The gods grant immortality to the mermaid Sirena when she rescues a human man from the sea and they fall in love, but his mortality creates great conflict between love and honor when he is called to defend Greece in the Trojan War.

Maiden Mermaid - the Tale of Sirena Indiana University Press
A transcendent tale of a woman's self-discovery—the New York Times–bestselling second work of fiction by the author of *The Secret Life of Bees* and *The Book of Longings* Inside the church of a Benedictine monastery on Egret Island, just off the coast of South Carolina, resides a beautiful and mysterious chair ornately carved with mermaids and dedicated to a saint who, legend claims, was a mermaid before her conversion. When Jessie Sullivan is summoned home to the island to cope with her eccentric mother's seemingly inexplicable behavior, she is living a conventional life with her husband, Hugh, a life “molded to the smallest space possible.” Jessie loves Hugh, but once on the island, she finds herself drawn to Brother Thomas, a monk about to take his final vows. Amid a rich community of unforgettable island women and the exotic beauty of marshlands, tidal creeks, and majestic egrets, Jessie grapples with the tension of desire and the struggle to deny it, with a freedom that feels overwhelmingly right, and with the immutable force of home and marriage. Is the power of the mermaid chair only a myth? Or will it alter the course of Jessie's life? What happens will unlock the roots of her mother's tormented past, but most of all, it will allow Jessie to discover selfhood and a place of belonging as she explores the thin line between the spiritual and the erotic.

The Mermaid Atlas Bantam
Still on a mission to find the legendary Sword of Cortâes, the crew of the Barnacle becomes entranced by an ethereal song that pulls them away from their mission, leaving Captain Jack Sparrow to find the source behind the dark spell.
Chamorro Abcs: Animals, Plants, and Things of the Mariana Islands AuthorHouse
“This wonderful book asks us to consider the mermaid . . . across regions, nations, diasporas, and contemporary socio-cultural configurations.” —Paige West, Claire Tow Professor of Anthropology, Barnard College, Columbia University Emerging from the confluence of Greco-Roman mythology and regional folklore, the mermaid has been an enduring motif in Western culture since the medieval period. It has also been disseminated more widely, initially through Western trade and colonization and, more recently, through the increasing globalization of media products and outlets. Scaled for Success offers the first detailed overview of the mermaid’s dispersal outside Europe. Complementing previous studies of the interrelationship between the mermaid and Mami Wata spirit in West Africa, this volume addresses the mermaid’s presence in a range of Middle Eastern, Asian, Australian, Latin American and North American contexts. Individual chapters identify the manner in which the mermaid has been variously syncretized and/or resignified in contexts as diverse as Indian public statuary, Thai cinema and Coney Islands annual Mermaid Parade. Rather than lingering as a relic of a bygone age, the mermaid emerges as a versatile, dynamic and, above all, polyvalent figure. Her prominence exemplifies the manner in which contemporary media-lore has extended the currency of established folkloric figures in new and often surprising ways. Analyzing aspects of religious

symbolism, visual art, literature and contemporary popular culture, this copiously illustrated volume profiles an intriguing and highly diverse phenomenon. “No matter the reader’s background (literature, folklore, media or cultural studies, and beyond), there is no denying that this work will be a valuable addition to the library of anyone fascinated with mermaids.” —Western Folklore

Sirena First Second
Dive into centuries of mermaid lore with these captivating tales from around the world. A Penguin Classic Among the oldest and most popular mythical beings, mermaids and other merfolk have captured the imagination since long before Ariel sold her voice to a sea witch in the beloved Disney film adaptation of Hans Christian Andersen's "The Little Mermaid." As far back as the eighth century B.C., sailors in Homer's Odyssey stuffed wax in their ears to resist the Sirens, who lured men to their watery deaths with song. More than two thousand years later, the gullible New York public lined up to witness a mummified "mermaid" specimen that the enterprising showman P. T. Barnum swore was real. The Penguin Book of Mermaids is a treasury of such tales about merfolk and water spirits from different cultures, ranging from Scottish selkies to Hindu water-serpents to Chilean sea fairies. A third of the selections are published here in English for the first time, and all are accompanied by commentary that explores their undercurrents, showing us how public perceptions of this popular mythical hybrid--at once a human and a fish--illuminate issues of gender, spirituality, ecology, and sexuality.

Take Plato's account of Atlantis and stir in myths of Bimini Island's shape shifting ancestors, toss liberally with a mysteriousseabed. Add curious scuba divers, puzzled scientists and an array of psychics. The recipe is one of intrigue, argument and obsession. Sirena, a Florida mermaid actress, adds deadly to the mix.

Sirena of Salado HarperCollins
One selfless act as a teen unfairly caused Sirena Seafair to forfeit her ability to shift into a mermaid. Fifteen years later, her mundane life is about to change when Jack O'Casey arrives in the Irish town of Grimm Nitch and opens his restaurant, Mermaid Cove. The man is bound and determined to make Sirena his no matter what. But if by chance, Sirena can find a way to reclaim her life as a mermaid, will she leave Jack and her human life behind in exchange for a life beneath the sea? Or will surrendering her heart to love be the magic she's been waiting for all along?

The allure and mystery of mermaids has taken hold of our psyche for ages. From the Irish merrows who come on land to search for human husbands to the fake Fiji Mermaid made popular by P.T Barnum, these sea maidens (and sometimes men) can be found in folklore and mythology from every tradition in the world. Inside this captivating collection, complete with beautiful illustrations throughout, you'll discover the myths surrounding these enigmatic beings, explore the common symbols associated with them, and learn tales of merfolk from around the world. Dive into Mermaids and get swept away!

The Art of Murder Book 1 Publisher by the Sea
Sirena is a young Chamorro girl who loves nature. She ignores her chores as usual to go swimming in the sparkling river, at a time in Guam's history when all is pristine. Her mother utters a curse that will forever change Sirena's life, unless her godmother can help. Based on a universal “tail” of the mystery and origin of mermaids, Sirena: A Mermaid Legend from Guam, is a retelling of a classic for the next generation of Chamorro children and all to dive into.

The Feejee Mermaid and Other Essays in Natural and Unnatural History Simon and Schuster
One hundred years ago. On the foggy Hudson River, a riverboat captain rescues an injured mermaid from the waters of the busiest port in the United States. A wildly popular--and notoriously reclusive--author makes a public debut. A French nobleman seeks a remedy for a curse. As three lives twine together and race to an unexpected collision, the mystery of the Mermaid of the Hudson deepens. A mysterious and beguiling love story with elements of Poe, Twain, Hemingway, and Greek mythology, drawn in moody black-and-white charcoal, Sailor Twain is a study in romance, atmosphere, and suspense. Sailor Twain is one of The Washington Post's Top 10 Graphic/Comic Reads of 2012

This is the second part of the Dark Sea Academy trilogy, and if you haven’t read Mermaid’s Song, you’ll want to do that first. The following description contains spoilers for the first book. What’s the point of being a princess if the whole kingdom hates you? Being a royal should make my life easier, but it only compounds my problems. When my father, the new King of Valora, succeeded the beloved King Tiberius, many of his subjects believed he killed my uncle just to gain the throne. His new policies only make the people hate him more. Just my luck,

they transfer their loathing onto me. Even my best friend and my boyfriend aren’t enough of a buffer, and I’m continually fending off verbal, and sometimes physical, attacks. That’s when my powers start growing... When no one at the academy can—or will—help me learn about my new abilities, I begin to research them on my own. Modern answers seem to be entwined with a terrifying ancient legend. If the lore is true, my destiny is far more tragic than my present problems. And I don’t know if I can change it. Or if I should even try.

Sirena ABDO
The Legend of the Colombian Mermaid is based on the legend of La Sirena De Hurtado, in Valledupar, Colombia. It dates back to 1917 and tells the story of a young girl who defied her parents and went swimming in the river on Good Friday. According to the legend the girl turned into a mermaid because she was cursed for her disobedience and non-observance of Good Friday a traditional Catholic holiday. See the pictures of the monument of La Sirena De Hurtado located at the edge of the Guatapurri River in Valledupar, Colombia. Every summer, the swimming basin attracts hundreds of tourists who want to see the monument of the mermaid and swim in the crystal blue waters of this legendary river.
