Sideman Coronet

The legendary funk, soul, and jazz musician who played with James Brown moves from sideman to center stage in this loving tribute to a seminal but often overlooked force in American music. (Performing Arts)

Earl Scruggs and Foggy

Mountain Breakdown Headline
A New York Times Best Crime Novel of the Year The first book in the Nanette Hayes Mystery series introduces us to jazz-loving, street busker Nanette, whose love life leads her into some very hot water. Nan's day is not off to a good start. Her on-again, off-again relationship with Walter is off...again, and when she offers a fellow busker a place to stay for the night he ends up murdered on her kitchen floor. To make matters worse, the busker turns out to have been an undercover cop. And his former partner has taken an immediate and extreme dislike to Nan. When she finds that

the dead man stashed a wad of cash in her apartment, cash that could go to help his blind girlfriend, Nan's desire to do the right thing lands her in trouble. Soon she's on the hunt for a legendary saxophone worth its weight in gold. But there are plenty of people who would kill for the priceless instrument, and Nan's new beau just might be one of them.

The Fifth Vital Houghton Mifflin Harcourt

Come feel the cool and shadowed breeze, come smell your way among the trees, come touch rough bark and leathery leaves: Welcome to the night. Welcome to the night, where mice stir and furry

moths flutter. Where snails spiral into shells as orb spiders circle in silk. Where the roots of oak trees recover and repair from their time in the light. Where the porcupette eats delicacies—raspberry leaves!—and coos and sings. Come out to the cool, night wood, and buzz and hoot and howl—but do beware of the great horned owl—for it 's wild and it 's windy way out in the woods!

AND VERY BLOODY . .

. DI Colin Anderson is having a bad week. His conviction of paedophile Skelpie Fairbairn is declared unsafe—putting Fairbairn back on Glasgow's streets and leaving Anderson under investigation. Add to this a gangster torched alive, a teenage boy tortured then dropped off a bridge and the suicide of a cop who worked an unsolved child kidnapping way back in 1996 and Anderson's got his

hands full. Then one night, a young girl is tied to the river bank and left for the tide. Anderson gets there, but she dies in his arms. Working round the clock his team discover these strange crimes are linked to an elusive criminal mastermind known as The Puppeteer. But unable to find him, unable to stop the murders, Anderson is forced to follow the only lead he has—Skelpie Fairbairn.

Listen to This stands out
as the first book
exclusively dedicated to
Davis ' s watershed 1969
album, Bitches Brew.
Victor Svorinich traces
its incarnations and
inspirations for ten-plus
years before its release.
The album arrived as the
jazz scene waned
beneath the rise of rock
and roll and as Davis
(1926 – 1991) faced large
changes in social
conditions affecting the

African-American consciousness. This new climate served as a catalyst for an experiment that many considered a major departure. Davis ' s new music projected rock and roll sensibilities, the experimental essence of 1960s ' counterculture, yet also harsh dissonances of African-American reality. Many listeners embraced it, while others misunderstood and rejected the concoction. Listen to This is not just

the story of Bitches Brew. It reveals much of the legend of Miles Davis—his attitude and will, his grace under pressure, his bands, his relationship to the masses, his business and personal etiquette, and his response to extraordinary social conditions seemingly aligned to bring him down. Svorinich revisits the mystery and skepticism surrounding the album, and places it into both a historical and musical context using new interviews, original

analysis, recently found recordings, unearthed session data sheets, memoranda, letters, musical transcriptions, scores, and a wealth of other material. Additionally, Listen to This encompasses a thorough examination of producer Teo Macero ' s archives and Bitches Brew ' s original session reels in order to provide the only complete day-to-day account of the sessions. Life of the Party Hachette Books

<p>Jazz could not contain Fred Hersch. Hersch's prodigious talent as a sideman—a pianist who played with the giants of the twentieth century in the autumn of their careers, including Art Farmer and Joe Henderson—blossomed further in the eighties and beyond into a compositional genius that defied the boundaries of bop, sweeping in elements of pop, classical, and folk to create a wholly new music. <i>Good Things Happen Slowly</i> is</p>	<p>his memoir. It's the story of the first openly gay, HIV-positive jazz player; a deep look into the cloistered jazz culture that made such a status both transgressive and groundbreaking; and a profound exploration of how Hersch's two-month-long coma in 2007 led to his creating some of the finest, most direct, and most emotionally compelling music of his career. Remarkable, and at times lyrical, <i>Good Things Happen Slowly</i> is an evocation of the</p>	<p>twilight of Post-Stonewall New York, and a powerfully brave narrative of illness, recovery, music, creativity, and the glorious reward of finally becoming oneself. <u><i>Kian and Jc: Don't Try This at Home!</i></u> Macmillan USA TODAY BESTSELLING BOOK! nation. For close to a decade thereafter, his life was a wasteland of darkness and despair. While his peers were graduating from college, buying homes, getting married, having kids, and leading normal lives, Mike was snorting OxyContin, climbing out of cars at gunpoint, and burying his childhood friends. Unable to escape the noose of addiction, he eventually lost the trust and support of everyone who had ever loved him. Alone, with nothing but drugs to keep	him company, darkness closed in, and the light inside him--the last flicker of hope--began to dim. His dreams, potential, and future were all being devoured by a relentless addiction too powerful to fight. Despair filled him as he realized he wasn't going to survive. Somehow, he did... HE NOT ONLY SURVIVED, HE THRIVED. Now he's a social media personality with millions of followers, and an entrepreneur, marketer, podcaster,	YouTuber, and author who hopes to use his voice to shine a light for those whose own lights have grown dim. This is his story. <u>I Hate Myselfie</u> HarperCollins International Book Awards 2016 finalist for literary fiction The End of Miracles is a twisting, haunting story about the drastic consequences of a frustrated obsession. A woman with a complex past wants nothing more than to become a mother, but struggles with infertility and miscarriage. She is

temporarily comforted by a wish-fulfilling false pregnancy, but when reality inevitably dashes that fantasy, she falls into a depression so deep she must be hospitalized. The sometimes-turbulent environment of the psychiatry unit rattles her and makes her fear for her sanity, and she flees. Outside, she impulsively commits a startling act with harrowing consequences for herself and others. This emotionally gripping novel is a suspenseful journey across the blurred boundaries between sanity and madness, depression	and healing. Inside the Music and the Masks Penguin For fans of books by Jimmy Bullard, Paul Merson, The Sidemen and the F2 Freestylers Messi might be the most skilful, Ronaldo might have the best shot, but according to FIFA it's 16-stone Adebayo Akinfenwa who's the strongest footballer in the world. With a larger-than-life personality to match, it's no wonder 'The Beast' has become an icon, attracting millions of social media followers, launching his own clothing label, and still banging in the goals for	Wycombe Wanderers. With such fame and adoration, it's easy to forget that Bayo is one of the hardest-working footballers around. His mental strength has had to be equal to his physical. Told by English clubs he was 'too big' to play football, he joined Lithuanian team FK Atlantas as a teenager where he faced widespread racial abuse. A career of grafting in the lower leagues of English and Welsh football followed, with spells at Barry Town, Torquay, Swansea, Gillingham, Northampton and AFC Wimbledon. Bayo's
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

charisma and knack of scoring vital goals made him a fan favourite at each. His last ever kick for the Dons was a penalty at Wembley to help win the club promotion. 'I think I'm technically unemployed,' he told an interviewer after the final whistle. 'So any managers hit me up on the WhatsApp and get me a job!' Inspiring, entertaining and full of character, this is the story of how Akinfenwa became a true cult hero and the never-give-up attitude that made him the biggest footballer on the planet.

The Inside Story of
How The War on

Terror Turned into a
War on American Ideals
Houghton Mifflin
Harcourt

In this extremely positive, motivational, and often laugh-out-loud memoir, Jake Paul pauses long enough from his supercharged day-to-day as a nineteen year old social media heartthrob and costar on the Disney Channel series Bizaardvark to share his takes on life, love, fame, and shooting for

the moon. Growing up as a regular kid in Ohio, Jake Paul always knew he wanted to do something big, but he wasn't sure what that thing was—that is, until he found his calling as one of Vine's most famous comedians. As a high school sophomore, Jake began making comedy videos with his older brother, Logan, and posting them online. With every carefully staged prank, Jake and Logan's following

grew—and after a few stumbling blocks, Jake finally forged his own way. Eventually, he traded his childhood home in Cleveland for sunny, sparkling Hollywood. In *You Gotta Want It*, Jake reflects on the path that led him to stardom. From learning the value of a disciplined work ethic, to achieving his goals and aspirations along the way to digital celebrity, to the crazy behind-the-scenes

details of his journey as a creator and actor, Jake relates the most hysterical and intimate details of his life thus far—all with the signature humor, honesty, and unstoppable attitude that have won him millions of devoted followers.

The End of Miracles
Anchor

For years, millions of musicians have aspired to a career performing professionally as Sidemen. They've dreamed of going

on the road, recording hit records, and playing sold-out shows. It seems like only a precious few get to live the dream, while the vast majority fail to solve the mystery of simply getting started in the music industry. From *Zero To Sideman* is a no-nonsense book that keeps it real and takes the mystery out of making it happen.

Everything from deciding to go pro, buying gear, getting educated, making a demo, to self-promotion is covered here in easy to understand language. If you've ever asked questions like: Should I move to a major music

city? Should my demo be a video or a CD? I'd like to tour, but where do I start? Who should I give my demo to? Should I learn to read music? How can I get more work? What should I put on my demo? Why did 'That Guy' get the gig? From Zero To Sideman offers proven solutions and concrete answers, backed up with real-world experience. For the price of a one-hour private lesson, it's your definitive guide to starting and maintaining a viable career as a working musician. Mel Brown (www.melbrown.net) is a Grammy Award winning

bassist and Self-Promotion pioneer. He's been featured in Bass Player, Bassics, Global Bass, and Gibson's Amplifier magazines. A versatile player, Mel has performed with virtuosos like Michel Camilo, Joey DeFrancesco, and Brian Bromberg - and superstars like Marc Anthony, Brian McKnight, and Eddie Murphy. He was the first musician in the world to use an Enhanced Multimedia CD as a business card, successfully introducing himself to the Los Angeles music scene and landing a major touring gig with Gladys Knight in less than a

month. Mel has recorded on dozens of top-ten Smooth-Jazz projects (including five #1 singles and three #1 album projects) and continues to record Smooth-Jazz hits from his home studio in Arizona with artists like Dave Koz, Wayman Tisdale, Marion Meadows, George Benson, and others.

The Autobiography She Writes Press
Hailed for its
astounding portrait of
Jimi Hendrix, Philip
Norman 's Wild Thing
has become the
definitive biography of

rock ' s most outrageous—and tragic—genius. Today, Jimi Hendrix (1942 – 1970) is celebrated as the greatest rock guitarist of all time. But before he was setting guitars and the world aflame, James Marshall Hendrix was a shy kid in Seattle, plucking at a broken ukulele. Bringing Hendrix ' s story to vivid life against the backdrop of midcentury rock, and interweaving

new interviews with friends, lovers, bandmates, and his family, Wild Thing vividly reconstructs Hendrix ' s remarkable career, from playing segregated clubs on the Chitlin ' Circuit to achieving stardom in Swinging London. Skydog: The Duane Allman Story Da Capo Press, Incorporated With striking intimacy and candor, Eric Clapton tells the story of his eventful and inspiring life

in this poignant and honest autobiography. More than a rock star, Eric Clapton is an icon, a living embodiment of the history of rock music. Well known for his reserve in a profession marked by self-promotion, flamboyance, and spin, he now chronicles, for the first time, his remarkable personal and professional journeys. Born illegitimate in 1945 and raised by his grandparents, Eric never knew his father and, until

the age of nine, believed his actual mother to be his sister. In his early teens his solace was the guitar, and his incredible talent would make him a cult hero in the clubs of Britain and inspire devoted fans to scrawl “Clapton is God” on the walls of London’s Underground. With the formation of Cream, the world’s first supergroup, he became a worldwide superstar, but conflicting personalities tore the band apart within two years. His stints in Blind

Faith, in Delaney and Bonnie and Friends, and in Derek and the Dominos were also short-lived but yielded some of the most enduring songs in history, including the classic “Layla.” During the late sixties he played as a guest with Jimi Hendrix and Bob Dylan, as well as the Beatles, the Rolling Stones, and longtime friend George Harrison. It was while working with the latter that he fell for George’s wife, Pattie Boyd, a seemingly unrequited love that led

him to the depths of despair, self-imposed seclusion, and drug addiction. By the early seventies he had overcome his addiction and released the bestselling album 461 Ocean Boulevard, with its massive hit “I Shot the Sheriff.” He followed that with the platinum album Slowhand, which included “Wonderful Tonight,” the touching love song to Pattie, whom he finally married at the end of 1979. A short time later, however, Eric had

replaced heroin with alcohol as his preferred vice, following a pattern of behavior that not only was detrimental to his music but contributed to the eventual breakup of his marriage. In the eighties he would battle and begin his recovery from alcoholism and become a father. But just as his life was coming together, he was struck by a terrible blow: His beloved four-year-old son, Conor, died in a freak accident. At an earlier time Eric might have

coped with this tragedy by fleeing into a world of addiction. But now a much stronger man, he took refuge in music, responding with the achingly beautiful “Tears in Heaven.” Clapton is the powerfully written story of a survivor, a man who has achieved the pinnacle of success despite extraordinary demons. It is one of the most compelling memoirs of our time.

A Year in Colors
Algonquin Books
From personalities and

entertainers Kian Lawley and Jc Caylen comes a completely wild and entirely true account of their rise to internet fame: Kian and Jc: Don't Try This at Home! More than 7 million YouTube subscribers, 5 million Twitter followers, and 5 million Instagram followers cannot wait for this sometimes hilarious, sometimes awkward, and always crazy collection of stories, interviews, and exclusive photos. HarperCollins
This book is a work of fiction, based on real-life characters and the events that transpired during a halcyonic period of personal musical growth and enlightenment which occurred between 1981-1983 in Columbus, Ohio. Many of the names have been changed to protect the not-so-innocent, even though most of them are no longer alive, may their souls truly rest in peace. Some of the more recognizable names of musicians and bands that occur in the book were retained, solely to provide

context and because the stories they are associated with are true. In short, this is a fictional work told in an anecdotal fashion. There was no need to sensationalize the accounts of the absurdities contained herein because of the desire of the author to make the work more digestible to any reader of sound mind. The Making of an American Classic University of Illinois Press
#1 NEW YORK TIMES BEST SELLER • John Grisham takes you to a different kind of court in his first basketball novel. Samuel "Sooley"

Sooleymon is a raw, young talent with big hoop dreams—and even bigger challenges off the court.

“ Hard to put down ... the pages turn quickly ... building to a climax that won ’ t leave readers doubting whether this is a John Grisham novel. ”

—Associated Press In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been

on an airplane. The opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an astonishing vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee

camp. Samuel desperately wants to go home, but it ’ s just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn ’ t immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself

in the gym, and soon he ' s dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, Sooley showcases John Grisham ' s unparalleled storytelling powers in a whole new light. This is Grisham at the top of his game.

traces his Liverpool upbringing, artistic influences, creative pursuit of original punk sounds, and emergence in the MTV world.

From Zero to Sideman
John Wiley & Sons
An epic, genre-bending, and transformative new series that reimagines World War II with female soldiers fighting on the front lines.
World War II, 1942. A court decision makes women subject to the draft and eligible for service. The unproven

American army is going up against the greatest fighting force ever assembled, the armed forces of Nazi Germany. Three girls sign up to fight. Rio Richlin, Frankie Marr, and Rainy Schulterman are average girls, girls with dreams and aspirations, at the start of their lives, at the start of their loves. Each has her own reasons for volunteering: Rio fights to honor her sister; Frankie needs money

for her family; Rainy wants to kill Germans. For the first time they leave behind their homes and families—to go to war. These three daring young women will play their parts in the war to defeat evil and save the human race. As the fate of the world hangs in the balance, they will discover the roles that define them on the front lines. They will fight the greatest war the world has ever known.

Perfect for fans of *Girl in the Blue Coat*, *Salt to the Sea*, *The Book Thief*, and *Code Name Verity*, from New York Times bestselling author Michael Grant.
