"Sinners in the Hands of an Angry God" combines vivid imagery of Hell with observations of the world and citations of the scripture. It is Edwards' most famous written work, is a fitting representation of his preaching style, and is widely studied by Christians and historians, providing a glimpse into the theology of the Great Awakening of c. 1730–1755. The sermon emphasizes the belief that Hell is a real place. Edwards hoped that the imagery and language of his sermon would awaken audiences to the horrific reality that he believed awaited them should they continue without calling on Christ to be saved. The underlying point is that God has given humanity a chance to confess their sins. Edwards says that it is the mere will of God that keeps wicked men from the depths of Hell. This act of restraint has given humanity a chance to mend their ways and return to Christ.

Sometimes, grace gets messy. Caleb Kaltenbach was raised by LGBT parents, marched in gay pride parades as a youngster, and experienced firsthand the hatred and bitterness of some Christians toward his family. But then Caleb surprised everyone, including himself, by becoming a Christian...and a pastor. Very few issues in Christianity are as divisive as the acceptance of the LGBT community in the church. As a pastor and as a person with beloved family members living a gay lifestyle, Caleb had to face this issue with courage and grace. Messy Grace shows us that Jesus's command to "love your neighbor as yourself" doesn't have an exception clause for a gay "neighbor"—or for that matter, any other "neighbor" we might find it hard to relate to. Jesus was able to love these people and yet still hold on to his beliefs. So can you. Even when it's messy. "Messy Grace is an important contribution to the conversation about sexual identity for churches and leaders. Caleb's story is surprising and unique, and he weaves it together compellingly. He states his views clearly, leaves room for disagreement, and champions love no matter where you are in this conversation." —Jud Wilhite, Sr. Pastor, Central Christian Church

Sinners in the Hands of an Angry God Sermons of Jonathan Edwards
Jonathan Edwards "Sinners in the Hands of an Angry God" is a sermon written by British Colonial Christian theologian Jonathan Edwards, preached to his own congregation in Northampton, Massachusetts to unknown effect, and again on July 8, 1741 in Enfield, Connecticut. Like Edwards' other works, it combines vivid imagery of Hell with observations of the world and citations of the scripture. It is Edwards' most famous written work, is a fitting representation of his preaching style, and is widely studied by Christians and historians, providing a glimpse into the theology of the Great Awakening of c. 1730-1755. This is a typical sermon of the Great Awakening, emphasizing the belief that Hell is a real place. Edwards hoped that the imagery and message of his sermon would awaken his audience to the horrific reality that awaited them should they continue without Christ. The underlying point is that God has given humanity a chance to rectify their sins. Edwards says that it is the will of God that keeps wicked men from the depths of Hell. This act of restraint has given humanity a chance to mend their ways and return to Christ.

Written by a former vice president of Focus on the Family, this is a book for Christians who want to take the high road in the personal and corporate war on culture. Far from a prescription for apathy, this book is a passionate call to Kingdom activity--and our mission as ambassadors to a world Christ died for, not as conquerors who would remake it in our image.

In May 2012, God performed a real-life miracle when He removed a so called fatal blood clot from inside my heart. A Sinner in the Hands of a Loving God deals with God's love rather than the judgment of God as described by Jonathan Edwards in a sermon entitled Sinners in the Hands of an Angry God. "...it would be dreadful to suffer this fierceness and wrath of Almighty God one moment, but you must suffer it for all eternity. There will be no end to this exquisite horrible misery." —Jonathan Edwards, July 8th, 1741. By following the simple and dynamic guidelines in this easy-to-read book, you'll be challenged to place your faith entirely in the word of God. This book gives undeniable proof the Bible is the word of God, and God does hear and answer our prayers.

Pastor Brian Zahnd began "to question the theology of a wrathful God who delights in punishing sinners, and has started to explore the real nature of Jesus and His Father. The book isn't only an interesting look at the context of some modern theological ideas; it's also offers some profound insight into God's love and eternal plan." —Relevant Magazine (Named one of the Top 10 Books of 2017) God is wrath? Or God is Love? In his famous sermon "Sinners in the Hands of an Angry God," Puritan revivalist Jonathan Edwards shaped predominating American theology with a vision of God as angry, violent, and retributive. Three centuries later, Brian Zahnd was both mesmerized and terrified by Edwards' wrathful God. Haunted by fear that crippled his relationship with God, Zahnd spent years praying for a divine experience of hell. What Zahnd experienced instead was the Father's love—revealed perfectly through Jesus Christ—for all prodigal sons and daughters. In Sinners in the Hands of a Loving God, Zahnd asks important questions like: Is seeing God primarily as wrathful towards sinners true or biblical? Is fearing God a normal expected behavior? And where might the natural implications of this theological framework lead us? Thoughtfully wrestling with subjects like Old Testament genocide, the crucifixion of Jesus, eternal punishment in hell, and the final judgment in Revelation, Zahnd maintains that the summit of divine revelation for sinners is not God is wrath, but God is love. Although "Sinners in the Hands of an Angry God" was delivered to Edwards's congregation in Northampton in June 1741, it is forever remembered for its effect on the congregation in the frontier town of Enfield, Connecticut, on Wednesday, 8 July 1741. An eyewitness described an audience so moved by the sermon that people moaned, shrieked, and cried out for salvation while the preacher was speaking. Apparently the reaction was so strong that Edwards was unable to finish the sermon, "possibly the only time such an interruption had happened to him except for the day several years earlier when the gallery of the old Northampton meetinghouse fell." This edition includes a summary of the sermon, a short biography of Jonathan Edwards' life, and an overview of the "Great Awakening." In The Unseen Realm, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's The Unseen Realm seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "'How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Jonathan Edwards' sermon Sinners in the Hands of an Angry God is arguably the most famous sermon ever preached. It is an eloquent but passionate plea to take God's displeasure with man as the dire circumstance that it is. A profound love for sinners and a pastor's heart motivated Edwards to preach this immortal address, a message as relevant today as it was then. His comprehensive urging of "natural man" to be born again is a masterful exercise in addressing all arguments that God's judgment and condemnation of sinners to hell can be averted by any effort of mankind. He speaks of man's schemes and man's wisdom as utter foolishness. Edwards backs up every claim he makes with Holy Scripture. He well knows that there are people in the very congregation he is speaking to that will scoff and rebelliously turn their deaf ear to it and thereby die without excuse. How about you dear reader? Will you harken to God's fervent plea to you through His faithful servant Jonathan Edwards and be saved by His grace? Will you rejoice in the power, love and mercy of God, and no longer be bound by fear of death? To read this minister's powerful warnings offers yet another chance to be saved from a God that is both

justly angry over sin and yet still willing, able and ready to save us through the atoning death of His dear Son the Lord Jesus Christ. The message is a fiery one, but that's the point. Read it and live! As an added bonus this edition also includes the famous address by C. H. Spurgeon, "Turn or Burn."

Can an orthodox Christian, committed to the historic faith of the Church and the authority of the Bible, be a universalist? Is it possible to believe that salvation is found only by grace, through faith in Christ, and yet to maintain that in the end all people will be saved? Can one believe passionately in mission if one does not think that anyone will be lost forever? Could universalism be consistent with the teachings of the Bible? In *The Evangelical Universalist* the author argues that the answer is 'yes!' to all of these questions. Weaving together philosophical, theological, and biblical considerations, he seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology.

These are questions most believers and seekers have asked, and they are biblically answered by author David Clotfelter. Contrasting the theologies of Jonathan Edwards with George MacDonald, the author reconciles the difficult doctrines of divine judgement and predestination. Sure to be thought-and discussion-provoking message.

SELECTED SERMON - SINNERS IN THE HANDS OF AN ANGRY GOD (1741) by Jonathan Edwards
Jonathan Edwards (October 5, 1703 - March 22, 1758) was a preacher, theologian, and missionary to Native Americans. Edwards's theological work is very broad in scope, but he is often associated with his defense of Reformed theology, the metaphysics of theological determinism, and the Puritan heritage. By the mere pleasure of God, I mean his sovereign pleasure, his arbitrary will, restrained by no obligation, hindered by no manner of difficulty, any more than if nothing else but God's mere will had in the least degree, or in any respect whatsoever, any hand in the preservation of wicked men one moment. The truth of this observation may appear by the following considerations. There is no want of power in God to cast wicked men into hell at any moment. Men's hands cannot be strong when God rises up. The strongest have no power to resist him, nor can any deliver out of his hands.--

Sinners in the hands of an angry God. A sermon on Deut. xxxii. 35 ... Third edition Good Press

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.
