The Publishers Weekly Taylor & Francis

The most up-to-date book on the subject gives women all the essential information on diagnosis and treatment of autoimmune medical conditions The Autoimmune Connection explains the links between autoimmune diseases and offers up-to-date information on diagnosis, treatments, and risks for women with one or more autoimmune disease, such as lupus, rheumatoid arthritis, or Crohn's disease. You will will learn how to sort out vague and seemingly unrelated early signs and symptoms; which diagnostic tests they may need and what the results can mean; how autoimmune diseases and treatments can affect you at different stages of life; what new treatments and therapies are on the horizon; and where to find the proper specialist and how to navigate the health-care system NEW: Major breakthroughs in the treatment of rheumatoid arthritis, thyroid disease, diabetes, Celiac, multiple sclerosis NEW: Potential environmental triggers for autoimmunity, such as cigarette smoke, crystalline silica, asbestos, mercury, lead, viruses and other microbes, pesticides, pollutants, solvents, and petroleum byproducts NEW: Current drugs on the market and recently discovered side effects and long-term complications connected to existing drug therapies NEW: Healthcare law reform provisions and key changes to Medicare and Medicaid

My Tomorrow Bliss Ink LLC

For military cartoonists the absurdity of war inspires a laugh-or-cry response and provides an endless source of un-funny amusement. Cartoons by hundreds of artists-at-arms from more than a dozen countries and spanning two centuries are included in this study--the first to consider such a broad range of military comics. War and military life are examined through the inside jokes of the men and women who served. The author analyzes themes of culture, hierarchy, enemies and allies, geography, sexuality, combat, and civilian relations and describes how comics function within a community. A number of artists included were known for their work with Disney, Marvel Comics, the New Yorker and Madison Avenue but many lesser known artists are recognized.

Cowboy to the Altar WestBow Press

Fans of Pamela Kelley and Robyn Carr will love this small-town, feel-good romance! Mia Costas is a successful artist, not an event planner. Agreeing to help stage a charity gala is the last thing she needs, but it’s for a good cause and she doesn’t want to let her friends down. When she realizes how important the event is, she knows she’s not the best person for the job—and so will the director of the hospital if he discovers who she is. Stan Lewis, the Director of Bozeman Deaconess Hospital, needs to organize the biggest fundraising event Montana has ever seen. An event staging company could be the answer to all his problems or create more than he ever imagined. With the hopes of more than one child resting on their shoulders, Stan and Mia work together to create a night no one will forget. And maybe, if they let themselves believe in the power of love, they can create a little magic of their own. Coming Home is the first book in the Montana Promises series and can easily be read as a stand-alone. All of Leeanna's series are linked. If you find a character you like, they could be in another novel. Happy reading! Praise for Leeanna Morgan's Books: "I am addicted to Leeanna Morgan's books! The only problem with them is that I hate coming to the end of one, and can't wait for the next good read. I love how she weaves the characters together, and draws you right into their lives. If you haven't discovered her, please do give her books a try. You won't be disappointed, except for not having found her sooner!" "I thoroughly enjoyed this book! I couldn't put it down. I purchased it today and finished it just now. Captivating story from beginning to end. Definitely a five-star book." Other Novels by Leeanna Morgan: Emerald Lake Billionaires: Book 1: Sealed with a Kiss (Rachel and John) Book 2: Playing for Keeps (Sophie and Ryan) Book 3: Crazy Love (Holly and Daniel) Book 4: One And Only (Elizabeth and Blake) Emerald Lake Billionaires: Books 1-3 The Protectors: Book 1: Safe Haven (Hayley and Tank) Book 2: Just Breathe (Kelly and Tanner) Book 3: Always (Mallory and Grant) Book 4: The Promise (Ashley and Matthew) The Protectors Boxed Set: Books 1-3 Montana Promises: Book 1: Coming Home (Mia and Stan) Book 2: The Gift (Hannah and Brett) Book 3: The Wish (Claire and Jason) Book 4: Country Love (Becky and Sean) Montana Promises Boxed Set: Books 1-3 Sapphire Bay: Book 1: Falling For You (Natalie and Gabe) Book 2: Once In A Lifetime (Sam and Caleb) Book 3: A Christmas Wish (Megan and William) Book 4: Before Today (Brooke and Levi) Book 5: The Sweetest Thing (Cassie and Noah) Book 6: Sweet Surrender (Willow and Zac) Sapphire Bay Boxed Set: Books 1-3 Sapphire Bay Boxed Set: Books 4-6 Santa’s Secret Helpers: Book 1: Christmas On Main Street (Emma and Jack) Book 2: Mistletoe Madness (Kylie and Ben) Book 3: Silver Bells (Bailey and Steven) Book 4: The Santa Express (Shelley and John) Book 5: Endless Love (The Jones Family) Santa’s Secret Helpers Boxed Set: Books 1-3 Return To Sapphire Bay: Book 1: The Lakeside Inn (Penny and Wyatt) Book 2: Summer At Lakeside (Diana and Ethan) Book 3: A Lakeside Thanksgiving (Barbara and Theo) Book 4: Christmas At Lakeside (Katie and Peter) The Cottages on Anchor Lane: Book 1: The Flower Cottage (Jackie and Richard) Book 2: The Starlight Café (Andrea and David) Book 3: The Cozy Quilt Shop (Shona and Greg) Book 4: A Stitch in Time (Laura and Joseph) Keywords: Heartwarming, small town romance, holiday, friendship, family life, series, Montana, relationships, love, wedding, bride, bridesmaid,

family saga, mystery, hospital, family relationships, second chances, inspirational, clean & wholesome, doctor, love, second chance.

Unplugging Popular Culture Harlequin

Media narratives inform our ideas of the future - and Games are currently making a significant contribution to this medial reservoir. On the one hand, Games demonstrate a particular propensity for fantastic and futuristic scenarios. On the other hand, they often serve as an experimental field for the latest media technologies. However, while dystopias are part of the standard gaming repertoire, Games feature utopias much less frequently. Why? This anthology examines playful utopias from two perspectives. It investigates utopias in digital Games as well as utopias of the digital game; that is, the role of ludic elements in scenarios of the future.

God’s Amazing Grace: Reconciling Four Centuries of African American Marriages and Families Amber Book Company

Beauty and the...cowboy! If Morgan Muir wanted to play at cowboys and Indians, Jason Delaney wasn't going to stand in her way. He just wished she hadn't chosen his ranch as her playground. Morgan might have a good reason for wanting to find out about ranching life but Jason didn't care. There was no room for a model at the Six-Gate Corral—no matter how cute. There had been one Mrs. Jason Delaney...he was determined there would never be a second! Morgan Muir was dangerous—already she was threatening to destroy the three things that he most valued: his solitude, his sense of being invulnerable and his resolve that Jason Delaney and women didn't mix—period! From the author of Family Man.

Acting Badly Raincoast Saga

The teenage Luned left her farm with the dream of becoming a scholar-nun on Tintagel. Her hard-won success is now thrown into danger by the arrival of a bitter nine-year-old. Accused of trying to kill her baby brother Arthur, Morgan is imprisoned on this island nunnery. Luned is appointed her guardian. The Abbess Bryvyth battles for Morgan's soul. But Tintagel is visited secretly by Morgan's nurse Gwennol, a wise woman of the Old Religion. Luned herself is endangered as she is caught up in the struggle between them. She is coming ever more surely under Morgan's power. As she grows towards womanhood, Morgan must decide how to use that power.

Blood of the Inheritor Lexington Books

What is the alt-right? What do they believe, and how did they take center stage in the American social and political consciousness? From a loose movement that lurked in the shadows in the early 2000s, the alt-right has achieved a level of visibility that has allowed it to expand significantly throughout America’s cultural, political, and digital landscapes. Racist, sexist, and homophobic beliefs that were previously unspeakable have become commonplace, normalized, and accepted—endangering American democracy and society as a whole. Yet in order to dismantle the destructive movement that has invaded our public consciousness, we must first understand the core beliefs that drive the alt-right. To help guide us through the contemporary moment, historian Alexandra Minna Stern excavates the alt-right memes and tropes that have erupted online and explores the alt-right’s central texts, narratives, constructs, and insider language. She digs to the root of the alt-right’s motivations: their deep-seated fear of an oncoming “white genocide” that can only be remedied through swift and aggressive action to reclaim white power. As the group makes concerted efforts to cast off the vestiges of neo-Nazism and normalize their appearance and their beliefs, the alt-right and their ideas can be hard to recognize. Through careful analysis, Stern brings awareness to the underlying concepts that guide the alt-right and animate its overlapping forms of racism, xenophobia, transphobia, and anti-egalitarianism. She explains the key ideas of “red-pilling,” strategic trolling, gender essentialism, and the alt-right’s ultimate fantasy: a future where minorities have been removed and “cleansed” from the body politic and a white ethnostate is established in the United States. By unearthing the hidden mechanisms that power white nationalism, Stern reveals just how pervasive this movement truly is.

The Comic Art of War Rogan Press

"The first lie I told myself was that he was just an old friend. I wish it had been the only lie because the other lies would destroy us all. I close my eyes as I hear him speak. I take one very long and deep breath hoping to calm the immediate butterflies that take flight in my stomach and hope to slow down the racing of my heart. The voice was slightly deeper but the timbre was one that was achingly familiar. My actions did little to help, but then who was I kidding? A deep breath wasn't going to fix the effect he had on me and my body's inevitable reaction. Even the memories that would forever haunt me couldn't keep my emotions from triggering at the nearness of him once again. I used to pray that I'd find the strength to move on from him, from the pain that the end carried, from the emptiness in my chest, but ultimately move on from--the loss of Creed Sullivan and the death of his sister, Cora."--Amazon.com

Playing Utopia Cate Beauman

Even the smartest among us can feel inept as we fail to figure out which light switch or oven burner to turn on, or whether to push, pull, or slide a door. The fault, argues this ingenious—even liberating—book, lies not in ourselves, but in product design that ignores the needs of users and the principles of cognitive psychology. The problems range from ambiguous and hidden controls to arbitrary relationships between controls and functions, coupled with a lack of feedback or other assistance and unreasonable demands on memorization. The Design of Everyday Things shows that good, usable design is possible. The rules are simple: make things visible, exploit natural relationships that couple function and control, and make intelligent use of constraints. The goal: guide the user effortlessly to the right action on the right control at the right time. In this entertaining and insightful analysis, cognitive scientist Don Norman hails excellence of design as the most important key to regaining the competitive edge in influencing consumer behavior. Now fully expanded and updated, with a new introduction by the author, The Design of Everyday Things is a powerful primer on how—and why—some products satisfy customers while others only frustrate them.

Kindle the Fire CreateSpace

As in the lives of people we all know, this story presents a dozen fictional Santa Feans trying to love, yet mistreating, each other the week before US forces invade Iraq. “The aggression that dominates American life today,” says author Michael Scofield, “goads them into brandishing their dark sides.” Married realtor Maxine Morgan, for instance, coaxes conservative mortgage broker Ron Kirkpatrick (and others) into bed. Ron’s not-quite-yet-psychotic wife Lila tries to seduce handyman Victor Valdez. High-tech writer Manny Barnes falsely promises his fiancée to give up in-your-face activism. CPA Chuck Ridley leaves his family for Silicon Valley CEO Bret, who changes his mind about war. In an ambiance of black humor and misfiring sex, readers will find themselves embracing Maxine’s attempt to escape from nymphomania after meeting a retired war correspondent, Victor’s desperate scheme to care for his mother while returning to carving Santos,

Lila’s plan to destroy Maxine, Manny’s longing to give Joyce a baby, and Chuck’s joy in discovering he’s gay. You’ll laugh a lot--but you’ll also weep to see how our increasing turmoil at home in the United States mirrors our ongoing behavior overseas. Yale University graduate MICHAEL SCOFIELD received his MFA in Writing from Vermont College in 2002. Currently he teaches creative-writing skills to half a dozen students one-on-one. The author of two books of poems, "Silicon Valley Escapee" (2000) and "Whirling Backward into the World" (2006), he also has published books on bird-watching and do-it-yourself upholstering. Before moving to Santa Fe, New Mexico in 1995, his wife and he ran a high-tech marketing-communications business from their home in Palo Alto, California.

Transformational Sales Leadership: Sales Leader Perspectives offers viewpoints from 12 leaders across the global sales industry, all of which challenge conventional sales models and promote visionary ways of thinking about sales and leadership. The leaders who share their professional stories in the book are from organizations including SAP, Google, Nationwide US, and Royal Caribbean, as well as their own practices, and they represent a new breed of salespeople who are increasingly sought after by organizations which need to transform their practices. They run teams, drive analytics, and improve operational excellence, and their careers rise or fall on getting the right KPIs. Their stories address solutions to age-old sales problems, but they bring a new perspective to the sales function in the digital age. The book focuses on what sales leaders need in order to be innovative. Specifically, the book shows you how to: • Coach sales people through disruption; • Leverage the most valuable habits for success; and • Provide for meaning and purpose in the hyper-connected and volatile sales industry. If you are a sales professional looking to succeed in challenging scenarios, the journeys recounted in this book demonstrate how the landscape of sales has changed and how thinking about sales differently can help you transform your career.

The practical guide to investing in emerging markets Though potentially risky, investing in emerging markets can offer extremely attractive returns. Opportunities in Emerging Markets offers practical advice for investors based on the real life experiences—both positive and negative—of practitioners, pioneer investors, and local heroes with experience in frontier markets. Exploring how every developing market has its own unique regional cultures and social structures that change the way investors invest, and must be understood in order to make wise investments, the book combines standard approaches to investing with the exigencies of frontier markets to create an invaluable framework for success. A collection of useful ideas that investors—institutions, general partners, limited partners, or shareholders—can draw upon when investing money in emerging markets, the book includes essential information on one of the most attractive opportunities for beating traditional markets and investments. If access, downside, and predictability can be managed, there's a great deal of money to be made in emerging markets, and this book shows how. Both investors and investment managers need to understand fundamental success factors, real framework conditions, and hidden pitfall and in Opportunities in Emerging Markets, author Gordian Gaeta analyses these intricacies in depth. Gives investors of all kinds the information they need to succeed in emerging markets Incorporates real life experiences—both good and bad—to help readers avoid common mistakes and maximize their returns Includes interviews with Mark Mobius, Jim Rogers, Marc Faber, and other leading names in the emerging markets sector For those traders brave enough to engage in high-risk/high-return investing, Opportunities in Emerging Markets is an excellent overview of the world's toughest frontier markets and how to conquer them. Featuring interviews with some of the top investors in the field, this is the definitive guide to the perils and pitfalls of investing in these highly volatile markets.

New York is about as far away from Iowa as you can get and when Natalie Vasser leaves her home for the big city after college graduation, everything seems possible. The past four years have been spent with Ethan, the only man she's ever loved, and she wants to be there for him as he follows his dream. Reality soon sets in though and she realizes life in New York City isn't what she expects. Making the rent and paying the bills becomes priority, not each other. Times are hard and emotions are strained, but Natalie's certain her future is with Ethan...that is until she meets Drew Saben. The more she gets to know Drew, the more she starts to wonder if maybe the life she's planned for herself isn't the one she wants after all. How far will she have to fall until she discovers what she truly wants?

Approaching the topic from several subdisciplinary points of view within music studies, this edited collection addresses the role that music plays in opposing tyranny or solidifying tyrannical power around the world.

*If Tomorrow Never Comes* AuthorHouse

“God’s Amazing Grace: Reconciling Four Centuries of African American Marriages and Families is an insightful study that will be welcomed by thoughtful practitioners and all who ponder the African American family’s complexity. Readers familiar with the deep, rich reservoir of African American family literature will recognize many of the black scholars referenced in this work. Readers unfamiliar with these sources will be grateful to discover them and the effective use of disparate literature. “This work will become a different kind of guide for studying American history through the lens of the African American family. Underneath all the research is the search for answers to the compelling questions: Is there a correlation between slave owners’ denial to slaves, God’s design for the family, and the familial chaos that has plagued African American families for more than a hundred fifty years? And if there is connection, what is it? “The author has brought something new to a familiar topic of discussion—the Bible. The unique moral compass that steered this study is solidly anchored in the bedrock of holy scripture. In this work, the history and sociology of African American marriages are examined in light of the questions asked by Holy Scripture. In so doing, Dr. Turner skillfully attempts to help readers make sense of the story of black families in America. May this book mark the beginning to a new reality for African American families” (Dr. Willie Peterson, senior executive advisor, adjunct professor of Pastoral Ministries, Dallas Theological Seminary).
