APICS, the Performance Advantage

In Don't Mess It Up: How Founders and Their Successors Can Avoid the Clichés That Inhibit Growth, author and six-time second CEO Les Trachtman offers his expertise on the most effective ways to successfully hand off your company to a worthy successor. He also has advice for those who are inheriting a business and want to take it to the next level, as well as for boards who are dealing with these leadership transitions. In his direct, no-nonsense approach, Les shows readers how seemingly harmless business clichés such as "get it right" and "be careful" can have a detrimental effect on a company's future by conveying that such imperative ingredients such as risk and innovation are things to now be avoided. Readers will learn how to: • Understand the metamorphosis required to transition from great founder to great CEO • Know when, and if, it's time to replace yourself • Pick the right successor • Prepare yourself and your company for the fragile transition • Create a successful CEO transition • Separate yourself from the company ?There is likely no one

more experienced in founder transitions than Les Trachtman. He has been an innovative and respected successor at six different companies; let his hard-won advice guide you through your transition and toward success.
