for prospective handgun buyers. The market for new handguns is expanding rapidly, and that's good news for consumers. Each year more and more new models break cover and there has never been a better time to be in the market for a new handgun, whether you're a recreational shooter, a concealed carry permit holder, a hunter or a serious competitive shooter. Today's handguns offer superb machining and utilize some of the most technologically-advanced alloys, polymers and finishes to help make the current crop of handguns lightweight, accurate, durable, and affordable. This increase in product offerings stem from new interest in handguns, primarily as a result of nationwide issuance of concealed carry permits. As laws have been enacted that protect the rights of gun owners and defend our personal liberties, more and more new shooters are showing up on the range. But first-time shooters and new concealed carry permit holders are not the only segment of the handgun market that is seeing growth and interest. Pistol competitions have become more popular and more advanced, evolving from slow-fire matches at local gun clubs to modern IPSC, IDPA and 3-gun competitions. Handgun Buyer's Guide will help both the bewildered new shooter find their feet and purchase a handgun, find the best accessories, and locate a place to practice on hone their skills. You'll find all you need for owning a handgun in the Handgun Owner's Guide! Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun

collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

The Bar Cart Bible perspective, Simon and Schuster Do you feel vulnerable in your own home? The Shooter ' s Bible Guide to Home Defense was written to help you trade in your fears for a feeling of vigilance, readiness, and pride. This is not a catalog of gimmicks, gadgets, and drills that only a Navy Seal can perform but an intense look at how to fortify your home discreetly and protect yourself from home invaders. Learn how to choose weapons and use them under stress. Gain legal

perspective, sharpen your verbal defensive skills, and learn how to recognize criminal intent. If the current climate leaves you feeling abandoned and defenseless, the Shooter ' s Bible Guide to Home Defense can put you on the path to becoming a proud sentry at the gates of your castle. Firearm expert Roger Eckstine examines how to evaluate the premises, how to choose various security systems, and how to safely interact with aggressors should someone invade your home. Other topics include: Minimizing hiding

---

places Body language and verbal judo Improvised weapons Fight versus flight Coping with children or the elderly during an attack Once again, renowned firearms expert Eckstine delivers helpful tips and provides valuable information. The purpose of this book is to familiarize yourself with the basics that you need to know to defend your home.

### **Shooter's Bible Guide to Home Defense**

Abrams While movies and television have made many people familiar with the name Glock, not many know the history of Glock's pistols. With *The Book of Glock*,

Robert A. Sadowski showcases all of Glock's American handgun models, from the first model, the Glock 17, which premiered in 1982, to the all-new G43, and educates firearms enthusiasts on the quirks of each. *The Book of Glock* references all Glock pistols available in the United States with in-depth information on all models—history, serial numbers, rare Glock variants, comparative models, cutaway sales models, and more. Sadowski worked closely with Stanley Ruselowski, the president of the Glock Collectors Association, to bring readers information and photos of rarely seen Glocks. Each

chapter is dedicated to a different model. Sadowski provides a timeline of the company's evolution and a close look at how Glock redefined the combat pistol. Other chapters touch on rare models, commemorative editions, and Glock tools and accessories. Whether a firearms collector or a new enthusiast, anyone can enjoy Sadowski's analysis of Glocks throughout history. exercise your Second Amendment Right but haven't quite mastered the proper technique with guns, then this is the essential manual for you. It is your right to carry a firearm to protect yourself and your family. However, it is your responsibility to know how to operate that gun correctly and safely. Don't wait to be placed in a dangerous setting faced with an armed attacker. The updated second edition of the Shooter's Bible Guide to Concealed Carry is an all-

encompassing resource that not only offers vital gun terminology, but also suggests which gun is the right fit for you and how to efficiently use the device properly, be it in public or home. Firearm expert Brad Fitzpatrick examines how to practice, how to correct mistakes, and how to safely challenge yourself when you have achieved basic skills. Included within is a comprehensive chart describing the various calibers for concealed carry, suitable instructions for maintaining it, and

most importantly, expert step-by-step instructions for shooting. Once again, renowned firearms expert Fitzpatrick delivers poignant tips and provides valuable information. The purpose of this book is to familiarize yourself with firearms and to gain the confidence you need to protect yourself in the worst of situations. "My experience working with Skyhorse is always a positive collaboration. The editors are first-rate professionals, and my books receive top-shelf treatment. I truly appreciate our

Do-It-Yourself Gun Repair is an authoritative guide to maintaining, repairing, and improving rifles, shotguns, and handguns. Many of the repairs professional gunsmiths make involve replacing broken or worn parts, and you'll learn to identify and correct these common problems quickly, safely, and easily by following the detailed instructions and illustrations of gunsmithing expert Edward A. Matunas. Matunas teaches the home gunsmith a wide variety of repairs with easy-to-

understand directions and solid, step-by-step advice based on his many years of professional gunsmithing. Topics include: • Hand and power tool suggestions for home gunsmithing • Replacing firing pins, extractors, and ejectors • Analyzing and correcting accuracy problems • Top-notch information about bedding the barrel and bore • Easy installation of scopes, mounts, sights, and recoil pads • Repair of splits and cracks in stocks • Avoiding common mistakes and time-

consuming double work A unique feature of this book is a section covering disassembly, repair, and reassembly of seven of the most popular firearms: Remington 700, Remington 1100, Remington 870, Winchester 94, Savage 110, Marlin 336, and Marlin 70. The instructions are fully illustrated with photos and drawings as well as exploded views and parts lists, and much of this information can be applied to other guns with similar actions. **Gun Trader's Guide, Thirty-**
