Uncover the decisive moments that shaped a world-changing continent. The Shortest History books deliver thousands of years of history in one riveting, fast-paced read. Celebrated historian John Hirst draws from his own lectures to deliver this ultra-accessible master class on the making of modern Europe, from Ancient Greece through World War II. With over 600,000 copies sold worldwide, this brief history is a global sensation propelled by a thesis of astonishing simplicity: Just three elements—German warfare, Greek and Roman culture, and Christianity—come together to explain everything else, from the Crusades to

the Industrial Revolution. Hirst's razor-sharp grasp of cause and effect helps us see with sparkling clarity how the history of Europe—the crucible of liberal democracy—shapes the way we live today.

THE OLDEST SECRET SOCIETY OF INDIA. THE GREATEST TREASURE IN THE HISTORY OF MANKIND. THE MOST EPIC MYSTERY OF THE ANCIENT WORLD.

When the richest man of India confesses to being part of a secret society in a live press conference; chaos ensues. His daughter Aanya Vashishtha takes the help of Aarav Kohrrathi, a brilliant but egoistic treasure hunter and his friend Rehann to solve the mystery of The Ring of the Seven, a society of influential men who are tasked to protect the greatest treasure in history. What

starts off as a quest to uncover her father's secret leads them to something bigger which they themselves couldn't have fathomed. They take the help from her father's associate, Shayna Maheshwari, a billionaire banker and someone herself involved with the secret, as they progress towards a treasure hidden somewhere in the Himalayas. They brave bullets, puzzles, deadly chases, cult of assassins, and betrayal as their quest takes them across the length and breadth of South Asia; from the bustling metropolises of Mumbai and Delhi to the ancient temples of Nepal; from the serene beaches of Sri Lanka to the towering mountains of the Himalayas. They try to uncover a set of secret books of lost arts, which are believed to reveal the map of the treasure, and strive to discover the identities of the masters of the Ring of the Seven to solve the penultimate mystery. In a tale of love and loss, logic and emotions, religion and history, action and adventure, and the trial of a few good men against the most powerful organization in the history of mankind. Will they find the secret of the Himalayan treasure?

At the center of this hugely comic tale of "free enterprise" America stands JR--an eleven-year-old capitalist, eagerly following the example of the grasping world around him. Operating through pay phones and post-office money orders, JR inadvertently parlays a shipment of Navy surplus picnic forks, a defaulted bond issue, and a single share of common stock into a vast paper empire embracing timber, mineral and natural gas rights, publishing, and a brewery. At once a novel of epic comedy and a biting satire of the American dream, JR displays the style and extraordinary inventiveness that has made Gaddis one of the most acclaimed writers of our time.

How the most powerful country in the UK was forged by invasion and conquest, and is fractured by its north-south divide. The Shortest History books deliver thousands of years of history in one riveting, fast-paced read. England—begetter of parliaments and globe-spanning empires, star of beloved period dramas, and home of the House of Windsor—is not quite the stalwart island fortress that many of us imagine. Riven by an ancient fault line that predates even the Romans, its fate has ever been bound up with that of its neighbors; and for the past millennia, it has harbored a class system like nowhere else on Earth. This bracing tour of the most powerful country in the United Kingdom reveals an England repeatedly invaded and constantly reinvented—yet always fractured by its very own Mason-Dixon Line. It carries us swiftly through centuries of conflict between Crown and Parliament (starring the Magna Carta), America’s War of Independence, the rise and fall of empire, two World Wars, and England’s break from the EU. We discover: why the American colonists of 1776 believed that they were the true Anglo-Saxons how the British Empire was undermined from within why Winston Churchill said the UK could only be saved by splitting up England itself and how populism spawned Brexit and its “new elite.” The Shortest History of England brings all this and more to prescient life—offering the most direct, compelling route to understanding the country behind today’s headlines.

A Short Stay in Hell Little, Brown

How many men does it take to find true love? When Delilah Darling reads a survey revealing that most people have 10.5 sexual partners in their lifetime, she begins to feel like a tramp. She’s slept with nineteen men so far—almost twice the national average. During a self-help moment, she vows to cap her “number” at twenty, swearing she’ll save her last spot for the right guy. But after losing her job and having a wild night on the town, she falls into bed with Mr. Wrong. Unwilling to up her number, but also unable to imagine a life of celibacy, Delilah does the only thing a girl in her situation can do: she tracks down every man she’s ever slept with in a last-ditch effort to make it work with one of them. A hilarious romp through Delilah’s past loves, *What’s Your Number?* shines a spotlight on every woman’s dirty little secret and proves that, when it comes to matters of the heart, sometimes numbers tell only a fraction of the story.

In 1917, Bolshevik revolutionaries came to power in the war-torn Russian Empire in a way that defied all predictions, including their own. Scarcely a lifespan later, in 1991, the Soviet Union collapsed as accidentally as it arose. The decades between witnessed drama on an epic scale—the chaos and hope of revolution, famines and purges, hard-won victory in history's most destructive war, and worldwide geopolitical conflict, all entwined around the dream of building a better society. This book is a lively and authoritative distillation of this complex history, told with vivid details, a grand sweep, and wry wit. The acclaimed historian Sheila Fitzpatrick chronicles the Soviet Age—its rise, reign, and unexpected fall, as well as its afterlife in today's Russia. She underscores the many ironies of the Soviet experience: An ideology that claimed to offer humanity the reins of history wrangled with contingency. An avowedly internationalist and anti-imperialist state birthed an array of nationalisms. And a vision of transcending economic and social inequality and injustice gave rise to a country that was, in its way, surprisingly normal. Moving seamlessly from Lenin to Stalin to Gorbachev to Putin, *The Shortest History of the Soviet Union* provides an indispensable guide to one of the twentieth century's great powers and the enduring

fascination it still exerts.

'The best American political biography since Obama's *Dreams from My Father*' Guardian NEW YORK TIMES BESTSELLER A mayor's inspirational story of a Midwest city that has become nothing less than a blueprint for the future of American renewal. Once described by the Washington Post as "the most interesting mayor you've never heard of," Pete Buttigieg, the thirty-seven-year-old mayor of South Bend, Indiana, has now emerged as one of America's most visionary politicians. With soaring prose that celebrates a resurgent American Midwest, *Shortest Way Home* narrates the heroic transformation of a "dying city" (Newsweek) into nothing less than a shining model of urban reinvention. Elected at twenty-nine as the nation's youngest mayor, Pete Buttigieg immediately recognized that "great cities, and even great nations, are built through attention to the everyday." As *Shortest Way Home* recalls, the challenges were daunting: whether confronting gun violence, renaming a street in honour of Martin Luther King Jr., or attracting tech companies to a city that had appealed more to junk bond scavengers than serious investors. None of this is underscored more than Buttigieg's audacious campaign to reclaim 1,000 houses, many of them abandoned, in 1,000 days and then, even as a sitting mayor, deploying to serve in Afghanistan as a Navy officer. Yet the most personal challenge still awaited Buttigieg, who came out in a South Bend Tribune editorial, just before being re-elected with 78 percent of the vote, and then finding Chasten Glezman, a middle-school teacher, who would become his partner for life. While Washington reels with scandal, *Shortest Way Home*, with its graceful, often humorous, language, challenges our perception of the typical American politician. In chronicling two once-unthinkable stories, that of an Afghanistan veteran who came out and found love and

acceptance, all while in office, and that of a revitalized Rust Belt city no well.

longer regarded as "flyover country" Buttigieg provides a new vision for America's shortest way home.

The Goose Girl The Experiment

In James Patterson's dazzling thriller, two secret agents hunt down a serial killer targeting honeymoon couples in Rome. A newlywed couple steps into the sauna in their deluxe honeymoon suite-and never steps out again. When another couple is killed while boarding their honeymoon flight to Rome, it becomes clear that someone is targeting honeymooners, and it's anyone's guess which happy couple is next on the list. FBI Agent John O'Hara is deep into solving the case, while Special Agent Sarah Brubaker is hunting another ingenious serial killer, whose victims all have one chilling thing in common. As wedding hysteria rises to a frightening new level, John and Sarah work ever more closely together in a frantic attempt to decipher the logic behind two rampages. From "The Man Who Can't Miss," *Second Honeymoon* is the most mesmerizing, most exciting, and most surprising thriller ever (Time).

Marty Strauss, a gambling addict recently released from prison, is hired to be the personal bodyguard of Joseph Whitehead, one of the wealthiest men in the world. The job proves more complicated and dangerous than he thought, however, as Marty soon gets caught up in a series of supernatural events involving Whitehead, his daughter (who is a heroin addict), and a devilish man named Mamoulian, with whom Whitehead made a Faustian bargain many years earlier, during World War II. As time passes, Mamoulian haunts Whitehead using his supernatural powers (such as the ability to raise the dead), urging him to complete his pact with him. Eventually Whitehead decides to escape his fate after a few encounters with Mamoulian and having his wife, former bodyguard, and now his daughter Carys taken away from him. With hope still left to save Carys, Marty Strauss, although reluctant to get involved in the old man Whiteheads deserved punishment, decides to get involved and attempt to save the innocent gifted addict from being another victim to the damnation game
