Hidup Becky Bloomwood sungguh mulus: dia punya pekerjaan yang menyenangkan, tinggal di apartemen Manhattan bersama pacarnya, Luke, dan mereka membuka rekening gabungan (walaupun belum sepakat apakah rok Miu Miu termasuk pos pengeluaran rumah tangga). Kemudian Luke melamarnya! Sesudah itu hidup Becky jadi rumit lagi. Ibunya ingin mereka menikah di Inggris, ingin Becky mengenakan gaun pengantinnya dulu. Ibu Luke ingin mereka menikah di Plaza Hotel New York, dengan pesta mewah, kue pengantin spektakuler, dan kada-kado luar biasa... Becky harus mengambil keputusan – tapi suliit sekali! Waktu terus berjalan, padahal ada dua rencana yang sedang digodok di dua negara. Becky pun menyadari dia menghadapi masalah besar...

Shopaholic on Honeymoon (Short Story) Random House

NATIONAL BESTSELLER • From the #1 New York Times bestselling author of *Love Your Life* comes a humorous and heartwarming novel about family and finding a second chance at love, set against the backdrop of the most fabulous party you've ever snuck into. "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter." —Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* It's been almost two years since Effie's beloved parents got divorced, destroying the image of the happy, loving childhood she thought she had. Since then, she's become estranged from her father and embarked on a feud with his hot (and much younger) girlfriend, Krista. And now, more earth-shattering news: They've sold Greenoaks, the rambling Victorian country house Effie has always called home. When Krista decides to throw a grand "house-cooling" party, Effie is originally left off the guest list—and then receives a last-minute "anti-invitation" (maybe it's because she called Krista a gold-digger, but Krista totally deserved it, and it was mostly a joke anyway). Effie declines, but then remembers a beloved childhood treasure is still hidden in the house. Her only chance to retrieve it is to break into Greenoaks while everyone is busy celebrating. As Effie sneaks around the house, hiding under tables and peeping through trapdoors, she realizes the secrets Greenoaks holds aren't just in the dusty passageways and hidden attics she grew up exploring. Watching how her sister, brother, and dad behave when they think no one is looking, Effie overhears conversations, makes discoveries, and begins to see her family in a new light. Then she runs into Joe—the love of her life, who long ago broke her heart, and who's still as handsome and funny as ever—and even more truths emerge. But will Effie act on these revelations? Will she stay hidden or step out into the party and take her place with her family? And truthfully, what did she really come back to Greenoaks for? Over the course of one blowout party, Effie realizes that she must be honest with herself and confront her past before she'll ever be able to face her future.

From the #1 New York Times bestselling author of *The Party Crasher* and *Love Your Life* comes "a hilarious tale . . . hijinks worthy of classic *I Love Lucy* episodes . . . too good to pass up." (*USA Today*) "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter." —Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* Becky Bloomwood has a fabulous flat in London's trendiest neighborhood, a troupe of glamorous socialite friends, and a closet brimming with the season's must-haves. The only trouble is, she can't actually afford it—not any of it. Her job writing at *Successful Saving* magazine not only bores her to tears, it doesn't pay much at all. And lately Becky's been chased by dismal letters from the bank—letters with large red sums she can't bear to read. She tries cutting back. But none of her efforts succeeds. Her only consolation is to buy herself something . . . just a little something. Finally a story arises that Becky actually cares about, and her front-page article catalyzes a chain of events that will transform her life—and the lives of those around her—forever. Praise for Sophie Kinsella and *Confessions of a Shopaholic* "Kinsella's Bloomwood is plucky and funny. . . . You won't have to shop around to find a more winning protagonist." —*People* "If a cr è me brûlée could be transmogrified into a book, it would be *Confessions of a Shopaholic*." —*The Star-Ledger* "A have-your-cake-and-eat-it romp, done with brio and not a syllable of moralizing. . . . Kinsella has a light touch and puckish humor." —*Kirkus Reviews*

Bowker's Guide to Characters in Fiction 2007 Dial Press

From the #1 New York Times bestselling author of *The Party Crasher* and *Love Your Life* comes "a rollicking page-turner . . . It's funny. It's clever. It twists and turns. . . . Sophie Kinsella has yet another winner." (*Fort Worth Star-Telegram*) "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter." —Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* Poppy Wyatt has never felt luckier. She is about to marry her ideal man, Magnus Tavish, but in one afternoon her "happily ever after" begins to fall apart. Not only has she lost her engagement ring in a hotel fire drill, but in the panic that follows, her phone is stolen. As she paces shakily around the lobby, she spots an abandoned phone in a trash can. Finders keepers! Now she can leave a number for the hotel to contact her when they find her ring. Perfect!

Well, perfect except that the phone's owner, businessman Sam Roxton, doesn't agree. He wants his phone back and doesn't appreciate Poppy reading his messages and wading into his personal life. What ensues is a hilarious and unpredictable turn of events as Poppy and Sam increasingly upend each other's lives through emails and text messages. As Poppy juggles wedding preparations, mysterious phone calls, and hiding her left hand from Magnus and his parents, she soon realizes that she is in for the biggest surprise of her life. "Fresh, fast-paced, and fiercely funny . . . Kinsella pens her most lovably neurotic protagonist yet. . . . A laugh-out-loud comic caper."—Publishers Weekly "Poppy is easily as charming and daffy as shopaholic Rebecca Bloomwood."—Kirkus Reviews "A screwball romance for the digital age."—The Star-Ledger

From the bestselling Bridget Jones's Diary that started the trend to the television sensation Sex and the City that captured it on screen, "chick lit" has become a major pop culture phenomenon. Banking on female audiences' identification with single, urban characters who struggle with the same life challenges, publishers have earned millions and even created separate imprints dedicated to the genre. Not surprisingly, some highbrow critics have dismissed chick lit as trashy fiction, but fans have argued that it is as empowering as it is entertaining. This is the first volume of its kind to examine the chick lit phenomenon from a variety of angles, accounting for both its popularity and the intense reactions—positive and negative—it has provoked. The contributors explore the characteristics that cause readers to attach the moniker "chick" to a particular book and what, if anything, distinguishes the category of chick lit from the works of Jane Austen on one end and Harlequin romance novels on the other. They critique the genre from a range of critical perspectives, considering its conflicted relationship with feminism and postfeminism, heterosexual romance, body image, and consumerism. The fourteen original essays gathered here also explore such trends and subgenres as "Sistah Lit," "Mommy Lit," and "Chick Lit Jr.," as well as regional variations. As the first book to consider the genre seriously, Chick Lit offers real insight into a new generation of women's fiction.

Offering a fresh perspective on women's fiction for a broad reading audience—fans as well as librarians—this book defines and maps the genre, and describes hundreds of relevant titles. Women's Fiction: A Guide to Popular Reading Interests celebrates the books in this broad genre—titles that explore the lives of female protagonists, with a focus on their relationships with family, friends, and lovers. After a brief introductory history and a chapter that defines the characteristics of women's fiction, the author showcases annotations and suggestions of approximately 300 titles by more than 100 authors. She explains how women's fiction differs from romance fiction, enabling readers to appreciate this rich body of literature that encompasses titles as diverse as Meg Cabot's lighthearted chick lit to the more serious novels of Elizabeth Berg and Maeve Binchy. The book identifies some of the most popular and enduring women's fiction authors and titles, and provides invaluable reading lists and readalike suggestions that will be appreciated by both librarians and general readers.

Mini Shopaholic Marshall Cavendish

The #1 New York Times bestselling author of The Party Crasher and Love Your Life returns with a festive Shopaholic adventure filled with holiday cheer and unexpected gifts. "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter."—Jojo Moyes, author of The Giver of Stars and The Last Letter from Your Lover 'Tis the season for change and Becky Brandon (née Bloomwood) is embracing it, returning from the States to live in the charming village of Letherby and working with her best friend, Suze, in the gift shop of Suze's stately home. Life is good, especially now that Becky takes time every day for mindfulness—even if that only means listening to a meditation tape while hunting down online bargains. But Becky still adores the traditions of Christmas: Her parents hosting, carols playing on repeat, her mother pretending she made the Christmas pudding, and the neighbors coming 'round for sherry in their terrible holiday sweaters. Things are looking cheerier than ever, until Becky's parents announce they're moving to ultra-trendy Shoreditch—unable to resist the draw of craft beer and smashed avocados—and ask Becky if she'll host this year. What could possibly go wrong? Becky's sister demands a vegan turkey, her husband insists that he just wants aftershave (again), and little Minnie needs a very specific picnic hamper: Surely Becky can manage all this, as well as the surprise appearance of an old boyfriend-turned-rock star and his pushy new girlfriend, whose motives are far from clear. But as the countdown to Christmas begins and her bighearted plans take an unexpected turn toward disaster, Becky wonders if chaos will ensue, or if she'll manage to bring comfort and joy to Christmas after all. Praise for Christmas Shopaholic "Funny, charming, and the perfect read to get into the holiday spirit."—PopSugar "Kinsella's popular heroine, Becky Bloomwood Brandon, is back for a delightful ode to shopping, in the engaging eighth Shopaholic novel, this time with a Christmas theme. . . . Becky is as whimsical and wonderful as ever. . . . Kinsella delivers a solid and laugh-out-loud funny installment that longtime readers and new fans alike will gleefully devour."—Publishers Weekly

The Party Crasher Delta

Effie's still not over her parents splitting up a year ago. Her dad and his new girlfriend are posting their PDAs all over Instagram - and no one should have to deal with photos of their dad with the hashtags #viagraworks and #sexinyoursixties. Now they're selling the beloved family home and holding a 'house-cooling' party. When Effie receives only a last-minute 'anti-invitation', she decides to give it a miss. Until she remembers her precious Russian dolls, safely tucked away up a chimney. She'll have to go back for them - but not as a guest. She'll just creep in, grab the dolls and make a swift exit. No one will know she was ever there. Of course, nothing goes to plan. Not only does Effie bump into her ex-boyfriend (who she's very much not over), she can't find the dolls. And as she secretly clambers around dusty attics, hides under tables and mournfully eyes up the dessert table, she discovers unexpected truths about her family - and even about herself. With time (and hiding places) running out, Effie starts to wonder if she'd be better off simply crashing the party. Perhaps that's the only way to find out what's really going on with her family...

Can Maya figure out what's really going on in time to save Amy and Kyle, or will she be too late?

Chick Lit and Postfeminism Routledge

Are financial crises embedded in IT? Can gender studies offer insights into financial reporting? Feminist theories and Science and Technology Studies (STS) can enrich a critique of financial crises in capitalism as the author argues their critical, political economic approaches to communication can help in understanding because they historicize technology and economy and how these are materially embedded. Current literature has neglected finance and capital's gendered aspect - even - the ideology of a 'crisis'. This book develops four themes: women as resources in financial markets and as producers of values; gender ideology and unequal distribution; machine production and distribution of financial information and the varied actuality of markets. Working with case histories of tulipmania, microcredit, Wall Street reporting and the role of 'screens', Bubbles and Machines argues that rather than calling financial crises human-made or inevitable they should be recognized as technological.

The increasing prevalence of consumerism in contemporary society often equates happiness with the acquisition of material objects. Consuming Schools describes the impact of consumerism on politics and education and charts the increasing presence of commercialism in the educational sphere through an examination of issues such as school-

business partnerships, advertising in schools, and corporate-sponsored curriculum. First linking the origins of consumerism to important political and philosophical thinkers, Trevor Norris goes on to closely examine the distinction between the public and the private sphere through the lens of twentieth-century intellectuals Hannah Arendt and Jean Baudrillard. Through Arendt's account of the human activities of labour, work, and action, and the ensuing eclipse of the public realm and Baudrillard's consideration of the visual character of consumerism, Norris examines how school commercialism has been critically engaged by in-class activities such as media literacy programs and educational policies regulating school-business partnerships.

Shopaholic to the Rescue Bantam Press

Tracing the cultural evolution of shopping from outdoor bazaars to suburban malls, this brazen look at the history and psychology of one of humankind's oldest pursuits considers the variety of reasons (and excuses) that drive the impulse to buy. An opulent collection of shopping places are described, including ancient markets, covered arcades of 18th-century France, galleries of 19th-century Italy, and megamalls of 1950s America. Examples from literature and other sources explore the historically conflicted attitudes about shopping, it seems that fashionistas have always fought over the trendiest hemlines and hats. The development of buying options is detailed, from mail order catalogs and Internet stores to retail districts and massive supermarkets.

"Kinsella's heroine is blessed with the resilience of ten women, and her damage-limitation brain waves are always good for a giggle."—*Glamour* (U.K.) What's a round-the-world honeymoon if you can't buy the odd souvenir to ship back home? Like the twenty silk dressing gowns Becky Brandon (née Bloomwood) finds in Hong Kong, or the hand-carved dining table from Sri Lanka, or the, um, huge wooden giraffes from Malawi (that her husband expressly forbade her to buy). Only now Becky and Luke have returned home to London, where two truckloads of those souvenirs have cluttered up their loft. The bills are outrageous, Luke is furious, and Becky's feeling rather blue—until her parents deliver some incredible news. She has a long-lost sister! Becky is convinced her sister will be a true soulmate. They'll go shopping together, drink cappuccinos together, get manicures together.

Then Becky meets Jessica and receives the shock of her life. Surely the shopaholic's own sister can't hate shopping?
