Simple Solutions replaced eight or nine of our windows. I had an excellent experience with them. They were quick. They cleaned up good and they were honest. I only dealt with the owner. Two guys came and did the work. Their pricing is very good. With the pricing from other companies, they were the best ones. Their responsiveness is very good.

Introducing the simplest way to weld Aluminum parts - no expensive equipment required. All you need is a propane torch, and some Simple Aluminum Welding rods. No fluxes and no fumes are required (however, you can use some flux if you feel it will do a better job). Makes a sound joint, stronger than the parent metal, and can join thin and thick parts together.
