The Jester Little, Brown  
How the most powerful country in the UK was forged by invasion and conquest, and is fractured by its north-south divide. The Shortest History books deliver thousands of years of history in one riveting, fast-paced read.

England—begetter of parliaments and globe-spanning empires, star of beloved period dramas, and home of the House of Windsor—is not quite the stalwart island fortress that many of us imagine. Riven by an ancient fault line that predates even the Romans, its fate has ever been bound up with that of its neighbors; and for the past millennia, it has harbored a class system like nowhere else on Earth. This bracing tour of the most powerful country in the United Kingdom reveals an England repeatedly invaded and constantly reinvented—yet always

fractured by its very own Mason-Dixon Line. It carries us swiftly through centuries of conflict between Crown and Parliament (starring the Magna Carta), America’s War of Independence, the rise and fall of empire, two World Wars, and England’s break from the EU. We discover: why the American colonists of 1776 believed that they were the true Anglo-Saxons how the British Empire was undermined from within why Winston Churchill said the UK could only be saved by splitting up England itself and how populism spawned Brexit and its “new elite.” The Shortest History of England brings all this and more to prescient life—offering the most direct, compelling route to understanding the country behind today’s headlines.

horse. Only this horse isn't entirely normal . . . and nor are his friends. Without warning, Helen is thrust into an extraordinary world full of magical rituals, fantastical creatures and a dangerous, powerful beast known as the Master, who would destroy it all. Everything hinges on finding the lost Book of Wisdom before the Winter Solstice. Can Helen work out the riddles and help her new friends to make amends for a foolish prank? This is a wonderful mixture of fable and fiction, woven together into an exciting race through Scotland's diverse landscapes, accompanied by an array of creatures from mythology and folklore.

*Short, Shorter, Shortest*

Little, Brown

At the center of this hugely comic tale of "free enterprise" America stands JR--an eleven-year-old capitalist, eagerly following

the example of the grasping world around him. Operating through pay phones and post-office money orders, JR inadvertently parlays a shipment of Navy surplus picnic forks, a defaulted bond issue, and a single share of common stock into a vast paper empire embracing timber, mineral and natural gas rights, publishing, and a brewery. At once a novel of epic comedy and a biting satire of the American dream, JR displays the style and extraordinary inventiveness that has made Gaddis one of the most acclaimed writers of our time.

**The Average American Male**  
Penguin

This book is a powerful discussion of the novels, short stories, and poems of William Faulkner. Intended for both the general reader as well as

---

those already fully acquainted with his work, *My Mother is a Fish* illustrates the wisdom and genius of this great modernist of classical twentieth century American Literature. Janet C. Nosek provides a personal commentary on quotations and short passages that show the wide range of style, language, themes, and connections found in Faulkner's fiction. Both instructive and entertaining, this book will be of great interest to literary scholars and a helpful ancillary text as well.

### *The Goose Girl* Penguin

How many men does it take to find true love? When Delilah Darling reads a survey revealing that most people have 10.5 sexual partners in their lifetime, she begins to feel like a tramp. She's slept with nineteen men so far—almost twice the national average. During a self-help moment, she vows to cap her “number” at twenty, swearing she'll save her last spot for the right guy. But after losing her job and having a wild night on the

town, she falls into bed with Mr. Wrong. Unwilling to up her number, but also unable to imagine a life of celibacy, Delilah does the only thing a girl in her situation can do: she tracks down every man she's ever slept with in a last-ditch effort to make it work with one of them. A hilarious romp through Delilah's past loves, *What's Your Number?* shines a spotlight on every woman's dirty little secret and proves that, when it comes to matters of the heart, sometimes numbers tell only a fraction of the story.

### *A Hologram for the King* Floris Books

This book argues that Mark's gospel was not written as late as c. 65-75 CE, but dates from sometime between the late 30s and early 40s CE. It challenges the use of the external evidence (such as Irenaeus and Clement of Alexandria) often used for dating Mark, relying instead on internal evidence from the gospel itself. James Crossley also questions the view that Mark 13 reflects the Jewish war, arguing that there are other plausible

---

historical settings. Crossley argues and behaviours within that Mark's gospel takes for granted that Jesus fully observed biblical law and that Mark could only make such an assumption at a time when Christianity was largely law observant: and this could not have been later than the mid-40s, from which point on certain Jewish and gentile Christians were no longer observing some biblical laws (e.g. food, Sabbath).

*Crazy Busy* Little, Brown Books for Young Readers "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the

---

Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Shortest Way Home Vintage

“I can’t figure out if this book is a heart-felt dispatch from the front line in the battle of the sexes or a brilliant send-up of the way in which the male point of view has been misrepresented by militant feminists. I suspect it may be both.” --Toby Young, New York Times bestselling author of *How to Lose Friends and Alienate People* An offensive, in-your-face, brutally honest

and completely hilarious look at male inner life and sexual fantasy. In the course of this hilariously honest book, our narrator suffers through a relationship with his wannabe-actress girlfriend until he finds the perfect girl. But when he moves into the new relationship, he slowly realizes he thinks that all women are pretty much the same, that his true desires will never be fulfilled, and the decision between living life alone or biting the marriage bullet must be made.

*The Shortest History of Europe: How Conquest, Culture, and Religion Forged a Continent - A Retelling for Our Times (Shortest History)* HarperPerennial Winner of the 2014 Christian Book of the Year Award “I’M TOO BUSY!” We’ve all heard it. We’ve all said it. All too often, busyness gets the best of us. Just one look at our jam-packed schedules tells us how hard it can be to strike a well-reasoned balance between doing

---

nothing and doing it all. That’s why award-winning author and pastor Kevin DeYoung addresses the busyness problem head on in his newest book, *Crazy Busy* — and not with the typical arsenal of time management tips, but rather with the biblical tools we need to get to the source of the issue and pull the problem out by the roots. Highly practical and super short, *Crazy Busy* will help you put an end to “busyness as usual.”

Haroun and the Sea of Stories Size It Up

“The standard one-volume biography of Lincoln.”

—Washington Post

“Certainly the most objective biography of Lincoln ever written.”

—David Herbert Donald, *New York Times Book Review* The definitive life of Abraham Lincoln, *With Malice Toward None* is historian Stephen B. Oates's acclaimed and enthralling portrait of America's greatest leader. In this award-

winning biography, Lincoln steps forward out of the shadow of myth as a recognizable, fully drawn American whose remarkable life continues to inspire and inform us today. Oates masterfully charts, with the pacing of a novel, Lincoln's rise from bitter poverty in America's midwestern frontier to become a self-made success in business, law, and regional politics. The second half of this riveting work examines his legendary leadership on the national stage as president during one of the country's most tumultuous and bloody periods, the Civil War years, which concluded tragically with Lincoln's assassination.

**The Shortest Book in the World** Penguin

Journey across epic China—through millennia of early innovation to modern dominance. *The Shortest History*

---

books deliver thousands of years of history in one riveting, fast-paced read. As we enter the “Asian century,” China demands our attention for being an economic powerhouse, a beacon of rapid modernization, and an assertive geopolitical player. To understand the nation behind the headlines, we must take in its vibrant, tumultuous past—a story of “larger-than-life characters, philosophical arguments and political intrigues, military conflicts and social upheavals, artistic invention and technological innovation.” The *Shortest History of China* charts a path from China’s tribal origins through its storied imperial era and up to the modern Communist Party under Xi Jinping—including the rarely told story of women in China and the specters of corruption and disunity that continue to haunt the People’s Republic today. A master storyteller and exacting historian, Linda Jaivin distills this vast history into a short, riveting account that today’s globally minded readers will find indispensable.

*The Alchemist* Crossway  
**WILLMINGTON'S GUIDE TO THE BIBLE** is a treasury of Bible knowledge written in layman's language. ---

A fundamental influence on modern libertarianism, Hazlitt defends capitalism and the free market from economic myths that persist to this day.

Considered among the leading economic thinkers of the “Austrian School,” which includes Carl Menger, Ludwig von Mises, Friedrich (F.A.) Hayek, and others, Henry Hazlitt (1894-1993), was a libertarian philosopher, an economist, and a journalist. He was the founding vice-president of the Foundation for Economic Education and an early editor of *The Freeman* magazine, an influential libertarian publication. Hazlitt wrote *Economics in One Lesson*, his seminal work, in 1946. Concise and instructive, it is also deceptively prescient and far-reaching in its efforts to disassemble economic fallacies that are so prevalent they have almost become a new orthodoxy. Economic commentators across the

political spectrum have credited Hazlitt with foreseeing the collapse of the global economy which occurred more than 50 years after the initial publication of *Economics in One Lesson*. Hazlitt’s focus on non-governmental solutions, strong — and strongly reasoned — anti-deficit position, and general emphasis on free markets, economic liberty of individuals, and the dangers of government intervention make *Economics in One Lesson* every bit as relevant and valuable today as it has been since publication.

**The Shortest History of England: Empire and Division from the Anglo-Saxons to Brexit - A Retelling for Our Times (Shortest History)** W. W. Norton & Company

Don’t miss one of America’s top 100 most-loved novels, selected by PBS’s *The Great American Read*. This beloved book by E. B. White, author of *Stuart Little* and *The Trumpet of the Swan*, is a classic of children’s literature

---

that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in Charlotte's Web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's Stuart Little and Laura Ingalls Wilder's Little House series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, Charlotte's Web is a proven favorite.

[The Shortest History of China: From the Ancient Dynasties to a Modern Superpower - A Retelling for Our Times](#)

Introduces differences in short lengths and heights by comparing dog breeds and their features, such as legs, ears, and noses.

*First Aid for Fairies and Other Fabled Beasts* HarperCollins  
"My Brother Was an Only Child" was Jack Douglas' very first humour book, having written for famous radio and television celebrities such as Jack Paar, Bob Hope, Bing Crosby and Jimmy Durante, as well as TV shows such as "Adventures of Harriet and Ozzie", "The George Gobel Show", and "Laugh-In". It perfectly captures the sense of humour prevalent in this era and is as refreshing and side-splittingly funny now as it was then.
