In the idyllic university town, young women daydreamed as they lay on the grass and gazed up at the clouds. Young men took morning walks at Alfred Park. Hot summer afternoons were for drinking sherbet and eating watermelons, and evenings were meant for reading poetry. It was also a time of stifling social mores, and love was an unattainable ideal seldom realized. Allahabad of the 1940s is the serene backdrop to the turbulence of Chander's love for his professor's daughter Sudha. Driven by his passionate belief in the transcending purity of their love, Chander persuades Sudha to marry another man, to devastating consequences. Unhinged by his separation from Sudha and consumed by a restless desire to make sense of love—Is it really about sex? Is the purity of love a lie?—Chander spirals into a destructive affair with the seductive Pammi. Immensely popular

since its publication more half a century ago, Chander & Sudha continues to seduce readers with its potent mix of tender passion and heartbreaking tragedy.

About a helpless Sikh girl kidnapped by Muslim invaders in 18th century. Florentine Sanskrit Manuscripts BPB Publications

To revive Punjabi as a literary language, efforts had to be made at a level of world-historical importance. There was the urgent need to enrich its diction that Guru Nanak did by borrowing words from all possible sources i. e. classical languages; not only Sanskrit and Pali of the Indian origin but also Arabic and Persian of what was then regarded as vilayat. In this context, the dialects of the areas to the west of Punjab were also not ignored. Thereby, Braj, Rajputani and even Sindhi were tapped for this purpose. Guru Nanak also saw to it that derivation from multiple sources was not of the haphazard sort. Two

techniques were at hand i. e. tatsam and tadvabh which, in a masterly way, he employed to form words of his own. He did so by altering the spellings, tones, intonations and even the meanings of words for use in his diction. From my study of the Western literature of the medieval times, I can think only of Dante who employed such subtle and suitable means to develop the Italian language. Prof. Tejwant Singh Gill

This book presents the social message of the Mahabharata in the form of a ten-point call for the good of all. Since this message is primarily given, in the terminology of loksamgraha, in Bhagavad-Gita (Which is the centre-piece of the Mahabharata) the technique of presentation adopted here is Gita supportive, i.e. indirect as well as selective. This book is accompanied with simple meaning in English, take the form of eighteen chapters.

"Bhagat Singh spent the last two years of his life in jail, awaiting execution. During this time, he and his comrades fought one of the most celebrated Court Battles in the annals of national liberation struggles, and used the court as a vehicle for the propagation of their revolutionary message. They also struggled against the inhuman conditions in the Colonial jail, and faced torture and pain. Their heroism made them icons and figures of Inspiration for generations to come. All this is well-known. What is not so well-known is that Bhagat Singh wrote four Books in jail. Although they were smuggled out, they were destroyed and are lost forever. What survived was a Notebook that the Young martyr kept in jail, full of notes and jottings from what he was reading. In the year of his Birth centenary, LeftWord is proud to present his Notebook in an elegant edition. This Edition has been checked against the copy preserved in

the National Archives of India. The Notebook is richly annotated by Bhupender Hooja; and the annotations have been revised and updated for this edition. Also included are the most important Texts that Bhagat Singh wrote in jail, Chaman Lal's lucid introduction, the New York Daily Worker's reports and Periyar's editorial on the hanging" -- Provided by publisher.
