Phonics Lessons and Word Study Lessons reflect the most current research on child and language development. Fountas and Pinnell understand that to some extent children follow their own idiosyncratic paths, but they also recognize that developmental patterns provide a foundation upon which to build the smartest instruction possible. Fountas and Pinnell's Word Study Continuum plots a course along the developmental pathway children traverse as they become expert word solvers and effective readers. To address young readers' developmental needs, Phonics Lessons, Kindergarten includes four essential areas of language knowledge: phonemic awareness, letters and sounds, reading words, and early reading concepts. Phonics Lessons, Grade 1 expands into more sophisticated concepts and includes six areas of knowledge: phonemic awareness, letters and sounds, reading words, writing words, processing strategies in reading, and processing strategies in writing. Students in grade 2 will move into more sophisticated reading and writing concepts within these six areas, and students in grade 3 will focus on even more advanced areas of language with the addition of vocabulary, fluency in reading and writing, and word meaning. The Word Study Continuum encompasses Nine Categories of Learning: Early Literacy Concepts Phonological and Phonemic Awareness Letter Knowledge Letter/Sound Relationships Word Meaning High-Frequency Words Spelling Patterns Word Structure Word-Solving Actions

Learning to Read with Rhyme, Rhythm, and Repetition Createspace Independent Publishing Platform Divine Vengeance weaves intrigue and drama through the accurate and volatile historical events of the Cathar wars in thirteenth century France. A brutal massacre sponsored by the Pope. Brother Raimon cannot reconcile the dissonance between his faith and the violence. Nor can he rationalize his love for a Guilelma, a Cathar heretic. What starts as offering a helping hand, soon turns into organized aid for fleeing heretics. Now Raimon is captured attempting to sabotage the trebuchet Malvoisine, and he is to be burned at the stake...along with 180 heretics...and the woman he loves. Sadly the brutality of crusade leader Simon de Montfort is not contrived. The Cathar crusade was the first pogrom aimed at a Christian region. It led to the dark years of the Inquisition and set a concerning tone that influenced Western thought for centuries. Action, intrigue, geography, an era of history rife with contradictions, and an unrequited love. Join the adventure!

Fix-it Phonics Level 3 - Student Book 1 Createspace Independent Publishing Platform

As a mom of two little boys, I was inspired to share humorous stories of my two sons through their toddler years (which are not yet quite over). This book contains twenty two pages of hand-drawn illustrations showcasing a mother of two little boys coming to the realization she can't have nice things, at least for a little while. While names have been changed to protect the "innocent", these stories are all true. The books ends on a sweet note that all parents share, that sacrificing nice things for our sweet children really isn't difficult at all.
