The Book of Two Ways Simon and Schuster  
From #1 "New York Times" bestselling author Jodi Picoult, this astonishing novel is "another winner....Picoult cleverly examines the modern world of reproductive science, how best to nurture a child and what, exactly, being a family means" ("People"). Music has set the tone for most of Zoe Baxter's life. There's the melody that reminds her of the summer she spent rubbing baby oil on her stomach in pursuit of the perfect tan. A dance beat that makes her think of using a fake ID to slip into a nightclub. A dirge that marked the years she spent trying to get pregnant. In the aftermath of a series of personal tragedies, Zoe throws herself into her career as a music therapist. When an unexpected friendship slowly blossoms into love, she makes plans for a new life, but to her shock and inevitable rage, some people—even those she loves and trusts most—don't want that to happen. "A carefully constructed, multilayered novel about the transformative power of storytelling" ("Newsday"), "Sing You Home" deals with identity, love, marriage, and parenthood. It's about people wanting to do the right thing for the greater good, even as they work to fulfill their own personal desires and dreams. And it's about what happens when the outside world brutally calls into question the very thing closest to our hearts: "family."

An uneasy alliance is formed; Poleski will keep the Rosen family safe if Eli will manage the business. Will Poleski honor his promise or will their relationship end in betrayal and tragedy? 1946: Eli resides with his son in a displaced persons camp in Allied-occupied Germany hoping for a visa to America. His wife has been missing since the war. One man is sneaking around the camps selling illegal visas; might he know what has happened to her? 1965: Eli rents a room in Albany Park, Chicago. He is on a mission. With patience, cunning, and relentless focus, he navigates unfamiliar streets and dangerous political backrooms, searching for the truth. Powerful and emotional, Ronald H. Set against the construction of the Eiffel Tower, this novel charts the relationship between a young Scottish widow and a French engineer who, despite constraints of class and wealth, fall in love. In February 1887, Caitriona Wallace and Émile Nougier meet in a hot air balloon, floating high above Paris, France--a moment of pure possibility. But back on firm ground, their vastly different social strata become clear. Cait is a widow who because of her precarious financial situation is forced to chaperone two wealthy Scottish charges. Émile is expected to take on the bourgeois stability of his family's business and choose a suitable wife. As the Eiffel Tower rises, a marvel of steel and air and light, the subject of extreme controversy and a symbol of the future, Cait and Émile must decide what their love is worth. Seamlessly weaving historical detail and vivid invention, Beatrice Colin evokes the revolutionary time in which Cait and Émile live--one of corsets and secret trysts, duels and Bohemian independence, strict tradition and Impressionist experimentation. To Capture What We Cannot Keep, stylish, provocative, and shimmering, raises probing questions about a woman's place in that world, the overarching reach of class distinctions, and the sacrifices love requires of us all.
