Written by a former vice president of Focus on the Family, this is a book for Christians who want to take the high road in the personal and corporate war on culture. Far from a prescription for apathy, this book is a passionate call to Kingdom activity--and our mission as ambassadors to a world Christ died for, not as conquerors who would remake it in our image.

Seminar paper from the year 2019 in the subject American Studies - Comparative Literature, grade: 1,0, Leiden University, language: English, abstract: This paper analyses if intertextuality in Jonathan Edward's Sermon "Sinners in the Hands of an Angry God" is a veracity mechanism. Jonathan Edwards delivered a sermon in Enfield, Connecticut, during the time of the so-called First Great Awakening (1730-1755) that is known by the title "Sinners in the Hands of an Angry God". This sermon combines vivid imagery of Hell with quotations from and plenty of allusions to the Bible. Reverend Steven Williams, who in his diary calls it "a very awakening sermon," also notes that even "before the sermon was done there was a great moaning and crying out through the whole house [...] so that the minister was obliged to desist". The question thus arises, which elements or rhetorical aspects of the speech might have amplified the reactions of the crowd? Sinners in the Hands of an Angry God Chapel Library

Although "Sinners in the Hands of an Angry God" was delivered to Edwards's congregation in Northampton in June 1741, it is forever remembered for its effect on the congregation in the frontier town of Enfield, Connecticut, on Wednesday, 8 July 1741. An eyewitness described an audience so moved by the sermon that people moaned, shrieked, and cried out for salvation while the preacher was

speaking. Apparently the reaction was so strong that Edwards was unable to finish the sermon, "possibly the only time such an interruption had happened to him except for the day several years earlier when the gallery of the old Northampton meetinghouse fell." This edition includes a summary of the sermon, a short biography of Jonathan Edward's life, and an overview of the "Great Awakening."

Sinners in the hands of an angry God. A Sermon [on Deut. xxxii. 35] preached at Enfield, July 8th, 1741 ... With a preface by ... John Willison Readaclassic.com
Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God ' s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon ' s conclusion. Edwards puts it this way, " And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners. " While those who would rather ignore God ' s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, " Before the sermon was done there was a great moaning and crying through the whole House, ' what shall I do to be saved; oh, I am going to hell, etc. ' " The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, " the amazing and astonishing power of God " was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

Sinners in the Hands of an Angry God is the best known work of Jonathan Edwards, preeminent pastor and theologian. It was providentially used during the First Great Awakening to open the minds and hearts of many to the reality of God's existence and the fierceness of his coming judgment. With vivid imagery and an unrelenting pressing, Edwards warns of the horrors of hell, prodding his listeners to flee the coming wrath and run to Christ. This volume also includes another classic Edwards sermon, Love the Sum of All virtue. Both sermons have been updated for modern readers, keeping all of Edwards' ideas and voice, but presented in a form that today's readers can easily digest.

Pastor Brian Zahnd began "to question the theology of a wrathful God who delights in punishing sinners, and has started to explore the real nature of Jesus and His Father. The book isn't only an interesting look at the context of some modern theological ideas; it's also offers some profound insight into God's love and eternal plan." —Relevant Magazine (Named one of the Top 10 Books of 2017) God is wrath? Or God is Love? In his famous sermon "Sinners in the Hands of an Angry God," Puritan revivalist Jonathan Edwards shaped predominating American theology with a vision of God as angry, violent, and retributive. Three centuries later, Brian Zahnd was both mesmerized and terrified by Edwards' wrathful God. Haunted by fear that crippled his relationship with God, Zahnd spent years praying for a divine experience of hell. What Zahnd experienced instead was the Father's love—revealed perfectly through Jesus Christ—for all prodigal sons and daughters. In *Sinners in the Hands of a Loving God*, Zahnd asks important questions like: Is seeing God primarily as wrathful towards sinners true or biblical? Is fearing God a normal expected behavior? And where might the natural implications of this theological framework lead us? Thoughtfully wrestling with subjects like Old Testament genocide, the crucifixion of Jesus, eternal punishment in hell, and the final judgment in Revelation, Zahnd maintains that the summit of divine revelation for sinners is not God is wrath, but God is love.

Sinners in the Hands of an Angry God Harper Collins

Jonathan Edwards' sermon *Sinners in the Hands of an Angry God* is arguably the most famous sermon ever preached. It is an eloquent but passionate plea to take God's displeasure with man as the dire circumstance that it is. A profound love for sinners and a pastor's heart motivated Edwards to preach this immortal address, a message as relevant today as it was then. His comprehensive urging of "natural man" to be born again is a masterful exercise in addressing all arguments that God's judgment and condemnation of sinners to hell can be averted by any effort of mankind. He speaks of man's schemes and man's wisdom as utter foolishness. Edwards backs up every claim he makes with Holy Scripture. He well knows that there are people in the very congregation he is speaking to that will scoff and rebelliously turn their deaf ear to it and thereby die without excuse. How about you dear reader? Will you harken to God's fervent plea to you through His faithful servant Jonathan Edwards and be saved by His grace? Will you rejoice in the power, love and mercy of God, and no longer be bound by fear of death? To read this minister's powerful warnings offers yet another chance to be saved from a God that is both justly angry over sin and yet still willing, able and ready to save us through the atoning death of His dear Son the Lord Jesus Christ. The message is a fiery one, but that's the point. Read it and live! As an added bonus this edition also includes the famous address by C. H. Spurgeon, "Turn or Burn."

Sinners in the Hands of an Angry God

"Sinners in the Hands of an Angry God" combines vivid imagery of Hell with observations of the world and citations of the scripture. It is Edwards' most famous written work, is a fitting representation of his preaching style, and is widely studied by Christians and historians, providing a glimpse into the theology of the Great Awakening of c. 1730 – 1755. The sermon emphasizes the belief that Hell is a real place. Edwards hoped that the imagery and language of his sermon would awaken audiences to the horrific reality that he believed awaited them should they continue without calling on Christ to be saved. The underlying point is that God has given humanity a chance to confess their sins. Edwards says that it is the mere will of God that keeps wicked men from the depths of Hell. This act of restraint has given humanity a chance to mend their ways and return to Christ.
