What is leap year?

How many have we had since the calendar was reformed in 1582?

If you were born on February 29, 1944,

how old would you be? When would you celebrate your golden birthday?

Why are leap years dangerous for

single men? Find the answers to these questions and more

in The Leap Year

Book, a collection of leap year trivia and lore. Discover

what earth-shattering events

occurred on

February 29, what

famous personalities share this erratic birth-rate, and why the advent of the leap year sent bachelors everywhere into a tailspin. With full-colour illustrations throughout, *The Leap Year Book* is the perfect birthday wish for all our leap year sons and daughters.

The Perfect Book for Beginners (50 Classic Projects)

Tuttle Publishing Paper is incredible stuff. It's easy to cut, but incredibly strong. It's disposable, but can last for centuries. It can stand as stiff as a board, pop up like a spring, or float

like a leaf. And its invention changed the world forever. Perfect for kids, parents, and educators, *Paper Inventions* is a project-based book with full color illustrations, step-by-step instructions, supply lists, and templates that allow you to follow along with the book or devise something entirely new. Each chapter features new projects that will challenge and intrigue everyone, from beginning to experienced Makers. In this book, you'll learn to make: A light-

up paper cat that shows how switches and sensors work An action origami robot worm Edible rice paper perfect for secret messages A space rover that moves thanks to paper machinery A paper generator that creates electricity when you tap or rub it Heat-activated paper models that fold themselves A geodesic dome big enough to crawl into--from newspaper! *The Leap Year Book* George Routledge and Sons This is the only

authoritative text of paper folding with this late novel. It reproduces the manuscript which Mark Twain wrote last, and the only one he finished or called the "The Mysterious Stranger." Albert Bigelow Paine's edition of the same name has been shown to be a textual fraud.
