*The Centennial History of Kutztown, Pennsylvania* Harmony

Part memoir, part tribute, and all great storytelling ... Music industry veterans Robbie Robertson, Jim Guerinot, Jared Levine, and Sebastian Robertson invite young readers to share with them in celebrating twenty-seven musical legends. Short profiles chronicle personal stories and achievements of extraordinarily talented artists whose innovations changed the landscape of music for generations to come. Carefully compiled like any great playlist, the line-up features originators, rebels, and risk-takers across diverse genres. From Ray Charles to Johnny Cash, Chuck Berry to Bob Dylan, Robertson shares anecdotes about these artists and the influence they had on his own musical journey. Always respectful of their reader, the writers never shy away from speaking about the difficult challenges these recording artists faced and the very human foibles that sometimes led to their tragic end. Most of all, it's the authors' passion and insights into these personal stories of creativity and collaboration -- and the power of music to shine a light on injustice and foster change -- that will fascinate, enlighten, and inspire music fans of all ages.

*The Joker: A Celebration of 75 Years* Tundra Books

Most people want partners in their personal lives, and many businesses start with some form of partnership structure. Yet so many personal and professional partnerships disintegrate, sometimes quickly. That's one reason why our own partnership seems so amazing, even miraculous, to people who know us. "How do you do it?" they constantly ask. "How have you spent so many years living and working together 24/7 without killing each other?" A general business/how-we-did-it-book, *Smart Partners* outlines the methods and thinking we've used to achieve financial success while also keeping our personal partnership alive and interesting. Drawing on our unique experiences both personally and professionally, we present principles for building, sustaining, and growing not merely serviceable relationships in business and life, but true partnerships. Partnerships are a big deal—not just specific partnerships, but the very idea of partnership. That's why, from the very inception of a relationship, partners should proceed slowly, cautiously, thoughtfully, going "all in," and doing whatever they can to keep the relationship vibrant and healthy. They should honor their relationship at every turn, and with all their strength. No matter what business you're in you can transcend your sense of "me" to create a very powerful "we." It's a matter of concentrating on partnership, committing to it, and embracing the right practices—such as choosing your partner well, negotiating proper roles, planning for your mutual success, and adjusting so as to overcome challenges as they arise. Fundamentally, it's about looking beyond yourself so as to share business and life with another person. None of this is easy, of course, but it's so worth it. Read our stories, learn our partnership principles, and apply them to your life. We think you'll discover what we have long known: We is better than me. And the truth is, anyone can be a smart partner.

*Laser Video Guide* Signed, Sealed, Delivered

1906 bestseller shockingly reveals intolerable labor practices and unsanitary working conditions in the Chicago stockyards as it tells the brutally grim story of a Slavic family that emigrates to America full of optimism but soon descends into numbing poverty, moral degradation, and despair. A fiercely realistic American classic that will haunt readers long after they've finished the last page.

*Nina Sankovitch's American Rebels* explores, for the first time, the intertwined lives of the Hancock, Quincy, and Adams families, and the role each person played in sparking the American Revolution. Before they were central figures in American history, John Hancock, John Adams, Josiah Quincy Junior, Abigail Smith Adams, and Dorothy Quincy Hancock had forged intimate connections during their childhood in Braintree, Massachusetts. Raised as loyal British subjects who quickly saw the need to rebel, their collaborations against the Crown and Parliament were formed years before the revolution and became stronger during the period of rising taxes and increasing British troop presence in Boston. Together, the families witnessed the horrors of the Boston Massacre, the Battles of Lexington and Concord, and Bunker Hill; the trials and tribulations of the Siege of Boston; meetings of the Continental Congress; transatlantic missions for peace and their abysmal failures; and the final steps that led to the signing of the Declaration of Independence. *American Rebels* explores how the desire for independence cut across class lines, binding people together as well as dividing them—rebels versus loyalists—as they pursued commonly-held goals of opportunity, liberty, and stability. *Nina Sankovitch's* new book is a fresh history of our revolution that makes readers look more closely at Massachusetts and the small town of Braintree when they think about the story of America's early years.

*Claddagh and Chaos* Harper

Presents an insightful approach to the sacraments from the perspective and actual practice of Latinos over the centuries. This work offers a distinctive take on the belief and enculturation of the sacraments in the Latino experience and context. It is suitable for theology courses, as well as directors of ministerial programs and their students.

*Out of the Ashes* St. Martin's Press

The kitchen knife jammed into his cold heart pinned a cardboard sign to his well-toned chest. It read: Santa Says You've Been Bad!!! Ho, Ho, Ho! It's Christmas, but Lieutenant Eve Dallas is in no mood to celebrate. While her charismatic husband Roarke plans a huge, glittering party, Eve has murder on her mind. The victim - personal trainer Trey Ziegler - was trouble in life and is causing even more problems in death. Vain, unfaithful and vindictive, Trey had cultivated a lot of enemies. Which means Eve has a lot of potential suspects. And when she and Detective Peabody uncover Trey's sinister secret, the case takes a deadly turn. Christmas may be a festival of light, but Eve and Roarke will be forced once more down a very dark path in their hunt for the truth.

*Signed, Sealed, Delivered* Farrar, Straus and Giroux

In the twenty years since its publication, *Celebration of Discipline* has helped over a million seekers discover a richer spiritual life infused with joy, peace, and a deeper understanding of God. For this special twentieth anniversary edition, Richard J. Foster has added an introduction, in which he shares the story of how this beloved and enduring spiritual guidebook came to be. Hailed by many as the best modern book on Christian spirituality, *Celebration of Discipline* explores the "classic Disciplines," or central spiritual practices, of the Christian faith. Along the way, Foster shows that it is only by and through these practices that the true path to spiritual growth can be found. Dividing the Disciplines into three movements of the Spirit, Foster shows how each of these areas contribute to a balanced spiritual life. The inward Disciplines of meditation, prayer, fasting, and study, offer

avenues of personal examination and change. The outward Disciplines of simplicity, solitude, submission, and service, help prepare us to make the world a better place. The corporate Disciplines of confession, worship, guidance, and celebration, bring us nearer to one another and to God. Foster provides a wealth of examples demonstrating how these Disciplines can become part of our daily activities—and how they can help us shed our superficial habits and "bring the abundance of God into our lives." He offers crucial new insights on simplicity, demonstrating how the biblical view of simplicity, properly understood and applied, brings joy and balance to our inward and outward lives and "sets us free to enjoy the provision of God as a gift that can be shared with others." The discussion of celebration, often the most neglected of the Disciplines, shows its critical importance, for it stands at the heart of the way to Christ. Celebration of Discipline will help motivate Christians everywhere to embark on a journey of prayer and spiritual growth.

*Smart Partners* Penguin Random House India Private Limited

"Witty, moving, informative, and inspiring, *Signed, Sealed, Delivered* begins with *Nina Sankovitch's* discovery of trunk filled with a trove of hundred-year old letters in an old house she has just bought with her husband. They are from a Princeton freshman to his mother. *Sankovitch* cannot help think of her own son, who is about to go off to Harvard, and of the letters she's kept and cherished from a beloved sister and from her husband. From there she sets off on a quest to discover the secrets of letter writers and why we find them so fascinating—from the ancient Egyptians to the medieval lovers, Abelard and Heloise, from letters between Benjamin Franklin and his daughter to the notes that President Lincoln receives when his son dies. *Sankovitch* celebrates letters from Edith Wharton to Henry James, F. Scott Fitzgerald to his daughter describing life in Hollywood, James Joyce to his Nora, V.S. Naipaul to his father, young Sam Stewart to Gertrude Stein, Georgia O'Keefe to Alfred Stieglitz, and Rachel Carson to her woman lover. She looks at epistolary novels and her husband's love letters as well as her uncle's letters from his Holocaust exile, and dozens more. Plus her son's brief reports from college on the weather and his allowance. In a beautifully written book, itself a perfect gift, *Nina Sankovitch* reminds us that the letters we write are as important as the ones we wait for"--

*Adventure* Halifax, N.S. : McAlpine

Describes the experiences of women in popular music since the fifties, discusses the importance of style, and looks at how women have overcome the industry's attempts to stereotype them

*Old Misery* St. Martin's Press

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy. *Everybody's Magazine* Simon and Schuster

- An all-in-one volume sharing the history, practice, and viewpoints of Confirmation in the Episcopal Church and the first book on the subject for at least 15 years
- Resolutions regarding Confirmation are coming to the 2015 General Convention
- Includes questions for reflection and study by individuals and groups

Many clergy and educators would say that the rite of Confirmation in the Episcopal Church today is a sacrament in search of a meaning. Some believe Confirmation is an essential rite of passage for adult leadership in the governance of the church. Some believe it is a rite that no longer has a place in the life of the church, understanding the importance that Baptism now holds in the 1979 Book of Common Prayer's ecclesiology. Following a history of how the rite of Confirmation came about and its implications for youth and adults in the church today, voices in the Episcopal Church (bishops, liturgical scholars, confirmation leaders, and youth themselves) offer fresh viewpoints here in a conversational format to engage the reader.

*Mamaleh Knows Best* South End Press

We all know the stereotype of the Jewish mother: Hectoring, guilt-inducing, clingy as a limpet. In *Mamaleh Knows Best*, *Tablet Magazine* columnist Marjorie Ingall smashes this tired trope with a hammer. Blending personal anecdotes, humor, historical texts, and scientific research, Ingall shares Jewish secrets for raising self-sufficient, ethical, and accomplished children. She offers abundant examples showing how Jewish mothers have nurtured their children's independence, fostered discipline, urged a healthy distrust of authority,

---

consciously cultivated geekiness and kindness, stressed education, and maintained a sense of humor. These time-tested strategies have proven successful in a wide variety of settings and fields over the vast span of history. But you don't have to be Jewish to cultivate the same qualities in your own children. Ingall will make you think, she will make you laugh, and she will make you a better parent. You might not produce a Nobel Prize winner (or hey, you might), but you'll definitely get a great human being.

Proceedings of the Most Worshipful Grand Lodge of Ancient Free and Accepted Masons of the Commonwealth of Massachusetts SelectBooks, Inc.

Street-smart, wickedly funny, piercingly perceptive, and eloquent enough to win a Pulitzer Prize, Mike Royko continues to have legions of devoted fans who still wonder “ what Royko would have said ” about some outrageous piece of news. One thing he hardly ever wrote or talked about, though, was his private life, especially the time he shared with his first wife, Carol. She was the love of his life, and her premature death at the age of forty-four shook him to his soul. Mike ’ s unforgettable public tribute to Carol was a heart-wrenching column written on what would have been her forty-fifth birthday, “ November Farewell. ” His most famous and requested piece, it was the end of an untold story. Royko in Love offers that story ’ s moving and utterly beguiling beginning in letters that “ Mick ” Royko, then a young airman, wrote to his childhood sweetheart, Carol Duckman. He had been in love with her since they were kids on Chicago ’ s northwest side, but she was a beauty and he was, well, anything but. Before leaving for Korea, he was crushed to hear she was getting married, but after returning to Blaine Air Force Base in Washington, he learned she was getting a divorce. Mick soon began to woo Carol in a stream of letters that are as fervent as they are funny. Collected here for the first time, Royko ’ s letters to Carol are a mixture of sweet seduction, sarcastic observations on military life, a Chicago kid ’ s wry view of rural folk, the pain of self-doubt, and the fear of losing what is finally so close, but literally so far. His only weapons against Carol ’ s many suitors were his pen, his ardor, and his brilliance. And they won her heart.

Shamrocks and Secrets left us with Patrick asking an intriguing question. Claddagh and Chaos Patrick gives us his take on what exactly happened between the wedding and Declan's trip to Ireland. Does love have a shelf life? Find out for yourself.

Gastro Obscura Zondervan

The Lowells of Massachusetts were a remarkable family. They were settlers in the New World in the 1600s, revolutionaries creating a new nation in the 1700s, merchants and manufacturers building prosperity in the 1800s, and scientists and artists flourishing in the 1900s. For the first time, Nina Sankovitch tells the story of this fascinating and powerful dynasty in The Lowells of Massachusetts. Though not without scoundrels and certainly no strangers to controversy, the family boasted some of the most astonishing individuals in America ’ s history: Percival Lowle, the patriarch who arrived in America in the seventeenth to plant the roots of the family tree; Reverend John Lowell, the preacher; Judge John Lowell, a member of the Continental Congress; Francis Cabot Lowell, manufacturer and, some say, founder of the Industrial Revolution in the US; James Russell Lowell, American Romantic poet; Lawrence Lowell, one of Harvard ’ s longest-serving and most controversial presidents; and Amy Lowell, the twentieth century poet who lived openly in a Boston Marriage with the actress Ada Dwyer Russell. The Lowells realized the promise of America as the land of opportunity by uniting Puritan values of hard work, community service, and individual responsibility with a deep-seated optimism that became a well-known family trait. Long before the Kennedys put their stamp on Massachusetts, the Lowells claimed the bedrock.

The Lowells of Massachusetts Good Press

Nina Sankovitch has always been a reader. As a child, she discovered that a trip to the local bookmobile with her sisters was more exhilarating than a ride at the carnival. Books were the glue that held her immigrant family together. When Nina's eldest sister died at the age of forty-six, Nina turned to books for comfort, escape, and introspection. In her beloved purple chair, she rediscovered the magic of such writers as Toni Morrison, Nathaniel Hawthorne, Ian McEwan, Edith Wharton, and, of course, Leo Tolstoy. Through the connections Nina made with books and authors (and even other readers), her life changed profoundly, and in unexpected ways. Reading, it turns out, can be the ultimate therapy. Tolstoy and the Purple Chair also tells the story of the Sankovitch family: Nina's father, who barely escaped death in Belarus during World War II; her four rambunctious children, who offer up their own book recommendations while helping out with the cooking and cleaning; and Anne-Marie, her oldest sister and idol, with whom Nina shared the pleasure of books, even in her last moments of life. In our lightning-paced culture that encourages us to seek more, bigger, and better things, Nina's daring journey shows how we can deepen the quality of our everyday lives—if we only find the time.
