A free preview of *The Yonahlossee Riding Camp for Girls* by Anton DiSclafani including a special essay by the author. A lush, sexy, evocative debut novel of family secrets and girls'-school rituals, set in the 1930s South. It is 1930, the midst of the Great Depression. After her mysterious role in a family tragedy, passionate, strong-willed Thea Atwell, age fifteen, has been cast out of her Florida home, exiled to an equestrienne boarding school for Southern debutantes. High in the Blue Ridge Mountains, with its complex social strata ordered by money, beauty, and girls' friendships, the Yonahlossee Riding Camp for Girls is a far remove from the free-roaming, dreamlike childhood Thea shared with her twin brother on their family's citrus farm—a world now partially shattered. As Thea grapples with her responsibility for the events of the past year that led her here, she finds herself emeshed in a new order, one that will change her sense of what is possible for herself, her family, her country. Weaving provocatively between home and school, the narrative powerfully unfurls the true story behind Thea's expulsion from her family, but it isn't long before the mystery of her past is rivaled by the question of how it will shape her future. Part scandalous love story, part heartbreaking family drama, *The Yonahlossee Riding Camp for Girls* is an immersive, transporting page-turner—a vivid, propulsive novel about sex, love, family, money, class, home, and horses, all set against the ominous threat of the Depression—and the major debut of an important new writer.

If you are reading this book, you are most probably a woman interested in broaching the matter of male chastity. You see, this book is all about male chastity, in other words - self control. The question is, how exactly, can this male chastity thing help you and your partner's sex life? You are probably confused and you don't have to worry, for you are not alone in this. This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now, but could possibly save your sex life. You will learn what the male chastity subject is all about; the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship. At first, the idea of locking your partner's male organ in a device seem strange to you. But overtime, you will find that your partner sees this thing in an altogether new perspective, something that is attractive and quite exciting for him. To some, forceful prevention of erection and orgasm may definitely seem odd, but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. This is because most of those writings are written by men as an outlet to let out their kinky fantasies. It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women's tastes. You are likely to get turned off by these, thinking that the whole male chastity thing is not for you. However, in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light. It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner.

Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we

feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

Gwendoline Summers knows what it is like to baby her husband. Her first book is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be. This is not an enforced babying guide, but rather one to help women who already KNOW that their partners need the security of diapers, a pacifier and a babyish lifestyle, to achieve that goal. This book is not just for women with AB partners but for ALL women whether their partners are AB or not! She takes it step by step in how to slowly get your partner into diapers and other baby items. If your partner is AB then you are already part way there, but if they are non-AB, this book is still for you. It is a guide book along a journey of letting our men express the infancy inside that is so often just beneath the surface.

“ This is one of those special novels—a piece of working magic, warm, funny, and sane. ” —Thomas Pynchon *The whooping crane rustlers are girls. Young girls. Cowgirls, as a matter of fact, all “ bursting with dimples and hormones ”* —and the FBI has never seen anything quite like them. Yet their rebellion at the Rubber Rose Ranch is almost overshadowed by the arrival of the legendary Sissy Hankshaw, a white-trash goddess literally born to hitchhike, and the freest female of them all. Freedom, its prizes and its prices, is a major theme of Tom Robbins ' s classic tale of eccentric adventure. As his robust characters attempt to turn the tables on fate, the reader is drawn along on a tragicomic joyride across the badlands of sexuality, wild rivers of language, and the frontiers of the mind.

[A Woman's Guide To Sissy Babying Her Partner](#) Amberjack Publishing

Gwendoline Summers' first book was the phenomenal success that introduced women to the idea and practice of babying their partner - regardless if they are ABDL or not. Now, she goes further and brings in the concept of turning your partner into a baby GIRL. We all

knew that was the next step, didn't we? Gwendoline walks us on a step-by-step journey as the wives and girlfriends of our partners and takes them back to nappies and babying all for the purpose of making our relationships more dynamic and 'not boring'. A terrific book for all women wanting something special and different in their relationships.

Gwendoline Summers has a special style of writing to women about some of the unique options available to them. She knows what it is like to baby her husband. Her first book is a guide to other women seeking to take their partner in hand and make them the baby they both need him to be. This is not an enforced babying guide, but rather one to help women who already KNOW that their partners need the security of nappies, a dummy and a babyish lifestyle, to achieve that goal. The second book covers the subject in a more extensive way about making your partner into a Sissy Baby - a baby girl And the third book brings up an interesting question: is potty training a thing of the past and is it time to reject it both for your partner and yourself? This book is not just for women with AB partners but for ALL women whether their partners are AB or not! She takes it step by step in how to slowly get your partner into nappies and other baby items. If your partner is AB then you are already partway there, but if they are non-AB, this book is still for you. It is a guidebook along a journey of letting our men express the infancy inside that is so often just beneath the surface.

Modern Parents, Vintage Values Mistress Dede

"Sex change" is a very broad term that refers to the process of a person or animal changing sex. This occurs naturally in some species of animals, but more often the term is used to mean sex reassignment surgery. The term can refer to either male sexual characteristics being substituted for female ones, or vice versa. The male to female substitution is much more common because it is by far the simpler of the two. Intersexual individuals may undergo some form of sex change, most often as children, to take on a clearly defined gender identity. In adults, the process is usually taken by transsexual individuals. Transsexuality occurs when a person's brain identifies with one gender (either male or female) but his or her body's anatomy displays the sexual characteristics of the opposite role. This is called Gender Identity Disorder and undergoing the sex change process is one way to correct this condition. This is a very large and complex topic that has been broken down into five subtopics for this e-book. In the following e-book we will survey the various procedures, not all of them medical, that can come under the heading of "sex change;" take a more in depth look at the sex change operation; cover the differences in making the transition from male to female versus female to male; and look at the topic of forced sex changes that still go on in some countries. While this is still a very controversial subject, it is becoming more and more accepted that Gender Identity Disorder is a medical birth condition that leads to confusion, depression, and frustration in individuals who are born with it. Using therapy or medical procedures to bring the body and brain back into agreement with each other often allows these individuals to lead fuller, happier lives. It is our hope that at the end of this short e-book you have a fuller understanding of this topic, and a broader knowledge base on which to build your own opinions.

"Equally fun, risqué, and informative, this is a welcome addition to sexual health literature." - Publishers Weekly In a culture where female empowerment is used to sell everything from sex toys to soap, most sex education continues to bypass pleasure. The results are stark we've grown accustomed to slut- and prude-shaming and allowed others to dictate how a "good girl" is meant to feel, act, and look. In Girl Boner: The Good Girl's Guide to Sexual Empowerment, August McLaughlin offers an unfiltered blend of personal narrative and practical tips on relationships, solo play, journaling, gender issues, and more. From the perks of "Jilling off" to the 7 types of 'gasms, Girl Boner will "empower you to own your sexual self and enjoy ... your whole life a great deal more." So, what exactly is a girl boner? We dare you to find out.
