This is a biographical novel on Shivaji Maharaj. This historical novel has created history in the world of literature and books. Shivaji Maharaj is the most worshipped person in Maharashtra. Every single household here knows Shivaji. He is the most respected and worshipped character. He was a dream come true. Shivaji was born as a Hindu but at such time when Hinduism was forgotten by the Hindus. In his novel Ranjit Desai - pictures Shivaji from his birth rather he starts with the days prior to his birth. Before writing this novel Desai has searched history, he has not left any stone unturned while doing so. Writing on Shivaji was a very difficult task. Shivaji had many qualities and

the last 3-4 centuries have changed people's view about him. They have become more possessive about him adding unnecessarily, and untruthfully to his qualities - considering him a god. On this background it was very difficult to portray Shivaji as perfect as possible Desai had realised his responsibility. He has pictured Shivaji miraculously in this novel. Religious but not superstitious, strict but not wicked, adventurous but not impetuous, practical but not aimless, realistic, visionary but not dreamy. Graceful but not prodigal. Desai has succeeded in highlighting Shivaji's human nature. His base was that of a human. He valued all, respected every religion. He was an expert commander. He awakened the love for motherland in the sleeping mind, of people. He ignited their confidence. While

describing this, Desai has brought many of Shivaji's qualities into limelight. Shivaji was a noble king but he was a nobleman. He also had his own sufferings. He lost many, but his first preference was his motherland. As we go on reading we get involved in the book so much that we live each moment and when Desai ends the novel we feel that "WE` have lost Shivaji.

This is a new and fully revised edition of Jeffrey and Leach: Atlas of Medical Helminthology and Protozoology.

Helminths (worms) and similar parasites are a major medical problem in much of the world and perhaps the largest single cause of morbidity and mortality (eg malaria, elephantiasis, trypanosmiasis).

The diagnosis of these conditions still largely rests on the microscopic examination of, for example, faeces.

This atlas illustrates the different myriad of different organisms and how to identify them.

This phenomenon manifests itself in increasing forms of bilingualism

(combination of English and one Indian language) in everyday forms of speech - advertisement jingles, bilingual movies, signboards, and of course conversations. It is also evident in the startling prominence of Indian Writing in English and somewhat less visibly, but steadily rising, activity of English translation from Indian languages. Since the eighties this has led to a frenetic activity around English translation in India's academic and literary circles. Kothari makes this very current phenomenon her chief concern in Translating India. The study

covers aspects such as the production, reception and marketability of English translation. Through an unusually multi-disciplinary approach, this study situates English translation in India amidst local and global debates on translation, representation and authenticity. The case of Gujarati - a case study of a relatively marginalized language - is a unique addition that demonstrates the micro-issues involved in translation and the politics of language. Rita Kothari teaches English at St. Xavier's College, Ahmedabad (Gujarat), where she runs a

translation research centre on behalf of Katha. She has published widely on literary sociology, postcolonialism and translation issues. Kothari is one of the leading translators from Gujarat. Her first book (a collaboration with Suguna Ramanathan) was on English translation of Gujarati poetry (Modern Gujarati Poetry: A Selection, Sahitya Akademi, New Delhi, 1998). Her English translation of the path-breaking Gujarati Dalit novel *Angaliyat* is in press (The Stepchild, Oxford University Press). She is currently working on an English translation of Gujarati short

stories by women of Gujarat, a study of the nineteenth-century narratives of Gujarat, and is also engaged in a project on the Sindhi identity in India.

Shivaji His Life and Times

Mukund Joshi is fourteen and newly in love. He attends the same private tuitions as his classmate, Shirodkar, just for a glimpse of her, and follows her back home every day. Sadly, she has not a

clue that he is pining away for her, because in their society, boys and girls don't interact freely, much less talk about love. When he's not negotiating the tricky alleys of love, Mukund sits around the school field or loafes about town with his close friends, Surya, Chitre and Phawdya, railing against the education system, and debating ideas such as discipline and Bohemianism. Set in a small Maharashtrian town during the Emergency of 1975, Shala is a heart-warming, nuanced novel about the adolescent struggles that are as tortuous in real time as they are amusing in retrospect.
