Written by prominent scholars, this text covers rituals from the early Chan period to modern Japan and key developments that occurred in the Linji/Rinzai and Caodan/Soto schools. It describes how rituals mould the lives of its practitioners in accordance with the ideal of Zen awakening.

The Bones Below Beacon Press
Albert Einstein said: We are using only 10% of our mental potential. Dianetics tells you how you can free a significantly larger part of your potential. Self confidence, harmonic relationships and a positive attitude towards life can absolutely be achieved. It makes Positive Thinking a reality. You can achieve your goals with more certainty if you are able to find the cause of upsets, unwanted reactions or emotions. The human

mind is not a mysterious puzzle - impossible to resolve. Read and work with Dianetics, see how it works for you and make up your own mind. The book gives a clear description of what is happening in the mind and explains a practical method, enabling you to explore your own subconscious, and rid yourself of what holds you down, resulting in increased IQ and well-being. Watching the DVD called 'How to Use Dianetics' along with the book is recommended to have a visual illustration of the concepts and the practical application.

The Heart is a Lonely Hunter Yale Younger Poets
This book considers mainly diagnosis, screening, surveillance and treatment of abdominal, thoracoabdominal and thoracic aortic aneurysms. It addresses vascular and cardiothoracic surgeons and interventional radiologists, but also anyone engaged in vascular medicine. The high mortality of ruptured aneurysms certainly favors the recommendation of prophylactic repair of asymptomatic aortic aneurysms (AA) and therewith a generous screening.

However, the comorbidities of these patients and their age have to be kept in mind if the efficacy and cost effectiveness of screening and prophylactic surgery should not be overestimated. The treatment recommendations which will be outlined here, have to regard on the one hand the natural course of the disease, the risk of rupture, and the life expectancy of the patient, and on the other hand the morbidity and mortality of the prophylactic surgical intervention. The book describes perioperative mortality after endovascular and open repair of AA, long-term outcome after repair, and the cost-effectiveness of treatment.

Pillow Thoughts OUP USA

In her first collection of poetry, Fortesa explores love, loss, cultural identity, and change. With her gift for compassion and insight, Fortesa's poems are at once both gentle and cutting. "I used to

not really enjoy reading poetry. Then I discovered Fortesa Latifi's poetry, and that changed completely. I identify with so many of her poems. Each one of them evokes a particular emotion or memory. She manages to write in a way that's simplistic, but beautiful. I can't recommend her poetry enough!"

What makes a man like John, in every respect a cultured and charming man, successful in his career and liked by his friends and acquaintances, behave violently towards a woman he says he loves? Is he sick? Is he different from other men? Is it, as he says, Jane's fault? Does she like being beaten? Otherwise why would she go on doing what she knows upsets him? Adam Jukes hopes that by the end of his demanding but gripping book, the reader will be able to answer these questions.

Adam Jukes works with men who are abusive and violent to women. In the last five years he has been involved in the

London Men's Centre, which offers dedicated programmes to men who are violent. He began working with abusive men as a psychodynamic psychotherapist, but as his work continued he found that the work of feminists in the refuge movement and in the 'speaking bitterness' literature could not be ignored. He integrates these two perspectives in his work. The way in which he presents men in this book will generate distress for those men who experience their masculinity as a burden - for he argues that misogyny, the hatred of women, is an inescapable element in the development of masculinity. But he also shows how the model of misogyny which informs the book is applied to an intervention programme to stop male abusiveness. This is a shocking book. Its thought-provoking view of the issues will be of great interest to mental health professionals and all concerned readers.

The Evolution of a Girl is a collection of poetry and prose taking the reader from girl to woman; from heartbreak and anger to transformation and rebirth. It speaks of the strength we find when learning to accept ourselves and the unbreakable softness that comes from

unyielding self-love. The Evolution of a Girl is a book for those who are hurting, for those who are healing, and for those who are ready to try again. Spades Duke University Press This collection about obsession and love is the 99th volume of the Yale Series of Younger Poets Richard Siken's Crush, selected as the 2004 winner of the Yale Younger Poets prize, is a powerful collection of poems driven by obsession and love. Siken writes with ferocity, and his reader hurtles unstopably with him. His poetry is confessional, gay, savage, and charged with violent eroticism. In the world of American poetry, Siken's voice is striking.

Night Sky with Exit Wounds

From the internationally bestselling author of Love Her Wild comes The Dark Between Stars, a new illustrated collection of heartfelt, whimsical, and romantic poems from Instagram poetry sensation, Atticus. Atticus, has captured the hearts and minds of nearly 700k followers (including stars like Karlie Kloss, Emma Roberts, and Alicia Keys). In his second collection of poetry, The Dark Between Stars, he turns his attention to the dualities of our lived experiences—the inescapable connections between our highest highs and lowest lows. He captures the infectious

energy of starting a relationship, the tumultuous realities of commitment, and the agonizing nostalgia of being alone again. While grappling with the question of how to live with purpose and find meaning in the journey, these poems offer both honest explorations of loneliness and our search for connection, as well as light-hearted, humorous observations. As Atticus writes poignantly about dancing, Paris, jazz clubs, sunsets, sharing a bottle of wine on the river, rainy days, creating, and destroying, he illustrates that we need moments of both beauty and pain—the darkness and the stars—to fully appreciate all that life and love have to offer. Religion Vs. Science Andrews McMeel Publishing

A companion volume to 'The Koan' and 'The Zen Canon' this text concentrates primarily on texts from Korea and Japan that brought the Zen tradition to fruition. Ten years ago, I started writing this for you. I wrote it for you and only you. Since then, millions of other people have read it, but none have understood it the way you understand it. I set out to find you a long time ago and today, I'm so glad I finally have. Thank you for reading these words.

The Dark Between Stars Copper Canyon Press

The first science fiction course in the American academy was held in the early 1950s. In the sixty years since, science fiction has become a recognized and established literary genre with a significant and growing body of scholarship. The Cambridge History of Science Fiction is a landmark volume as the first authoritative history of the genre. Over forty contributors with diverse and complementary specialties present a history of science fiction across national and

genre boundaries, and trace its intellectual and creative roots in the philosophical and fantastic narratives of the ancient past. Science fiction as a literary genre is the central focus of the volume, but fundamental to its story is its non-literary cultural manifestations and influence. Coverage thus includes transmedia manifestations as an integral part of the genre's history, including not only short stories and novels, but also film, art, architecture, music, comics, and interactive media.

The Future of the Mind John Wiley & Sons

The journey from love to heartbreak to finding love again is personal yet universal. Lang Leav's evocative love poetry speaks to the soul of anyone who is on this journey. Leav has an unnerving ability to see inside the hearts and minds of her readers. Her talent for translating complex emotions with astonishing simplicity has won her a cult following of devoted modern poetry fans from all over the world. Forget the dainty, delicate love poems of yore; these little poems pack a mighty punch. Lang Leav is a poet and internationally exhibiting artist. Her work expresses the intricacies of love and loss.

Love & Misadventure is her first poetry collection. Midnight Poems Anchor This is the anatomy of our being. This is our flesh, our muscles, our sinews and our limbs all tangled up beside each other. And this, is what they found when we left it all behind.

The Power of Awareness The Anatomy of Being

A clear voice of her generation, Sierra

DeMulder 's writing offers a gritty, sincere perspective on the subtle joys and modern pains of living. Her debut collection The Bones Below delicately carries the reader to a place of brutal, beautiful honesty. DeMulder 's personal revelations complete a touching portrait of the young artist and her fearless exploration of the human experience, bare in its rawest and most tender forms.

DeMulder possesses the most important quality a young writer can have, a unique voice. That voice exploded onto the national poetry scene. Sierra uses subtlety and tension the way

photographers use angle. She will eat your heart out with a spoon. -Karen Finneyfrock,

“ Ceremony for the Choking Ghost” DeMulder is intensely personal. - Huffington Post violently passionate and

sweet, deftly moving between the two modes. - The Lamron, New Journal of SUNY

The Art of the Storyboard shows beginners how to conceptualize and render the drawings that will communicate continuity to the cinematographer, set designer, and special effects supervisor, or to create the skeletal outline around which an animated program is developed. Using sketches of shots from classic films, from silents to the present, The Art of the Storyboard covers the history and evolution of this craft and discusses the essentials of translating one's vision onto paper, from the rough sketch to the finished storyboard. Over 100 illustrations from the author's and other storyboard artists' work illuminate the text throughout. Exercises at the end of each chapter help students to develop essential drawing and visualizing skills. The Art of the Storyboard teaches basic drawing

techniques and illustrates the use of perspective, light and shade, and depth of field needed in order to render the human figure in motion. In this book students are introduced to essential components of storyboarding, such as framing, placement of figures, and use of camera angles -the only book on storyboarding for media War of the Foxes St. Martin's Essentials

Pillow Thoughts is a collection of poetry and prose about heartbreak, love, and raw emotions. It is divided into sections to read when you feel you need them most.

Why Men Hate Women Penguin Winner of the 2016 Whiting Award One of Publishers Weekly's "Most Anticipated Books of Spring 2016" One of Lit Hub's "10 must-read poetry collections for April"

“ Reading Vuong is like watching a fish move: he manages the varied currents of English with muscled intuition. His poems are by turns graceful and wonderstruck. His lines are both long and short, his pose narrative and lyric, his diction formal and insouciant. From the outside, Vuong has fashioned a poetry of inclusion. ” —The New Yorker "Night Sky with Exit Wounds establishes Vuong as a fierce new talent to be reckoned with...This book is a masterpiece that captures, with elegance, the raw sorrows and joys of human existence."—Buzzfeed's "Most Exciting New Books of 2016" "This original, sprightly wordsmith of tumbling pulsing phrases pushes poetry to a new level...A stunning introduction to a young poet who writes with both assurance and vulnerability. Visceral, tender and

lyrical, fleet and agile, these poems unflinchingly face the legacies of violence and cultural displacement but they also assume a position of wonder before the world. ” —2016 Whiting Award citation "Night Sky with Exit Wounds is the kind of book that soon becomes worn with love. You will want to crease every page to come back to it, to underline every other line because each word resonates with power."—LitHub "Vuong ' s powerful voice explores passion, violence, history, identity—all with a tremendous humanity."—Slate " In his impressive debut collection, Vuong, a 2014 Ruth Lilly fellow, writes beauty into—and culls from—individual, familial, and historical traumas. Vuong exists as both observer and observed throughout the book as he explores deeply personal themes such as poverty, depression, queer sexuality, domestic abuse, and the various forms of violence inflicted on his family during the Vietnam War. Poems float and strike in equal measure as the poet strives to transform pain into clarity. Managing this balance becomes the crux of the collection, as when he writes, ' Your father is only your father/ until one of you forgets. Like how the spine/ won ' t remember its wings/ no matter how many times our knees/ kiss the pavement. ' ” —Publishers Weekly "What a treasure [Ocean Vuong] is to us. What a perfume he's crushed and rendered of his heart and soul. What a gift this book is."—Li-Young Lee Torso of Air Suppose you do change your life. & the body is more than a portion of night—sealed with bruises. Suppose you woke & found your shadow replaced by a black

wolf. The boy, beautiful & gone. So you take the knife to the wall instead. You carve & carve until a coin of light appears & you get to look in, at last, on happiness. The eye staring back from the other side— waiting. Born in Saigon, Vietnam, Ocean Vuong attended Brooklyn College. He is the author of two chapbooks as well as a full-length collection, Night Sky with Exit Wounds. A 2014 Ruth Lilly Fellow and winner of the 2016 Whiting Award, Ocean Vuong lives in New York City, New York. The Art of the Storyboard Springer First published collection of poetry and prose by J. Raymond.
