### Show Me Space My First

Wow. Almost 3 years to the day my journey with Riverdale started. I didn 't know back then that it 'd become such a life changing experience for me. The cast and crew has become like family, and supported me every step on this path. Creating such a wonderful space to go into work each day, and to offer guidance when I needed it the most.

For it the space characters did not show if I was typing immediately before a Section Break (Next Page). If I type 'some random text' followed by 2 space characters, I get the below - you can see the 2 space characters after the cursor (which is immediately after the last t in text I have the function enabled so that I can see all layout.. So if I type another letter the cursor 'jumps' to the ...
