This first-person account tells the fascinating story of the three years Elder Groberg spent on the islands in the South Pacific amidst a kindly people who had a deep faith in God, a faith that provides the backdrop for Elder Groberg's accounts of miraculous healings, protective warnings, and perilous voyages; for such stories

as: The emergency night voyage on a turbulent sea, and the anxious search for the only guiding light into the destination harbor. The boy whose apparently lifeless body was handed to the missionaries with the words, "Here, make him well again you have the power." The storm that overturned the boat, throwing missionaries into the raging sea. The hurricane that hit the little island. The hunger when the usual supply boat failed to

show up. And much, much more. This remarkable book paints a vivid picture of missionary life in a society geared to "a different way of thinking." *Side by Side Plus 3 + Activity Workbook + Etext + Digital Audio* Cambridge University Press Ventures is a six-level, standards-based ESL series for adult-education ESL. The first biography of the seminal music group

WAR whose many hits include

"Spill the Wine," "All Day Music,"

"Why Can't We Be Friends?"

"Slippin' into

Darkness,"

"The Cisco Kid," and -

of course - "Low Rider."

They combined rock, funk,

soul, R&B, jazz, and a

strong Latin vibe in their music, they

have been awarded two Platinum and eight Gold records in their career. Their album "The World is a Ghetto" was the bestselling release of 1973 and was #444 on the list of "Rolling Stone's Top 500 Albums" list. This unauthorized book follows the group from their early incarnations when Harold Brown and Howard Scott met to form the Creators

and then the Night Shift, to their partnership with former Animals lead singer Eric Burdon, to a highly successful career on their own with the core original lineup of Brown, Scott, Lee Oskar, Lonnie Jordan, B.B. Dickerson, Papa Dee Allen, and Charles Miller. The story also follows the band through their later, leaner years, the tragic

deaths of two members, and the conflicts that led to a fissure and a split of performing entities that continues to this day. Featuring original interviews, archival research, and musical analysis and commentary, "Slippin' Out of Darkness: The Story of WAR" tells the tale of one of the most unique bands in the history of Classic Rock-era music.
