The Gospel
According to Mark
Canongate Books
A startling
exploration of the
history of the most
controversial book
of the Bible, by
the bestselling
author of Beyond
Belief. Through the
bestselling books
of Elaine Pagels,
thousands of
readers have come
to know and
treasure the
suppressed biblical
texts known as the
Gnostic Gospels. As

one of the world's
foremost religion
scholars, she has
been a pioneer in
interpreting these
books and
illuminating their
place in the early
history of
Christianity. Her
new book, however,
tackles a text that
is firmly,
dramatically within
the New Testament
canon: The Book of
Revelation, the
surreal apocalyptic
vision of the end
of the world . . .
or is it? In this
startling and
timely book, Pagels
returns The Book of
Revelation to its
historical origin,
written as its
author John of

Patmos took aim at
the Roman Empire
after what is now
known as "the
Jewish War," in 66
CE. Militant Jews
in Jerusalem, fired
with religious
fervor, waged an
all-out war against
Rome's occupation
of Judea and their
defeat resulted in
the desecration of
Jerusalem and its
Great Temple.
Pagels persuasively
interprets
Revelation as a
scathing attack on
the decadence of
Rome. Soon after,
however, a new sect
known as
"Christians" seized
on John's text as a
weapon against
heresy and infidels

of all kinds—Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, *Revelations* explores how often those in power throughout history have sought to force "God's enemies" to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

Paul Createspace
Independent Publishing Platform
With an all-new introduction by the author, N. T. Wright's classic work helps us grow in our understanding of the historical Jesus within first-century Palestine while challenging us to follow Jesus more faithfully into the

postmodern world of the twenty-first century.

A New Vision for Israel
Fortress Press
The renowned biblical scholar, author of *The Misunderstood Jew*, and general editor for *The Jewish Annotated New Testament* interweaves history and spiritual analysis to explore Jesus' most popular teaching parables, exposing their misinterpretations and making them lively and relevant for modern readers. Jesus was a skilled storyteller and perceptive teacher who used parables from everyday life to effectively convey his message and meaning. Life in first-century Palestine was very different from our world today, and many traditional interpretations of Jesus' stories ignore this disparity and have often allowed anti-Semitism and misogyny to color their perspectives. In this wise, entertaining, and educational book, Amy-Jill Levine offers a fresh, timely reinterpretation of Jesus' narratives. In *Short Stories by Jesus*, she analyzes these "problems with parables," taking readers back in time to understand how their original Jewish audience understood them. Levine reveals the parables' connections to

first-century economic and agricultural life, social customs and morality, Jewish scriptures and Roman culture. With this revitalized understanding, she interprets these moving stories for the contemporary reader, showing how the parables are not just about Jesus, but are also about us—and when read rightly, still challenge and provoke us two thousand years later.

Stranger in a Strange Land
Liturgical Press
Ranks the Apostle Paul as "one of the most powerful and seminal minds of the first or any century," and argues that we can now sketch with confidence a new and more nuanced picture of Paul and the radical way in which his encounter with Jesus redefined his life, his mission and his expectations for a world made new in Christ.

Reprint.
Zondervan
The renowned scholar, Anglican bishop, and bestselling author widely considered to be the heir to C. S. Lewis contemplates the central event at the heart of the Christian faith—Jesus' crucifixion—arguing that the Protestant Reformation did not go far enough in transforming our understanding of its meaning. In *The Day the Revolution Began*, N. T. Wright once again challenges commonly held Christian beliefs as he did in his acclaimed *Surprised by Hope*. Demonstrating the rigorous

intellect and breathtaking knowledge that have long defined his work, Wright argues that Jesus' death on the cross was not only to absolve us of our sins; it was actually the beginning of a revolution commissioning the Christian faithful to a new vocation—a royal priesthood responsible for restoring and reconciling all of God's creation. Wright argues that Jesus' crucifixion must be understood within the much larger story of God's purposes to bring heaven and earth together. *The Day the Revolution Began* offers a grand picture of Jesus' sacrifice and its full significance for the Christian faith, inspiring believers with a renewed sense of mission, purpose, and hope, and reminding them of the crucial role the Christian faith must play in protecting and shaping the future of the world.

The Meaning of Jesus

Zondervan

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples.

Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave *The New Testament in Its World Workbook* HarperOne

Today's leading Bible scholar, Anglican bishop, and acclaimed author N. T. Wright returns with a collection of pastoral excerpts, carefully curated from his widely

celebrated books, that will inspire those wanting to cultivate a life "on earth as it is in heaven." Modern pastors and their flocks have long considered N. T. Wright a role model for being a thoughtful Christian in today's world. His bestselling books, including *Simply Christian*, *Surprised by Hope*, *Simply Jesus*, and *After You Believe*, have guided Christians in their belief and practice of the faith. Now, Christians can rely on his wisdom to guide them through each day of their lives with this thoughtful book of daily meditations, featuring short selections from his classic works. With reflections on themes such as faith, mission, character, and God's work in the world, these daily meditations will invigorate and uplift Christians in their search to live their faith authentically and biblically in today's world.

The Day the Revolution Began

HarperCollins

From top Jesus expert Marcus Borg, a completely updated and revised version of his vision of Jesus—as charismatic healer, sage, and prophet, a man living in the power of the spirit and dedicated to radical social change. Fully revised and updated, this is Borg's major book on the historical Jesus. He shows how the Gospel portraits of Jesus, historically seen, make sense. Borg takes into account all the recent developments in historical Jesus scholarship, as well as new theories on who Jesus was and how the Gospels reflect that. The original

version of this book was published well before popular fascination with the historical Jesus. Now this new version takes advantage of all the research that has gone on since the 80s. The revisions establish it as Borg's big but popular book on Jesus.

Surprised by Scripture Harper Collins

Spengler's work describes how we have entered into a centuries-long "world-historical" phase comparable to late antiquity, and his controversial ideas spark debate over the meaning of historiography.

Revelation Canongate Books

Was Jesus born of a virgin?

Did he know he was the

Messiah? Was he bodily

resurrected from the dead?

Did he intentionally die to

redeem humankind? Was

Jesus God? Two leading

Jesus scholars with widely

divergent views go right to

the heart of these questions

and others, presenting the

opposing visions of Jesus

that shape our faith today.

Faith Unraveled InterVarsity

Press

This collection of essays arises from the lively discussions in the Formation of the Book of Isaiah Seminar of the Society of Biblical Literature. The essays exhibit the diversity that has always been present in the Seminar. Each contributor has a unique perspective and thus extends the frontiers of

research on the book of Isaiah. Yet, taken as a whole, the essays fall into two broad groups, being either 'objective' in their approach to the text—embracing historical-critical method or a synchronic approach in which text rather than reader is the focus—or 'postmodern', in the sense that meaning is in no small degree located in what the reader does. In addition to the editors, the contributors are Mark Biddle, David Carr, Edgar Conrad, Chris Franke, Kathryn Pfisterer Darr, Rolf Rendtorff, Gerald Sheppard, Benjamin Sommer, Gary Stansell, and Roy Wells.

Who Was Jesus? Convergent Books

Who was Jesus? A prophet? There have been many of those. A miracle-worker? A radical revolutionary? A wise teacher? There have been many of these, too. In his latest book, renowned Scripture scholar Gerhard Lohfink asks, What is unique about Jesus of Nazareth, and what did he really want? Lohfink engages the perceptions of the first witnesses of his life and ministry and those who handed on their testimony. His approach is altogether historical and critical, but he agrees with Karl Barth's statement that "historical criticism has to be more critical." Lohfink takes seriously the fact that Jesus was a Jew and lived entirely in and out of Israel's faith experiences but at the same time brought those experiences to their goal and fulfillment. The result is a convincing and profound picture of Jesus.

The Book of Longings Harper Collins

"This book began life as a series of sermons preached in Lichfield Cathedral in Advent 1995"--Prologue.

Jesus of Nazareth Simply Jesus

Jefferson regarded Jesus as a moral guide rather than a divinity. In his unique interpretation of the Bible, he highlights Christ's ethical teachings, discarding the scriptures' supernatural elements, to reflect the deist view of religion.

Scripture and the Authority of God Harper Collins

In *Simply Jesus*, bestselling author and leading Bible scholar N.T. Wright summarizes 200 years of modern Biblical scholarship and models how Christians can best retell the story of Jesus today. In a style similar to C.S. Lewis's popular works, Wright breaks down the barriers that prevent Christians from fully engaging with the story of Jesus. For believers confronting the challenge of connecting with their faith today, and for readers of Timothy Keller's *The Reason for God*, Wright's *Simply Jesus* offers a provocative new picture of how to understand who Jesus was and how Christians should relate to him today.

Simply Good News Bloomsbury

Publishing

Simply Jesus Harper Collins

The Acts of the Apostles Wm. B. Eerdmans Publishing

A thoughtful and provocative collection, in the vein of the intellectual spiritual classic *The Weight of Glory*, from N. T. Wright, the influential Bishop, Bible scholar, and bestselling author widely regarded as a modern C. S. Lewis. An unusual combination of scholar, churchman, and leader, N. T. Wright—hailed by *Newsweek* as "the world's leading New Testament scholar"—is not only incredibly insightful, but conveys his knowledge in terms that excite and inspire Christian leaders worldwide, allowing them to see the Bible from a fresh viewpoint. In this challenging and stimulating collection of popular essays, sermons, and talks, Wright provide a series of case studies which explore how the Bible can be applied to some of the most pressing contemporary issues facing us, including: Why it is possible to love the Bible and affirm evolution Why women should be allowed to be ordained Where Christians today have lost focus, and why it is

important for them to engage in politics—and why that involvement benefits everyone. Why the Christian belief in heaven means we should be at the forefront of the environmental movement. And much more. Helpful, practical, and wise, *Surprised by Scripture* invites readers to examine their own hearts and minds and presents new models for understanding how to affirm the Bible in today's world—as well as new ideas and renewed energy for deepening our faith and engaging with the world around us.

Simply Christian Penguin

N. T. Wright offers a comprehensive account and defense of his perspective on the crucial doctrine of justification. Along the way Wright responds to critics, such as John Piper, who have challenged what has come to be called the New Perspective. Ultimately, he provides a chance for those in the middle of and on both sides of the debate to interact directly with his views and form their own conclusions.

Short Stories by Jesus Courier Corporation

The most important development in recent historical Jesus studies is the attempt to understand the ministry of Jesus in "political" terms. In calling the nation of Israel to repentance, Jesus served as a national prophet concerned with the salvation of Israel. Scot

McKnight furthers this line of inquiry by showing how Jesus' teachings are to be understood in relation to his role as a political figure. McKnight looks closely at Jesus' teachings on God, the kingdom, and ethics, demonstrating in each case how Jesus' mission to restore Israel brings his teachings into a bold new light.
