Shifting Shadows is a collection of urban fantasy stories from the MERCY THOMPSON universe, along with a couple of outtakes or brief scenes from recent novels in the series. Several different characters, who will already be familiar to readers of this series as secondary and minor characters, are given the protagonist role in these short stories, along with at least one new character that I believe is completely new to the series, Elyna in Gray.

Shifting Shadows. I'm mostly a novelist. However, every once in a while I think of a story idea that

can be told on a smaller screen. I've written several short stories set in the "Mercyverse" (blame the marketing department, it still makes me giggle to write that), and published them in various anthologies.

I need all the "in between" moments. That would have made it a near perfect mate story. I would suggest reading Shifting Shadows first so you get the back story of the world. The author says we will see more of Bram and Matthew in future books. I'm looking forward to it. Merged review: This was a sweet hurt-comfort mate story. Colt broke my heart.

Shifting Shadows was just that but with a twist. I
don ' t think I ' ve ever read a paranormal
romance involving three souls. Jasmine has always
felt she was different but could never put her finger
on why. One night a group of men commit a
heinous act against her and she is saved by
Tiberius and Horatio. ... Shifting Shadows: Stories
