"Every human should get a copy of this book when they are born." - Manyu, internationally renowned mindfulness/meditation teacher This book is a guide for the human condition. It is a practical, real and honest roadmap for anyone who wants to experience life to its fullest - at 200%. 200% of life is the experience of everything. It is the whole of life: 100% inner connection, peace and stability and 100%

outer enjoyment, effectiveness and fulfillment. Success without contentment and peace is half a life. Being "Zen" without action or the good things of life is only half the picture. You can have both; you deserve both. You deserve to live 200% of life. A step-by-step, "How to live fully" manual, this book gives you everything you need to cultivate the right rock solid inner foundation for the most fulfilling, and even thrilling, external existence. Light-hearted, entertaining and incredibly clear, this is the rarest of spiritual books - it doesn't take itself too seriously, yet what it delivers is profound. Do you want to live 200% of life? Here is your complete guide on how to do it. _____
Reviews for 200%: "I believe every human should get a copy of this book when they are born. It's a book that actually shows you how to LIVE. A Life manual. A practical Life guide. A How-to-Let-Go guide. A guide on How-to-be-Happy, How to find Peace, and How to Make

Life Easy. Arjuna has done a truly amazing job. It is a wonderful book. I love it." - Manyu, internationally renowned meditation/mindfulness teacher "This is a lovely book. Yes, in a way, it is a 'self help' book, but it would be like saying Dan Millman's Peaceful Warrior books or the writings of Seneca are 'self help.' This book has a clear vision of teaching us the path to true happiness in body, mind, soul and spirit. It is a wonderful read and I will come back to dip in its waters many, many times." - Dan John, strength coaching legend, religious studies academic, best-selling author of eleven books including Never Let Go "200% holds so much real life relatable wisdom. I know this book will change lives because it makes living the best of lives possible for anyone with an inner desire and calling for more. If 'more' is calling you, then Arjuna's book is the answer." - Sandy C. Newbigging, coaching and meditation expert, best-selling author of seven books including Mind Detox "Arjuna strikes that just right balance between finding inner peace and living to perform. These two aspects, commonly at odds, need no longer be. Welcome to the 200% club." - Pat Flynn, fitness expert, philosopher, best-selling author of five books including How to Be Better at (Almost) Everything, top 500 health and fitness blogger "200% is written with such clarity and humour that simply reading it is an enormous pleasure. But it doesn't stop there - if readers put these words into action there will be a tremendous impact, not just on themselves, but on the entire world." - Rebekah Palmer, journalist, editor and author of two books including Rhythm, as well as the children's series Champ the Chopper "I absolutely LOVE it. I love the mixture of wisdom, humility and humour. I love the format and the very real and practical advice, which is life changing. Everyone should

The Manual You Should Have Been Given When You Were Born is not like any other body book you've ever read. It's about functioning with your body from the perspective of beingness. It

explores how you, as an infinite being, can experience greatness with your body. "What if your body were an ongoing source of joy? " This book may go against everything you've ever thought, everything you've been taught and everything you've read; and everything you have brought that everyone else believes. It doesn't claim to give you all the answers. Instead it will encourage you to ask the questions that will allow you to enjoy the body you currently have and to create your body so that you can truly enjoy it.
