Presenting dialogues between prominent scholars of and from Indonesia and Indonesian women working in professional, activist, religious, and literary domains, the book dissolves essentialist notions of "women" and "Indonesia" that have arisen out of the tensions of empire. **Muslim Women in Contemporary Indonesia** Bloomsbury Publishing USA "The gripping story that spans across Singapore, New Delhi, Agra, Kashmir, Kathmandu and Mecca embodies the layered intricacies of spirituality and sexuality, as a couple journeys through a honeymoon and minor pilgrimage. In the name of love, vile lust finds its way into a sacred bond of marriage, yet becomes the antidote that leads to redemption in another. Kiswah is the brocade that intially hides and then reveals the mysteries and facets of mind, body and soul of a tormented self."--Back cover.

Saman is a story filtered through the lives of its feisty female protagonists and the enigmatic "hero" Saman. It is at once an expos é of the oppression of plantation workers in South Sumatra, a lyrical quest to understand the place of religion and spirituality in contemporary lives, a playful exploration of female sexuality and a story about love in all its guises, while touching on all of Indonesia's taboos: extramarital sex, political repression and the relationship between Christians and Muslims. Saman has taken the Indonesian literary world by storm and sold over 100,000 copies in the Indonesian language, and is now available for the first time in English. ABOUT THE AUTHOR Ayu Utami was born in Bogor, grew up in Jakarta and obtained her bachelor degree in Literature Studies from University of Indonesia. She worked as a journalist for Matra, Forum Keadilan, and D&R. Not long after the New Order regime closed Tempo, Editor, and Detik, she participated in the founding of Indonesia's Alliance of Independent Journalists to protest the closure of those three weeklys. Currently she is working for the cultural journal Kalam, and at Teater Utan Kayu. Saman was awarded the Prince Claus Award in the year 2000.

A film-goer accustomed to the typical Hollywood movie plot would feel uneasy watching an Indonesian movie. Contrary to expectations, good guys do not win, bad guys are not punished, and individuals do not reach a new self-awareness. Instead, by the end of the movie order is restored, bad guys are converted, and families are reunited. Like American movies,

Indonesian films reflect the understandings and concerns of the culture and era in which they are made. Thus Indonesian preoccupations with order and harmony, national unity, and modernization motivate the plots of many films. Cinema has not traditionally been within the purview of anthropologists, but Karl Heider demonstrates how Indonesian movies are profoundly Indonesian. Produced in the national language by Indonesians from various regions, the films are intended for audiences across the diverse archipelago. Heider examines these films to identify pan-Indonesian cultural patterns and to show how these cultural principles shape the movies and, sometimes, how the movies influence the culture. This anthropological approach to Indonesian film opens up the medium of Asian cinema to a new group of scholars. "Indonesian Cinema" should be of interest to social scientists, Asianists, film scholars, and anyone concerned with the role of popular culture in developing countries.

This insightful book examines women's lives across Asia, challenging typical stereotypes and providing a fresh look at the changing role of women in various regions of the vast continent. All around the world, women's important role in history has only recently been acknowledged. Asia is no exception. Despite a long record of achievements, women's experiences in South, Southeast, and East Asia go largely untold. This compelling book looks at women's lives in contemporary Asia, and reviews the cultural similarities—and differences—in the patterns and experiences of women across various regions. Women's Roles in Asia examines the full scope of women's lives throughout history, including specific topics such as education, family life, marriage and childbearing, religion, public life, economics, legal status, and literature and the arts. A timeline and introduction provide a backdrop to the events, achievements, and issues that have impacted Asian women from pre-colonial time to the present day.

With the same electrical intensity of language and insight that he brought to *Waiting for the Barbarians*, J.M. Coetzee reinvents the story of Robinson Crusoe—and in so doing, directs our attention to the seduction and tyranny of storytelling itself. J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from

Viking. Late Essays: 2006-2016 will be available January 2018. In 1720 the eminent man of letters Daniel Foe is approached by Susan Barton, lately a castaway on a desert island. She wants him to tell her story, and that of the enigmatic man who has become her rescuer, companion, master and sometimes lover: Cruso. Cruso is dead, and his manservant, Friday, is incapable of speech. As she tries to relate the truth about him, the ambitious Barton cannot help turning Cruso into her invention. For as narrated by Foe—as by Coetzee himself—the stories we thought we knew acquire depths that are at once treacherous, elegant, and unexpectedly moving. Modesty Presses de l'Université Laval

In *Transnational America*, Inderpal Grewal examines how the circulation of people, goods, social movements, and rights discourses during the 1990s created transnational subjects shaped by a global American culture. Rather than simply frame the United States as an imperialist nation-state that imposes unilateral political power in the world, Grewal analyzes how the concept of “America” functions as a nationalist discourse beyond the boundaries of the United States by disseminating an ideal of democratic citizenship through consumer practices. She develops her argument by focusing on South Asians in India and the United States. Grewal combines a postcolonial perspective with social and cultural theory to argue that contemporary notions of gender, race, class, and nationality are linked to earlier histories of colonization. Through an analysis of Mattel’s sales of Barbie dolls in India, she discusses the consumption of American products by middle-class Indian women newly empowered with financial means created by India’s market liberalization. Considering the fate of asylum-seekers, Grewal looks at how a global feminism in which female refugees are figured as human rights victims emerged from a distinctly Western perspective. She reveals in the work of three novelists who emigrated from India to the United States—Bharati Mukherjee, Chitra Banerjee Divakaruni, and Amitav Ghosh—a concept of Americanness linked to cosmopolitanism. In *Transnational America* Grewal makes a powerful, nuanced case that the United States must be understood—and studied—as a dynamic entity produced and transformed both within and far beyond its territorial boundaries.

This first English edition of the satirical Indonesian novel (1991) affords an overview of the Sukarno and Suharto eras and insight into the postcolonial condition. This scathingly satirical and hilarious novel, first published in Indonesia in 1991, affords both a blithely irreverent overview of Indonesian history in the Sukarno and Suharto eras, and brilliant insights into the postcolonial condition. Manguwijaya (1929-2001) was a well-known Indonesian

political activist and writer, as well as a Catholic priest, engineer, and architect. Framed by the world of ritual shadow plays - the realm of witches like Durga and the goddess Umayi - Manguwijaya's novel gives an unblinking but remarkably compassionate account of people caught up in the great nationalist maelstrom of Indonesia's recent history.

It is 1600 and Dutch merchants are welcomed to the Banda islands. But, in the space of three years, Bandanese society changes as its people succumb to the temptations of Western materialism--a process that leads inevitably to social dissension and, finally, to rebellion. Written during the dying days of the Netherlands East Indies, Tambera is Utuy Tatang Sontani's most seminal work. In looking back to the beginnings of colonialism in the Indies, Sontani anticipates many of the philosophical and moral challenges that still confronted the nascent republic of Indonesia, three hundred and fifty years later.

5 Tahun boemipoetra, Pena Dilesatkan djoernal sastra boemipoetra, merupakan salah satu dari sekian djoernal sastra yang terbit di Indonesia. Kemunculannya diragukan banyak orang. Terutama dengan daya tahan hidup. Kuat berapa bulankah jurnal yang cuma dibiayai semangat dan senantiasa urunan/patungan para redaktornya itu. Di era kapitalistik seperti sekarang ini, keraguan tersebut sangatlah pantas. Ketika lebih banyak orang yang berlomba mengumpulkan harta, ternyata masih ada yang peduli menyisihkan harta untuk sastra. Untuk apa? Tentu untuk membangun kesusastraan yang lebih bermartabat. Mainstream kesusastraan bukanlah satu warna. Bukan melulu satu kanal. Yang lebih sering didiktekan para redaktur media. Bagaimana pun urusan estetika adalah soal subjektifitas. Setiap individu mempunyai gaya. Seperti pelukis yang dibedakan coretan tangannya. Sastra tak melulu keindahan seni bahasa. Namun mesti mengarah pada seni pembangunan moral. Harga tersebut tak bisa ditawar. boemipoetra lahir untuk menjadi mitra diskusi. Menjadi lorong baru, di antara sekian lorong yang telah terbangun. Caranya mungkin yang berbeda. Agak menyentak. Namun tetap mengedepankan fakta-fakta yang selama ini ditilap dari ruang publik. Itulah yang menjadi ciri khas boemipoetra. Bicara tanpa tedeng aling-aling. Beberapa pihak menyatakan telah terjadi ‘kekerasan kebudayaan’. Padahal sesungguhnya personal-personal boemipoetra(lah) yang terkena ‘kekerasan

kebudayaan’, terlempar dari ruang-ruang budaya di media. Tersingkir dari festival-festival satu warna. Tak apa, perjuangan memang butuh pengorbanan. Tak adanya dana asing yang masuk pada boemipoetra membuktikan bahwa djoernal ini benar-benar mandiri. Boekan Milik Antek Imperialis. Tidak terdikte. Benar-benar membela kepentingan kaum boemipoetra. Kaum yang sering dilecehkan oleh bangsanya sendiri yang tega menjual harga diri untuk kepentingan asing. Mesti diingat, 350 tahun negeri ini dijajah Belanda. Setiap penjajah senantiasa membutuhkan kekuatan militer. Dan lebih dari 80% tentara Belanda adalah orang-orang pribumi yang gampang diperalat dengan gulden. Sampai sekarang orang pribumi yang gampang diperalat itu tetap ada. Memang tidak banyak, namun kekuatan legitimasi asing yang melekat pada dirinya, sanggup mendominasi setiap ruang. Mematahkan perlawanan kaum pribumi tulen. Sesungguhnya, mereka yang buruk tak lebih dari 20%. Sayangnya merekalah yang cenderung mendapat kepercayaan. Sehingga 80% yang baik seperti hilang ditelan awan. Dengan kesadaran bahwa kesusastraan adalah keberagaman, boemipoetra menggelinding deras. Tak peduli, diperkirakan umurnya cuma beberapa bulan. Di dalamnya ada yang Nasionalis, Marxis, Islam Tradisional, Islam Garis Keras. Ada bakul gudeg, wartawan, teaterawan, buruh, fesbooker, pegawai negeri. Ada yang di Jakarta, Yogya, Tangerang, Banten, Kudus, Ngawi. Sangat plural. Namun tetap menjunjung semangat yang sama. Tetap bisa berdiskusi untuk memutuskan kesepakatan yang dijadikan pedoman bersastra. Dan, ketika boemipoetra telah mencapai umur 5 tahun, ada baiknya djoernal-djoernal boemipoetra yang bertebaran dijadikan buku. Sebagai pelajaran bagi kesusastraan kita bahwa di mana tumbuh rezim sastra, disitu akan lahir pejuang-pejuang yang menentanginya. Dan setiap pejuang tak pernah berpikir jadi pahlawan atau pecundang. Yang penting bendera mesti diangkat tinggi-tinggi. Pena dilesatkan. Kiswah Amsterdam University Press Indonesian Islam is often portrayed as being intrinsically moderate by virtue of the role that mystical Sufism played in shaping its traditions. According to Western observers--from Dutch colonial administrators and orientalist scholars to modern anthropologists such as the late Clifford Geertz--Indonesia's peaceful interpretation of Islam has been perpetually under threat from outside by more violent, intolerant Islamic traditions that were originally imposed by conquering Arab armies. The Makings of Indonesian Islam challenges this widely accepted narrative,

offering a more balanced assessment of the intellectual and cultural history of the most populous Muslim nation on Earth. Michael Laffan traces how the popular image of Indonesian Islam was shaped by encounters between colonial Dutch scholars and reformist Islamic thinkers. He shows how Dutch religious preoccupations sometimes echoed Muslim concerns about the relationship between faith and the state, and how Dutch-Islamic discourse throughout the long centuries of European colonialism helped give rise to Indonesia's distinctive national and religious culture. *The Makings of Indonesian Islam* presents Islamic and colonial history as an integrated whole, revealing the ways our understanding of Indonesian Islam, both past and present, came to be.

Delving into the anarchist writings of Nietzsche, Foucault, and Baudrillard, and exploring the cyberpunk fiction of William Gibson and Bruce Sterling, theorist Lewis Call examines the new philosophical current where anarchism meets postmodernism. This theoretical stream moves beyond anarchism's conventional attacks on capital and the state to criticize those forms of rationality, consciousness, and language that implicitly underwrite all economic and political power. Call argues that postmodernism's timely influence updates anarchism, making it relevant to the political culture of the new millennium.

Dé cors exotiques et des corps abîmés. Flé au mondial en plein essor, le tourisme sexuel s'accommode parfaitement de l'esprit du capitalisme et de l'attrait de la société de consommation, en particulier de la civilisation des loisirs. Un véritable tourisme sexuel de masse tend à se développer sur fond d'inégalités économiques et sociales mais également de mises éducatives et affectives. L'industrie des corps défile sur le marché international du sexe et le tourisme, fermant souvent les yeux sur le rentable trafic humain, voisine alors avec la prostitution et la pornographie, compléments incontournables de la mondialisation sexuelle en cours. Forme de recolonisation du Sud par le Nord, le tourisme sexuel — ou plutôt les tourisms sexuels tant les formes et les impacts sont variables — autorise avec la benédiction de la corruption politique et du tout-libéralisme, toutes les exploitations et toutes les humiliations. Les femmes du Sud et de l'Est en sont les premières victimes,

les plus nombreuses aussi. Avocats de la mondialisation économique, les industries du voyage et du sexe partagent évidemment beaucoup d'intérêts dans la rapide transformation du monde en gigantesque parc de loisirs, voire d'aire de jeux sexuels. Cet ouvrage présente l'univers, souvent tabou, des tourisms sexuels avec ses dépendances et ses trafics, ses heurs et ses malheurs, ses liens étroits ou non avec la prostitution, et sa terrible entreprise de mystification de la femme sans oublier la marchandisation du corps fantasmé. Une partie importante du livre est consacrée à la situation dans le continent asiatique, terre où le tourisme sexuel s'est développé dans des proportions dramatiques, enrichissant les États et les nantis sur le dos des plus pauvres, et d'abord des femmes et des enfants. C'est aussi en Asie que les stéréotypes et les clichés entretenus par les médias, tant à propos des cultures locales qu'à l'égard des femmes autochtones, sont les plus ancrés dans l'histoire et les plus tenaces dans l'imaginaire occidental. Tout au long de cet essai, à l'aide d'exemples concrets tant en Asie qu'ailleurs, notre premier souci est d'informer puis, si possible, d'encourager d'autres comportements, à la fois touristiques et citoyens, à l'égard des autres en général et de nos hôtes en particulier.
