Simplex 4010ES Fire Alarms Installation manual PDF View ...

The Simplex 4010ES fire alarm system is a highly flexible and

powerful 1,000-point addressable analog system for small- to mid-sized facilities. Unlike many systems of this size, points can be used for detectors, modules or manual stations as needed to meet the requirements of each building. Labor-saving features such as device-level ground fault isolation and almost dirty smoke sensor status ...
