SHIP BREAKER, by Paolo Bacigalupi

Ship Breaker is a gripping read, with an engaging protagonist, but it is the world building that is the real star. Bacigalupi's stand-out talent is to

immerse the reader, and in Ship Breaker we are taken to a dystopian future, post peak oil, where Nailer and his crew scavenge for copper and other valuable stuff in the guts of wrecked ships washed up by the retreating tides of the Accelerated Age.

Ship Breaker, Paolo
Bacigalupi ' s second
novel and his first for
Young Adults, is, in a
word, incredible. I
loved Ship Breaker.
I ' m talking, hugging
the book to my chest,
knocked my socks off
loved it. THIS is what I
wanted so badly from
The Windup Girl – this
feeling of tension,
desperation, and
ultimately of triumph.
