I was going to get my life together, settle down with a normal nine to five guy and have a couple of kids. But after watching my best friend Zoe get everything I thought I wanted, I realized that wasn't for me. I needed adventure and excitement, all the things that the Kings of Hades motorcycle club offered. The only problem was that Jasper was off the menu. I demanded a ring and he said no, so that was the end of that. Simon was just a replacement, someone to have fun with when I wasn't working. We weren't seriously involved. How could I be? He was a member of a rival gang with the nickname "The Reaper." That wasn't the kind of guy you put down roots with. How was I to know that Simon was hell bent on getting revenge on Jasper and the rest of the Kings for something that happened long ago? And that I would be caught in the crossfire?
