Country Living Dell

Dylan Landis has an inside track with the decorating pros. Elegant and Easy Rooms will tell you their opinions on everything from how to arrange furniture in comfortable and imaginative ways to how to choose a color to create a certain mood or period (in the 1940's a particular shade of yellow was the most popular). The chapters include: Paint and Color, Walls, Windows, Problem Rooms--Great Solutions, Home Furnishings, The Art of Display, and Telling Details. There will also be an incredibly useful and valuable appendix listing all the best mail order resources for everyone's decorating needs. It will be illustrated with charming, elegant black and white drawings that will further entice you to upgrade your decor.

Gibbs Smith Publishers

New homeowners who want to create a personalized living space need no-nonsense advice on evaluating their tastes, personality and lifestyle. This guide to decorating from scratch walks readers through styles and colour schemes, outlining decorating options and choices for furnishings, flooring, lighting, windows and walls. Practical solutions will help first-time homeowners or renters deal with budget limitations, small spaces and pesky landlord restrictions. Starting Out with Style will inspire owners and tenants to create a pad with personality.

Bre reveals the secrets to loving where you live right now, while you implement fresh ideas that add beauty and purpose to every room. When you look around your home, what do you see? Imperfections and disappointments around every corner, or a blank canvas just waiting for your creative brushstrokes? Bre Doucette is here to help you break free from your decorating disillusionment with expert advice on how to view your home from a new perspective, overcome the obstacles that keep you from trying new ideas, and be happy in the here and now as you transform your spaces into places filled with warmth, joy, and love. Room by room, Bre will share her expertise and encouragement with you, so you can see your home the way it was intended—as a gift for you and your loved ones to enjoy.

Recreational Sports Directory Barnes & Noble Publishing

The definitive reference on designing commercial interiors-expanded and updated for today's facilities Following the success of the ASID/Polsky Prize Honorable Mention in 1999, authors Christine Piotrowski and Elizabeth Rogers have extensively revised this guide to

planning and designing commercial interiors to help professionals and design students successfully address today's trends and project requirements. This comprehensive reference covers the practical and aesthetic issues that distinguish commercial interiors. There is new information on sustainable design, security, and accessibility-three areas of increased emphasis in modern interiors. An introductory chapter provides an overview of commercial interior design and the challenges and rewards of working in the field, and stresses the importance of understanding the basic purpose and functions of the client's business as a prerequisite to designing interiors. This guide also gives the reader a head start with eight self-contained chapters that provide comprehensive coverage of interior design for specific types of commercial facilities, ranging from offices to food and beverage facilities, and from retail stores to health care facilities. Each chapter is complete with a historical overview, types of facilities, planning and interior design elements, design applications, a summary, references, and Web sites. New design applications covered include spas in hotels, bed and breakfast inns, coffee shops, gift stores and salons, courthouses and courtrooms, and golf clubhouses. In keeping with the times, there are new chapters focusing on senior living facilities and on restoration and adaptive use.

A chapter on project management has been revised and includes everything from proposals and contracts to scheduling and documentation.

Throughout the book, design application discussions, illustrations, and photographs help both professionals and students solve problems and envision and implement distinctive designs for commercial interiors. With information on licensing, codes, and regulations, along with more than 150 photographs and illustrations, this combined resource and instant reference is a must-have for commercial interior design

professionals, students, and those studying for the NCIDQ licensing exam. Companion Web site: www.wiley.com/go/commercialinteriors
