Touching Spirit Bear Kids Can Press Ltd

Over a span of four years, the author studied the activities of one family of beavers as it went about its business.

Arrow to the Sun Hachette UK

In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscall in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a

poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

Christian Modesty Simon and Schuster

The Beaver: Its Life and Impact is designed to satisfy the curiosity and answer the questions of anyone with an interest in these animals, from students who enjoy watching beaver ponds at nature centers to homeowners and land managers. Color and black-and-white photographs document every aspect of beaver behavior and biology, the variety of their constructions, and the habitats that depend on their presence. A second edition of *The Beaver: Ecology and Behavior of a Wetland Engineer*, published by Cornell University Press under its Comstock Publishing Associates imprint in 2003, this book has been revised throughout and includes a new section on population genetics and features updated data about the beaver's range in North America, reintroduction efforts in Europe, and information about the world's largest beaver dam, discovered in northern Alberta in 2010 and visible from space, as well as the most current bibliography on the subject. As this book shows, the beaver is a keystone species—their skills as foresters and engineers create and maintain ponds and wetlands that increase biodiversity, purify water, and prevent

large-scale flooding. Biologists have long studied their daily and seasonal routines, family structures, and dispersal patterns. As human development encroaches into formerly wild areas, property owners and government authorities need new, nonlethal strategies for dealing with so-called nuisance beavers. At the same time, the complex behavior of beavers intrigues visitors at parks and other wildlife viewing sites because it is relatively easy to observe.

Mammals of Illinois Chelsea Green Publishing

The time spent with her "revolutionary" tutor opens 10-year-old Sasha's eyes to more of life in turn-of-the-century Russia than her somewhat sheltered existence as the daughter of a doctor, had previously allowed her to experience.

Badir and the Beaver Bloomsbury Publishing USA

From the bestselling author of *Swindle* and *Ungifted* comes the funny, fantastic story of an underachiever who ends up achieving much more than any overachiever could ever imagine. Cameron Boxer is very happy to spend his life avoiding homework, hanging out with his friends, and gaming for hours in his basement. It's not too hard for him to get away with it . . . until he gets so caught up in one game that he almost lets his house burn down around him. Oops. It's time for some serious damage control—so Cameron and his friends invent a fake school club that will make it seem like they're doing good deeds instead of slacking off. The problem? Some kids think the club is real—and Cameron is stuck being president. Soon Cameron is part of a mission to save a beaver named Elvis from certain extinction. Along the way, he makes some new friends—and some powerful new enemies. The guy who never cared about anything is now at the center of everything . . . and it's going to

take all his slacker skills to win this round.

Busy Beaver, The Portage & Main Press

Inspired by the childhood of NFL superstars Tiki and Ronde Barber, this middle grade novel is a story of teamwork, perseverance, and what it takes to be a champion. “ Hut! Hut! Go long, Tiki! ” Tiki and Ronde ’ s twelfth summer is winding down—the nights are getting shorter and the evenings cooler. That means two things: The first day of junior high is just a few days away, and it ’ s almost the start of football season at last. With two championships and an 8-2 season last year, Tiki and Ronde are ready to graduate from the Peewee League and hit the field as starting players for the Hidden Valley Eagles. But junior high is a lot bigger than elementary school. The competition for starting spots is stiff, and seniority rules. If Tiki and Ronde make it past tryouts and cuts, will they get the chance to play, or will they have to spend the season watching from the bench with the other seventh graders?

The Lion, the Witch and the Wardrobe is the second book in C. S. Lewis's The Chronicles of Narnia, a series that has become part of the canon of classic literature, drawing readers of all ages into a magical land with unforgettable characters for over fifty years. Four adventurers step through a wardrobe door and into the land of Narnia, a land enslaved by the power of the White Witch. But when almost all hope is lost, the return of the Great Lion, Aslan, signals a great change . . . and a great sacrifice. This ebook contains the complete text and art. Illustrations in this ebook appear in vibrant full color on a full-color ebook device and in rich black-and-white on all other devices. This is a stand-alone read, but if you would like to explore more of the Narnian realm, pick up The Horse and His Boy, the third book in The Chronicles of Narnia.

With his beloved black cat Grimalkin as his constant companion, the young Quaker boy Benjamin West discovers and develops his talent as an artist.

Nature from Your Back Door Random House Books for Young Readers

Learn the importance of having skills for wilderness survival. Offer

students a variety of objective and subjective questions. Get a clear understanding of the setting by comparing 1768 with today. Explore the concept of stereotyping with Matt's interaction with Attean. Students write an alternate ending to the incident with the bear that reflects how they would have reacted in that situation. Match vocabulary words found in the novel with their meanings. Write an editorial for the local newspaper for or against the use of leg traps. Compare Attean's, Matt's and today's society and culture by finding similarities and differences between food, housing and clothing. Aligned to your State Standards, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: A story of wilderness survival in 18th Century Maine, about a young boy who is caught between two worlds. Shortly after Matt and his father finish building a cabin on their new settlement, Matt finds himself alone in the Maine wilderness with his nearest neighbor several miles away. With his father returning to civilization to get their family, Matt ’ s adventures begin. Matt is stung nearly to death by a swarm of bees, but manages to survive with the help of two local Natives—Attean and his grandfather, Saknis. As the summer progresses, the two boys have a number of adventures together, including killing an angry bear. In autumn, Matt is rejoined with his parents just after the snow flies.

I Can't Have Bannock but the Beaver Has a Dam American Mathematical Soc.

#1 NEW YORK TIMES BESTSELLER • Bren é Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she ’ s showing us how to put those ideas into practice so we can step up and lead. Don ’ t miss the five-part Max docuseries Bren é Brown: Atlas of the Heart! ONE OF BLOOMBERG ’ S BEST BOOKS OF THE YEAR Leadership is not about titles, status, and wielding power. A

leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don ’ t pretend to have the right answers; we stay curious and ask the right questions. We don ’ t see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don ’ t avoid difficult conversations and situations; we lean into vulnerability when it ’ s necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we ’ re choosing not to invest in developing the hearts and minds of leaders at the exact same time as we ’ re scrambling to figure out what we have to offer that machines and AI can ’ t do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Bren é Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In Dare to Lead, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, “ One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It ’ s learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It ’ s why we ’ re here. ” Whether you ’ ve read Daring Greatly and Rising Strong or you ’ re new to Bren é Brown ’ s work, this book is for anyone who wants to step up and into brave leadership.

Vitamin Sea Turtleback Books

“ Unexpectedly delightful reading—there is much to learn from the buck-toothed rodents of yore ” (National Post). Beavers, those icons of industriousness, have been gnawing down trees, building dams, shaping the land, and creating critical habitat in North America for at least a million years. Once one of the continent ’ s most ubiquitous mammals, they ranged from the Atlantic to the Pacific, and from the Rio Grande to the edge of the northern tundra. Wherever there was wood and water, there were beavers—sixty million, or more—and wherever there were beavers, there were intricate natural communities that depended on their activities. Then the European fur traders arrived. Once They Were Hats examines humanity ’ s fifteen-thousand – year relationship with *Castor canadensis*, and the beaver ’ s even older relationship with North American landscapes and

ecosystems. From the waterlogged environs of the Beaver Capital of Canada to the wilderness cabin that controversial conservationist Grey Owl shared with pet beavers; from a bustling workshop where craftsmen make beaver-felt cowboy hats using century-old tools to a tidal marsh where an almost-lost link between beavers and salmon was recently found, it's a journey of discovery to find out what happened after we nearly wiped this essential animal off the map, and how we can learn to live with beavers now that they're returning. " Fascinating and smartly written. " —The Globe and Mail (Toronto)

Calico Bush Learning Express (NY)

National Book Award Winner The red words painted on the trailer caused quite a buzz around town and before an hour was up, half of Antler was standing in line with two dollars clutched in hand to see the fattest boy in the world. Toby Wilson is having the toughest summer of his life. It's the summer his mother leaves for good; the summer his best friend's brother returns from Vietnam in a coffin. And the summer that Zachary Beaver, the fattest boy in the world, arrives in their sleepy Texas town. While it's a summer filled with heartache of every kind, it's also a summer of new friendships gained and old friendships renewed. And it's Zachary Beaver who turns the town of Antler upside down and leaves everyone, especially Toby, changed forever. With understated elegance, Kimberly Willis Holt tells a compelling coming-of-age story about a thirteen-year-old boy struggling to find himself in an imperfect world. At turns passionate and humorous, this extraordinary novel deals sensitively and candidly with obesity, war, and the true power of friendship. When Zachary Beaver Came to Town is the winner of the 1999 National Book Award for Young People's Literature. This title has Common Core connections.

Jones is a feisty six-year-old with an endearing penchant for honesty. " --Time

Lily Pond ECW/ORIM

From a Newbery Medal – winning author, an " exciting novel " about a colonial girl's experience during the French and Indian War (Saturday

Review). In the year 1754, the stillness of Charlestown, New Hampshire, is shattered by the terrifying cries of an Indian raid. Young Miriam Willard, on a day that had promised new happiness, finds herself instead a captive on a forest trail, caught up in the ebb and flow of the French and Indian War. It is a harrowing march north. Miriam can only force herself to the next stopping place, the next small portion of food, the next icy stream to be crossed. At the end of the trail waits a life of hard work and, perhaps, even a life of slavery. Mingled with her thoughts of Phineas Whitney, her sweetheart on his way to Harvard, is the crying of her sister's baby, Captive, born on the trail. Miriam and her companions finally reach Montreal, a city of shifting loyalties filled with the intrigue of war, and here, by a sudden twist of fortune, Miriam meets the prominent Du Quesne family, who introduce her to a life she has never imagined. Based on an actual narrative diary published in 1807, Calico Captive skillfully reenacts an absorbing facet of history. " Vital and vivid, this short novel based on the actual captivity of a pre-Revolutionary girl of Charlestown, New Hampshire, presents American history with force and verve. " —Kirkus Reviews

Beaver Dam Rocking Chair Marathon Teacher Created Resources

This beloved Indigenous classic begins when a little boy asks, " Mom, can I have some bannock? " Despite having all the ingredients, Mom can't make bannock. As the little boy asks " why, " beginning readers learn about the connections between living things in an ecosystem through the ripple effects of a beaver building a dam. Children will be eager to chime in as Mom answers the little boy's questions about the power outage in their community and how it impacts his family. Enjoy Mom's bannock with your young reader using the recipe in the back of the book.
