The purpose of most of these six proposed amendments is (he says) to get the understanding of the constitution back to what it originally was (regarding these issues), rather than to change its meaning. Two of the six amendments, I think, would have very broad support among the general public (on gerrymandering and

campaign finance).

Six Amendments: How and Why We Should Change the ...

The Sixth Amendment to the United States Constitution sets forth rights related to criminal prosecutions. It was ratified in 1791 as part of the United States Bill of Rights. The Supreme Court has applied most of the protections of this amendment to the states through the Due Process Clause of the Fourteenth Amendment. The Sixth Amendment grants criminal defendants the right to a speedy and public trial by an impartial jury consisting of jurors from the

state and district in which the crime was

After my previous post on the Justice Stevens's new book, I requested a review copy from the publisher, which I have now received. Here are his six proposed Amendments. I'll avoid commenting until I read the entire book (a fairly breezy 133 pages, followed by the Constitution as it stands now, and a list of all JPS clerks).

Since the Constitution was ratified in 1789, more than eleven thousand amendments have died or been shunted aside. With 27 of today ' s state legislatures controlled by Republicans, 17 by Democrats and six split, it is difficult to see success for any of Justice Stevens ' proposals, even the ones that are not strictly partisan.
