to learn she'll be working alongside the forever irritable Ivan Crane when the Queen sends them on a dangerous quest. For brother and sister, this means dual secret missions into the heart of Eidolon Valley. Where devilish creatures come to life after dark and the landscape changes each morning. Where deadly obstacles lurk at every turn and questions and mysteries pile up faster than they can be answered or solved. But when the quest goes terribly wrong, it becomes a race to get out alive for everyone.

From #1 New York Times bestseller Rachel Van Dyken comes the third installment of the Dark Ones saga about a siren and a human...

Fated Firemancer Collection A Contemporary Fantasy Series with Old Fashioned Charm. This Fantasy Box Set includes Books 1,2 and 3 from the Fated Saga. Awaken, Shifting and Embrace... Mind reading teens, Meghan and Colin Jacoby, help a young man whose family is forced to flee through a magical portal to another world, without him. Young adult friendly, mild/moderate violence and scary situations. Meghan and Colin Jacoby are looking forward to a typical summer, which means their uncle (and guardian) will pull into the Cobbscott Campground just off the coast of Maine and park his travel trailer for three full months. Normally, they'd never spend more than a couple weeks in any one place, their uncle preferring to stay on the move. Why did he do this? The twins have never thought to ask. Their only concern being that their friend Sebastien will be in Cobbscott as well... the one person who also happens to know their secret- that the twins are telepathic. Something they've never even told their uncle. Within hours of arrival, Meghan and Colin are making plans to meet up with Sebastien, but before they can, unexpected guests arrive. Guests with reserved campsites... reserved, but unused for years. And even more curious is that within hours, it is clear that these new visitors did not come alone! Something else has followed them. Something with an eerie shadow that flies across the tree tops screeching out a warning that can have only one meaning: we know where you are... From the team behind #1 New York Times bestseller Five Feet Apart comes a gripping new romance that asks: Can you find true love after losing everything? Kyle and Kimberly have been the perfect couple all through high school, but when Kimberly breaks up with him on the night of their graduation party, Kyle's entire world upends—literally. Their car crashes and when he awakes, he has a brain injury. Kimberly is dead. And no one in his life could possibly understand. Until Marley. Marley is suffering from her own loss, a loss she thinks was her fault. And when their paths cross, Kyle sees in her all the unspoken things he's feeling. As Kyle and Marley work to heal each other's wounds, their feelings for each other grow stronger. But Kyle can't shake the sense that he's headed for another crashing moment that will blow up his life as soon as he's started to put it back together. And he's right. This book includes bonus content.

Sacrifice (the Wayward King, the Projector's Mother, and a Prophecy Reborn) Createspace Independent Publishing Platform

The first book in this popular fantasy series follows thirteen-year-old twins Meghan and Colin Jacoby as they are whisked into a world of magic and mystery, and in the process, free their own fates and ignite a prophecy made long ago. They find new friends, fun and adventure as well as deadly enemies and a dangerous mission in this spine-tingling supernatural saga. Colin Jacoby loves a trip to fantasyland. It's so much better than real life-which mostly consists of hiding from bullies. Or worse, his twin sister, Meghan. Nearly impossible to do when they can read each other's minds and she knows when humiliation is inevitable-his of course, never hers. Colin's favorite thing is to get lost in a good fantasy or sci-fi novel, but he never expected a free book gifted from a grizzled flea market owner to change his entire future within an hour after taking it out of the market. The giver of the book insists that Colin take good care of it-easier said than done when the book starts talking to you! And-is rude! And seems to have a mind and agenda of its own. But it's mostly rude to Meghan. Which Colin finds funny, and leave it to his sister to find a way to insult a book! But talking books, even rude ones, should not exist. Not in the real world, at least. Unless the world they've been living in isn't the real world, or the right one? But it's a world and a life that Meghan loves. It's predictable. And therefore, somewhat controllable. But for Colin, it's yet another day he has to rely on his twin sister to come to his rescue. But the book changes all that and gives Colin an incredible gift which he uses to stand up for himself, his friends, and much larger more frightening foe that should most definitely not exist in the real world. And the oddities don't stop at rude books! There's the new strangers in the campground who dress in fancy shoes and too warm overcoats for hiking in the woods. And the unnerving sounds echoing high over the treetops. Or the talking cat that jumps out of a fire. Or a bird that seems to be following them. And the hushed whispers of those they've always called relatives, or friends. And just when they think things can't get any crazier or more unbelievable, and that life is about to return to wonderful (according to Meghan) and boring (according to Colin) old normalsville, a series of unbelievable events leads to an unfortunate and shocking twist, and the real fantasy adventure begins....

Wolves are natural born hunters...but this time, we're the prey. I never expected to find a second mate. When my first mate didn't immediately kill him, I was hopeful—only to have those hopes dashed when their packs turned against us. We were deemed unnatural. A threat. Something to be destroyed. Now we're on the run with nowhere to hide. As if that's not enough, my old alpha's obsession with me hasn't ended. News of my unusual relationship must have reached him by now, but I know he won't give up. I need to figure out what having more than one mate means. The fates don't do that kind of thing lightly, so it's up to the three of us to find out why we were chosen. An oracle is our only hope, a wise woman who can help us, but only if we can get to her before either of the packs find us. And, hopefully, without me mating with any more wolves on the way...
