Numerical Reasoning – Tests your ability to interpret and use numbers and statistics. You'll be shown some data, probably in the form of a table or graph, and then you must use that information to answer a question. Verbal Reasoning – Evaluates your ability to understand and analyse passages of written information. Usually, you ' ll be presented with a written passage and, based on that, you must then identify whether a given statement is true or false, or whether it ' s impossible to say.
