Short Story Orientation Complication Resolution Example

Whilst orientation, complication and resolution are the agreed norms for a narrative there are numerous examples of popular texts that did not explicitly follow

this path exactly. Although narratives can take many different forms and contain multiple conflicts and resolutions nearly all fit this structure in way or another.

In the resolution, the complication is resolved, i.e. the characters are able to solve their problems. 5. Coda (Lesson) The coda is the lesson at the end of a story. Not all stories have a coda. In some stories, there is a twist, or an unexpected ending. Often, a short story has a theme. The theme of a story is the central idea that runs through it.
