Singer and the Sewing Machine

Three of London's most admired and desired ladies—these women share more in common than grace, beauty and charm. Each with their own special talent, together they are three of England's greatest spies. From the Desk of Lady M Meredith Sinclair is one of my best agents. She is stunning, witty and resourceful. She sparkles at every gala and can conquer any man with a whisper and a smile. Her target: Tristan Archer, Marquis of Carmichael. Known as a proud and powerful member of society, he also once saved Meredith's life. She should trade on her seductive wiles and their prior relationship, if necessary. Her mission: To uncover a treacherous plot and bring a potential traitor to justice. Potential weaknesses: The dashing marquis's bold, intimate caress. His devilish good looks. And his devastating kiss that could bring even the best spy to her knees . . .
