Shout!: The Beatles in Their Generation by Philip Norman ...

Shout! The Beatles in Their Generation

tells the extraordinary story of the rise of four scruffy boys from Liverpool to beings more adored, more influential -- and in many ways more troubled -- than any in the history of popular entertainment. It is also a penetrating social history of our time, based on an incredible wealth of material -- eyewitness accounts, interviews, stories withheld from the press and public -- that was available exclusively to the author.

Shout! The Beatles in Their
Generation: Philip (re: John ...

"Shout! The Beatles In Their
Generation" is a fantastic, and by far
the best account of The Beatles.
With new competition with Bob
Spitz's "The Beatles", "Shout!" still
stands strong, and the reviews
back that up. You'll learn everything
you wanted to know about The
Beatles and more.

There is a better book on the Fabs; which
is Mark Lewisohn's epic first volume,
Tune In, but it's massive and only covers
until 1962. So, as a very sufficient overall
view of the band, Shout!, is my go to. It
walks the line from bottom line
information to many, many tidbits that a
big-time Beatles fan will enjoy.
Shout! : The Beatles in Their Generation

- [Walmart.com](https://www.walmart.com)

Philip Norman 's Shout is meant to be the book on the Beatles but it is the only one I have. Maybe it is also because the Beatles story is at root the story of friendship imploding, scorched with the whiff of what could have been.

Shout!: The Beatles in Their Generation - Kindle edition ...

The conventional wisdom holds that 'Shout!' is particularly strong on the opening and closing chapters of the Beatles's story. It would be closer to the truth to say that the book's early sections are by far the most compelling, whereas the book drags in the middle then peters out towards the end.

Shout | The Beatles

It also describes their struggle to escape

the smothering Beatles' legacy and the tragic deaths of John Lennon and George Harrison. Witty, insightful, and moving, *Shout!* is essential reading not just for Beatles fans but for anyone with an interest in pop music.

Shout!: The Beatles in Their Generation: Philip Norman ...

' Shout!: The Beatles in Their Generation, ' by Philip Norman The knock on this Philip Norman bio has always been that he looks down on his subjects, but the author ' s honesty is admirable. In ...

9781567310870: Shout!: The Beatles in Their Generation ...

Shout! is strongest however when describing the Beatles' earliest days in Liverpool and Hamburg. [1] I

refer to each of the Beatles by his first name, but everyone else by surname, probably a holdover from my teen years when I would make frequent references to each of the Beatles in conversations with my friends.
