This book is a collection of letters and debates exchanged between Mahatma Gandhi and Rabindranath Tagore between 1915 and 1941. The introduction by the compiler examines the historical

context of the correspondence and provides an overview of the major issues discussed.

Amrita-Imroz, a Love Story
National Trust

This book presents the social message of the

Mahabharata in the form of a ten-point call for the good of all. Since this message is primarily given, in the terminology of

loksamgraha, in Bhagavad-Gita (Which is the centre-piece of the

Mahabharata) the technique of presentation adopted here is Gita supportive, i.e.

indirect as well as selective.

This book is accompanied with simple meaning in English, take the form of eighteen chapters.

Shiv Kumar Batalvi Hay

House, Inc

This book is a compilation of classic short stories by five great American writers O Henry, Jack London, Henry James, Mark Twain and Edgar Allan Poe. Though not necessarily representative of the authors complete works, the stories have been carefully chosen to showcase their versatility and skill as storytellers. The collection covers an extraordinary range of themes, styles and settings, allowing the reader to get a glimpse of another world gone by. Yet, these stories seem timeless, and the characters in them show the same foibles, fears and hopes as people in the brave new world of the 21st century.

In This Moving Tribute She Communicates Her Sense Of Deep Wonder At Their Unique And Unconventional Relationship, As Also Her Profound Admiration For The Creative Energy Of These Two Extraordinary Individuals.

Guru Nanak Motilal Banarsidass Publ.

A comprehensive, compelling, and insightful narrative that traces the birth, the growth, and the spread of Sikhism – one of the world's most dynamic and progressive religions. In this perceptive work, Dr Harish Dhillon

highlights the lives and times of the ten Sikh Gurus, beginning with Guru Nanak, who founded Sikhism in 1469, and ending with Guru Gobind Singh, who established the Khalsa Panth in 1699. It throws light on how the Gurus acquired profound knowledge and wisdom, which they sought to pass on to the common people through their teachings. Their life histories show how they sincerely practised what they preached and how they led by example. Apart from these, it recounts the enormous sacrifices the Gurus made to keep the faith going. In addition, the book gives elaborate details on how Sikhism has evolved over the centuries. This volume reveals the human side of the 'Divine Gurus' venerated not only by Sikhs, but also across various faiths in India and in other parts of the world. The contents in the book are intertwined with the underlying theme that the ideal religion (or faith) is one that is based on simplicity and keeps

changing with the times, yet does not forget the very essence that it started with.

The Mahatma and the Poet Penguin Books
India

On the life and works of Suresh Joshi, 1921-1986, Gujarati author.

5 American Masters Souvenir Press

The book, Poems for Children has been written and compiled by the well-known and acclaimed writer, J.M Mehta. Most of the poems listed in the book have been written by schoolchildren in the age group of 6 to 14 years and is exclusively meant for them, though it can be read and enjoyed by all. When small children with their innocence express their thoughts and feelings in verse, it comes straight from their hearts, without any fear or favour, making the poems all the more expressive and thought provoking. However, some of the poems included in this book have been

penned down by the author himself and a few have been extracted from the works of renowned poets. The poems cover a wide variety of subjects which encompass feelings of love, respect and friendship for their parents, teachers, companions, countrymen, etc. and also reflect the expression of interest in things or issues which children generally come across during their childhood or in the school environment. The language used throughout the book is very simple and easily understandable, keeping in mind the school-going kids. Coming directly from the hearts and minds of young children, these poems, no doubt provide a spontaneous source of delight, amusement, information, education, inspiration and general pleasure for all the readers, irrespective of age, sex, religion or nationality. So readers, enjoy reading each one of them as there is a definite message hidden in all the poems waiting to be

deciphered

Parsa V&S Publishers

The Book Is On The Establishment Of The Distinct Identity Of The Sikhs Through Sikh Baptism And Sikh Symbols Like The Turban And The Sword, And The Moral Code Called The Rehitnamas.

Poems for Children

National Trust

Janamsakhis, as the name suggests, are stories that claim to reveal the life of the first Guru, Nanak Dev, in a chronological manner. The earliest known Janamsakhi dates back to 1658, nearly 120 years after the death of Guru Nanak in 1539. None of the Janamsakhis can claim to be the most authentic or authoritative version as, through the years, each chronicler of the Guru's life has added and altered the narrative according to the need of the times. In this volume, Dr Harish Dhillon has chosen the twenty most

inspiring and interesting stories about the life and times of Guru Nanak. While the language may be contemporary, at its core this narrative has the same venerable feel that marked the tone of Janamsakhis written centuries ago. Through this work, the author has tried to make the life of the Guru more accessible to the current generation. This book enlightens as much as it informs, while focussing on the Guru's teachings as well as the various udasis (travels) he undertook to spread the message of brotherhood, equality and love. This book will be of immense value to anyone with a particular interest in religious studies, Indian history or in simply learning more about the life of Guru Nanak.

This Book Is A Pioneering Work On Panjabi Legends And Drama From Gender Perspective. It Examines

Women's Construction In The Context Of Patriarchal

Paradigms, Particularly In The Context Of Love, Sexuality And Marriage.

Sikh Identity Harper Collins

At the heart of Sikhism are the ten Gurus, who transferred authority from individual leaders to the scriptures and the community itself. "Sikhism" explores how their distinctive beliefs emerged from the Hindu background of the times, how a number of separate sects split off, and how far the ideas of sexual equality have been observed in practice.

Illustrations.

The Sikh Gurus Children's Book Trust

In this anthology, which comprises some of Khushwant Singh's best writing, you can look forward to some talk of sex, a little of Scotch and much Scholarship. The collection attempts to mirror the

author's concerns and passions-his love of nature, his anguish over the situation in Punjab, his interest in religions of the world and his scholarly research on the one into which he was born, Sikhism. The highlight of this book, however, is the expansive, autobiographical opening piece written in Khushwant's characteristically candid style and perhaps the most complete self-portrait he has yet painted.
