How do you pick the
right college? Can
you get in? And if you
get in, how will you
pay for it? Choosing a
college is the most
important--and
daunting--decision

facing today's high
school students.
Unfortunately, when
it comes time to
narrow down the
choices and throw the
perfect admissions
punch, young people
are often left to
navigate the tricky
admissions process on
their own. Now, from
the nation's top
African American
college guidance

service, comes help at last--a one-stop guide to finding the right college, getting in, paying the bill, and much more. With insider tips on the entire admissions process, including advice on choosing a school, getting into the elite colleges, writing a powerful essay, preparing for the SATs, and packaging the application, the book shows students how to package themselves. No wonder college counselors nationwide look to Black Excel for resource materials. A one-of-a-kind manual for success, African American Student's College Guide also provides: In-depth profiles of the top 100 colleges for African American students * Black

Excel's exclusive list of hundreds of scholarships * The "Get-the-Money Guide" * Extraordinary sample essays * Invaluable Internet resources Whether you're a superstar student shooting for the Ivy League or a high school underachiever who needs a "second chance," African American Student's College Guide will give you that much-needed edge--including the "real rules," insider's tips, and how to beat the admissions odds. **BLACK EXCEL: THE COLLEGE HELP NETWORK** is the nation's premier college help service for African Americans. Trivia Why's will make you trivia wise with these great features: 1) Over 2,000 questions with multiple-choice answers are each accompanied by a related factoid.

Why is this answer correct (and not that one)? Why else is this person famous (or infamous)? Why was this event historically significant? 2) By cycling through six standard genus categories, this book makes an excellent supplement to your favorite trivia board game while providing a healthy variety of topics for your reading pleasure. Answers are hidden from view while the questions are being read and appear in the same block on the same side of the book two pages

later. 3) Every question and answer has been carefully researched for accuracy and recently updated to include the latest available data. Since trivia is a moving target, however, updates and corrections will be posted to the triviawhys.com web site.
