Singapore Math, Grade 3 Carson-Dellosa Publishing

Cambridge Global English (1-6) is a six-level Primary course following the Cambridge Primary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. Activity Book 4 provides additional practice activities to consolidate language skills and content material introduced in Learner's Book 4. Nine units correspond with the topics, texts and language input of Learner's Book 4 with each lesson of the Learner's Book supported by two pages in the Activity Book. Learning is reinforced through activities clearly framed within the 'I can' objectives of the course, opportunities for personalisation and creative work and a higher level of challenge to support differentiation. Each unit in the Activity Book ends with revision and opportunity for self-assessment. CEFR Level: towards A2.

Singapore Math Challenge Word Problems, Grades 4 - 6 Carson-Dellosa Publishing

Singapore Math creates a deep understanding of each key math concept, includes an introduction explaining the Singapore Math method, is a direct complement to the current textbooks used in Singapore, and includes step-by-step solutions in the answer key.
