an opportunity to not only witness the laws

of physics in operation, but also feel them! Well, this dream laboratory does exist and is as close as Six Flags Great America! At Six Flags Great America, virtually all the topics included in the study of mechanics can be observed operating on a grand scale.

AMERICA PHYSICS DAY - Six Flags

If Sir Isaac Newton were alive today, we're pretty sure he would sign off on a physics class field trip to California's Great America. As a renowned scientist credited with many physics principles we follow today, he would know that an innovative – and totally fun – way to demonstrate the science that deals with matter, energy, motion, and force is a modern-day roller coaster.
