The Time Traders  
Simon and Schuster  
Samuel Wells shows

how the characters in the Holy Week story face choices and experience feelings very similar to our own. He explores six kinds of power and demonstrates how Jesus' resurrection brings a new power that transforms the

---

passion of our lives.  
*Naked Masks* London  
: Heinemann  
Perched right on  
the Mason-Dixon  
line, tiny  
Runnymede,  
Maryland, is ripe  
with a history  
almost as colorful  
as the women who  
live there—from  
Celeste Chalfonte,  
headstrong and  
aristocratic, who  
murders for  
principle and  
steals her  
brother's wife, to  
Fannie Jump  
Creighton, who runs  
a speakeasy right  
in her own home  
when hard times  
come knocking. Then  
of course, there're  
Louise and Julia,  
the boldly

eccentric  
Hunsenmeir sisters.  
Wheezie and Juts  
spend their whole  
lives in Runnymede,  
cheerfully  
quibbling about  
everything from men  
to child-rearing to  
how to drive a car.  
But they never let  
small-town life  
keep them from  
chasing their  
biggest dreams—or  
from being true to  
who they really  
are. Sparkling with  
a perfect  
combination of  
sisterhood and  
sass, *Six of One* is  
a richly textured  
Southern  
canvas—Rita Mae  
Brown "at her  
winning, fondest  
best" (Kirkus

**One, None and a Hundred-thousand** Crown

A novel exploring war in an alternate post-9/11 America “is an undoubted pleasure to read. Auster really does possess the wand of the enchanter” (Michael Dirda, *The New York Review of Books*) From Paul Auster, a “literary original” (*Wall Street Journal*) comes a novel that forces us to confront the blackness of night even as it celebrates the existence of ordinary joys in a world capable of the most grotesque violence. Seventy-two-year-old August Brill is recovering from a car accident at his daughter’s house in Vermont. When sleep refuses to come, he lies in bed and tells himself stories, struggling to push back thoughts about things he would prefer to forget: his wife’s recent death and the horrific murder of his granddaughter’s boyfriend, Titus. The retired book critic imagines a parallel world in

which America is not at war with Iraq but with itself. In this other America the twin towers did not fall and the 2000 election results led to secession, as state after state pulled away from the union and a bloody civil war ensued. As the night progresses, Brill’s story grows increasingly intense, and what he is desperately trying to avoid insists on being told. A *Washington Post* Best Book of the Year “Absorbing.” —*The New Yorker* “Probably Auster’s best novel.” —*Kirkus Reviews*, starred review “Astute and mesmerizing.” —*Booklist*, starred review “Auster’s book leaves one with a depth of feeling much larger than might be expected from such a small and concise work of art.” —*San Francisco Chronicle* “[Auster is] a master of voice, an avuncular confidence man who can spin dark stories out of air.” —*Entertainment Weekly* [Six Characters in Search of an Author](#) Bantam

In *The Wave* , a young man falls

---

dangerously in love with the tenant downstairs, who is engaged to be married; in *The Signorina*, a flirtatious young woman is caught between her feelings and her parents desire for a good match; in *A Friend to the Wives*, the peerless Pia Tolosani leaves a trail of regret in the life of a former suitor. In this collection of stories Pirandello's first published work of fiction the master of Italian modernism dissects the passions that are either dimly felt or unrequited, ultimately raising doubts about the very nature and existence of love, while simultaneously foreshadowing the themes and the psychologically nuanced characters that he would go on to develop in his later works.

**ABOUT THE SERIES:** The 101 Pages series has been created with the aim of redefining and enriching the classics canon by promoting unjustly neglected works of enduring significance. These texts have been treated with a fresh editorial approach, and are presented in an elegantly designed format.

**Three Plays by Luigi Pirandello** Penguin UK

*The Flight of Icarus* is Raymond Queneau's only novel written in the form of a play: seventy-four short scenes, complete with stage directions. Consciously parodying Pirandello and Robbe-Grillet, it begins with a novelist's discovery that his principal character, Icarus by name, has vanished. This in turn, sets off a rash of other such disappearances.

*Short Stories* Routledge

Six people arrive in a theatre during rehearsals for a play. But they are not ordinary people. They are the characters of a play that has not yet been written. Trapped inside a traumatic event from which they long to escape, they desperately need a writer to complete their story and release them. Intrigued by their situation, the director and his company of actors begin to argue over the key events of their lives.

*Pirandello's Major Plays*

Macmillan + ORM

It doesn't take a legendary sword to make a legendary

---

swordsman, but it certainly helps. Keras Selyrian is already well on the way to cutting his name into the annals of legend. He's fought false divinities, thieving sorcerers, and corrupt demigods - and left them defeated in his wake. But he's a long way from home, and Kaldwyn offers a different brand of danger than he's used to. He's already got a sword of unfathomable power, but it's damaged and leaking world-annihilating mana, so he's in the market for a new one. Possibly six. The more the better, really. The Six Sacred Swords are Kaldwyn's most famous artifacts, forged as the only means to defeat the god beasts. Each sword must be earned by a worthy champion, and no single person has ever managed to

collect them all. Not yet, at least. Keras is just getting started. Additional Info: Six Sacred Swords is a light-hearted fantasy adventure inspired by Japanese game series like The Legend of Zelda, Final Fantasy, and Fire Emblem. It takes place in the same universe as the Arcane Ascension novels, but years earlier and with a different protagonist. While the books are interconnected, they can be read on their own in any order

**Six Sacred Swords** Ravenio Books  
No Marketing Blurb  
**The Power of Six** Simon and Schuster

Told in their separate voices, sixteen-year-old Prince Oliver, who wants to break free of his fairy-tale existence, and fifteen-year-old Delilah, a loner obsessed with Prince Oliver and the book in which he exists, work together to seek his freedom.

## Rainbow Six Penguin

We are the last defence. I've seen him on the news. Followed the stories about what happened to John Smith. To the world he's a mystery, but to me he's one of us. Nine of us came here, but sometimes I wonder if time has changed us, if we all still believe in our mission. There are six of us left. We're hiding, blending in.

### **Sense and Sensibility**

Penguin Classics

A volume of plays from the founding architect of twentieth-century drama, including his most popular and controversial work *A Penguin Classic* Pirandello is brilliantly innovatory in his forms and themes, and in the combined energy, imagination and visual colours of his theatre. This volume of plays, translated from the Italian by Mark Musa, opens with *Six Characters in Search of an Author*, in which six

characters invade the stage and demand to be included in the play. The tragedy *Henry IV* dramatizes the lucid madness of a man who may be King. In *So It Is (If You Think So)*, the townspeople exercise a morbid curiosity attempting to discover “the truth” about the Ponza family. Each of these plays can lay claim to being Pirandello’s masterpiece, and in exploring the nature of human personality, each one stretches the resources of drama to their limits. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well

---

as up-to-date translations by award-winning translators. On Humor DigiCat In Luigi Pirandello's thought-provoking novel, *One, No One and One Hundred Thousand*, the protagonist, Vitangelo Moscarda, undergoes a profound identity crisis after a casual remark from his wife. This sets him on a journey of self-discovery, questioning the nature of reality, identity, and the multifaceted perceptions others have of him. Through a series of philosophical musings and encounters with various characters, Moscarda grapples with the fragmented nature of the self and the illusions that shape our understanding of the world.

**Man in the Dark** Allan Lane (Vocal Selections). Six has

received rave reviews around the world for its modern take on the stories of the six wives of Henry VIII and it's finally opening on Broadway! From Tudor queens to pop princesses, the six wives take the mic to remix five hundred years of historical heartbreak into an exuberant celebration of 21st century girl power! Songs include: All You Wanna Do \* Don't Lose Ur Head \* Ex-Wives \* Get Down \* Haus of Holbein \* Heart of Stone \* I Don't Need Your Love \* No Way \* Six.

It's Rome 1910, and the Ponza family's tendency to swap identities shows the truth to be a highly subjective commodity.

Franco Zefereilli's production of Luigi

---

Pirandello's brilliant comedy was a West End hit in 2003 and is scheduled to open on Broadway. Luigi Pirandello achieved acclaim for plays such as *Absolutely Perhaps* and *Six Characters in Search of an Author*, winning the Nobel Prize for literature in 1934. He died in Rome in 1936.

Group New Directions  
Publishing

Six bright, successful and remarkably self-destructive people enter into a course of dynamic group therapy in an effort to recognize and overcome their compulsions, addictions, weaknesses and family legacies.

Right You Are! Hal Leonard  
First Published in 1993.

Contemporary Theatre Studies is a book series of special interest to everyone involved in theatre. This collection of documents is the first attempt in English to bring together a body of material on Luigi Pirandello as multi-faceted man of the theatre. Because relatively few of his

works have been easily available to English language readers, he is thought of most frequently as a playwright, the author of *Six Characters in Search of an Author* and *Henry IV* in particular, and his contribution to theatre, both in theory and in practice, has tended to be overlooked. Emphasising his role as a director, the book traces the rise and fall of his own theatre company, the Teatro d'Arte where he struggled to instil new practices and comments on Pirandello's attempts during the years of Fascism to give Italy a national theatre in a European context.

From beloved author/illustrator Nicola Killen comes an enchanting spring story about a magical friendship between a little girl and her stuffed rabbit who comes to life, lovingly told and illustrated in limited color with lovely foil and interactive die cut pages.

Ollie and her favorite friend bunny have been waiting for the rain to stop and spring to come, and at long last the sun arrives. Ollie puts on her rain boots, wraps bunny in a warm scarf, and the two set off for exploring. Then a sudden breeze whispers past and bunny's nose twitches and their magical adventure begins... The Little Rabbit is sure to enchant and charm young readers and is great for sharing with a friend.

*Six Characters in Search of an Author* Methuen Drama

Andre Norton's 'The Time

Traders' fuses historical intrigue with science fiction, plunging readers into a Cold War-inspired tale threaded with time travel. Here, the end of the twentieth century unfolds in sharp relief as Ross Murdock, teetering on the brink of lawless ruin, is co-opted into Operation Retrograde—a gamble to best an enemy who may have mastered the secrets of time.

Norton adeptly switches between the bleak, espionage-flavored present and a richly detailed Bronze-Age past. Her literary style seeks tandem with the likes of H.G. Wells and Poul Anderson, as she interweaves meticulous period research with the adventurous spirit of space-age speculation, reflecting the ambitions and fears of the period in which it was written. Andre Norton, born Alice Mary Norton, was a pioneering voice in science fiction and fantasy writing.

'The Time Traders', part of her

---

extensive literary oeuvre, draws perhaps from her experiences during World War II and the subsequent Cold War era, where the allure and menace of hidden knowledge paralleled the story's central theme of time-travel espionage. Norton's acumen for blending historical detail with the imagined possibilities of science fiction transports her readers into a vivid junction of what was and what could be. For aficionados of classic science fiction and time travel narratives, 'The Time Traders' is essential reading. It offers a vibrant landscape for thought about our own past and future, playing upon the tantalizing human desire to rewrite history, or to uncover its undiscovered truths. Scholars will appreciate Norton's dedication to historic authenticity, while genre enthusiasts will be gripped by the novel's relentless pace and intricate plotting. 'The Time
